Background and Recommendation (attach backup material to Item Request Form):

The State of Florida has filed an action, along with a number of Florida cities and counties in response to the opioid epidemic. A Memorandum of Understanding has been created and provides a framework for a unified plan for the settlement proceeds from the proposed litigation against Pharmaceutical Supply Chain Participants that are accountable for the damage caused by misfeasance, nonfeasance and malfeasance.

Approval of Resolution No. 21-26 allows the City of Cooper City to join the State of Florida and other Florida cities and counties in the unified plan for the allocation and use of opioid settlement proceeds as set forth in the Memorandum of Understanding.
