00:03:22.920 --> 00:03:29.490

Cooper City Virtual Meeting: i'm the executive pastor at the pentecostals of Cooper city located at 5201 South flamingo road and.

30

00:03:30.210 --> 00:03:38.820

Cooper City Virtual Meeting: Again, thank you for your service as someone who leads at a local nonprofit church, I understand the heart of serving the Community, and thank you so much for everything you do.

31

00:03:39.240 --> 00:03:45.360

Cooper City Virtual Meeting: on behalf of our citizens and Cooper city and for making it a tremendous place to work in function, so thank you for that.

32

00:03:45.720 --> 00:03:51.000

Cooper City Virtual Meeting: i'm here tonight, because I want to encourage you to reinstate the nonprofit fire assessment exemption.

33

00:03:51.840 --> 00:03:57.900

Cooper City Virtual Meeting: I was very thankful for your comments, a few weeks ago, as I went through the meeting about your commitment to being financially sound.

34

00:03:58.260 --> 00:04:06.930

Cooper City Virtual Meeting: and responsible and conservative and for making decisions that were principal and value driven and most of the discussion at the most recent meeting on the 27th.

35

00:04:07.350 --> 00:04:14.100

Cooper City Virtual Meeting: Was centered on helping the residents and I greatly appreciate that, thank you for espousing those principles, and we would agree with every one.

36

00:04:14.550 --> 00:04:21.960

Cooper City Virtual Meeting: Of those things, so let me just share because we agree, some of the things we do at the pentecostals with Cooper city to help our local citizens.

37

00:04:22.410 --> 00:04:30.390

Cooper City Virtual Meeting: And i'm sure that other churches and nonprofits could echo this and add a lot more to this, but every week we provide for spiritual needs by hosting our services.

38

00:04:30.720 --> 00:04:37.530

Cooper City Virtual Meeting: We conduct kids events like we did this past Friday, where we had a few hundred kids come out and we opened up our church for a special service.

39

00:04:37.890 --> 00:04:46.410

Cooper City Virtual Meeting: And we allow them to use our playground and bounce houses and invited our members and citizens we provide pastoral counseling weekend and week out for all kinds of issues we helped.

40

00:04:46.920 --> 00:04:50.700

Cooper City Virtual Meeting: In the last few weeks to cancer patients that were dealing with financial issues we.

41

00:04:51.330 --> 00:05:01.680

Cooper City Virtual Meeting: sent meals to fall multiple families were sick we conduct we conducted just in the last few weeks, unfortunately, multiple funerals for local residents, we fed over 2000 families.

42

00:05:02.040 --> 00:05:09.840

Cooper City Virtual Meeting: There were boxes of hope initiative over the coven season, we recently hired a new PhD math instructor for our school Cooper city Christian Academy.

43

00:05:10.320 --> 00:05:20.250

Cooper City Virtual Meeting: And because we know this past year has been incredibly difficult we made boot camp math boot camps available for free to local residents, whether they attended our school or not.

44

00:05:20.700 --> 00:05:24.840

Cooper City Virtual Meeting: And I was a little confused because, in the midst of us doing all of those things at the last meeting.

45

00:05:25.800 --> 00:05:31.440

Cooper City Virtual Meeting: You were speaking about last year dropping the military to it was not a bare bones budget, the services were not cut.

46

00:05:31.830 --> 00:05:46.680

Cooper City Virtual Meeting: The citizens we're not complaining that you added money to the general fund and yet, in spite of all of that there was a decision made to move forward with cutting that exemption, and I would just encourage you to reconsider that I love actually what it says.

47

00:05:47.730 --> 00:05:55.440

Cooper City Virtual Meeting: The language from the section itself says tax exempt parcels or portions there of who's uses exempt from ad valorem tax under Florida law.

48

00:05:55.920 --> 00:06:01.770

Cooper City Virtual Meeting: provide facilities and uses to the ownership occupants membership as well as the public in general.

49

00:06:02.160 --> 00:06:09.780

Cooper City Virtual Meeting: That otherwise might be required to be provided by the city and says it's fair and reasonable to exempt that I agree wholeheartedly, I think the principal.

50

00:06:10.050 --> 00:06:16.560

Cooper City Virtual Meeting: and value of that is accurate and I think in light of the city's financial standing in light of the entirety of that discussion.

51

00:06:17.010 --> 00:06:22.710

Cooper City Virtual Meeting: I would again encourage you to reinstate that tax exempt provision, and I would also caution you I.

52

00:06:23.640 --> 00:06:30.510

Cooper City Virtual Meeting: i'm concerned about when you start talking about square footage that we use for different things, I really believe that from a constitutional standpoint.

53

00:06:30.870 --> 00:06:37.110

Cooper City Virtual Meeting: we're broaching some religious usage questions that is not for the city to broach and I know that's gone poorly.

54

00:06:37.440 --> 00:06:42.960

Cooper City Virtual Meeting: For Cooper city, a few years ago i'd encourage you to consider all of that as well and, again, thank you, I think the.

55

00:06:43.590 --> 00:06:53.520

Cooper City Virtual Meeting: The sentiment of that clause that it was taken out last a few weeks ago was absolutely correct time consider it again and again, thank you to all of the commissioners in the mayor.

56

00:06:58.950 --> 00:07:02.460

Cooper City Virtual Meeting: Thank you for for coming and.

57

00:07:04.650 --> 00:07:15.660

Cooper City Virtual Meeting: I if you watch the meeting, you know that I wholeheartedly agree with you, I did not vote for it, and I know how much religious organizations do for the city.

58

00:07:16.260 --> 00:07:32.910

Cooper City Virtual Meeting: residents and I think I believe we are here to serve you not you serve us, so I will do whatever I can to try to make sure that the exemption will go back on there, and you will you will be fully exempt.

59

00:07:36.930 --> 00:07:37.260

Cooper City Virtual Meeting: clean.

60

00:07:38.370 --> 00:07:39.630

Cooper City Virtual Meeting: Come back come back.

61

00:07:41.760 --> 00:07:42.780

Cooper City Virtual Meeting: Sure i'll.

62

00:07:43.860 --> 00:07:48.240

Cooper City Virtual Meeting: i'll take the more difficult road road traveled under the under the current.

63

00:07:49.290 --> 00:07:53.490

Cooper City Virtual Meeting: I shouldn't say the current is every years SP renewed and I spoke with rabbi penny about this because.

64

00:07:54.120 --> 00:08:03.060

Cooper City Virtual Meeting: My pen he called me was concerned, he said last year or the year before this was dealt, why is it coming up again, and so what happens is every single year.

65

00:08:03.420 --> 00:08:11.550

Cooper City Virtual Meeting: We have to set a ceiling on what we're going to do, and then you can't come off of that ceiling, so my.

66

00:08:12.180 --> 00:08:21.630

Cooper City Virtual Meeting: communication with rabbi penny, he said, well how about how come you didn't tell us how come you didn't all these things I said rabbi penny, this is the process that the State sets up we.

67

00:08:22.110 --> 00:08:29.370

Cooper City Virtual Meeting: We set what could happen, and they send you actually out a letter in the form of a term notice and saying hey This could be done.

68

00:08:30.450 --> 00:08:38.580

Cooper City Virtual Meeting: Like I told him we were we were fortunate last year, but our contract services for this item is going up a million dollars.

69

00:08:39.810 --> 00:08:50.100

Cooper City Virtual Meeting: And so we set a ceiling saying at a minimum we're going to pay 45% of that and the other 65% has to be open, at least in my opinion, for discussion because.

70

00:08:50.550 --> 00:08:56.550

Cooper City Virtual Meeting: The way it was written right now is the only thing that was exempt for nonprofits on commercial but nonprofits.

71

00:08:56.970 --> 00:09:09.810

Cooper City Virtual Meeting: in residential were paying the full fire assessments, so if there was a church in a residential property, they were paying the full thing, so what I think has to happen is, we have to have the conversation, you have to meet with the nonprofit's.

72

00:09:11.190 --> 00:09:19.980

Cooper City Virtual Meeting: You know I think you you not only were you concern i'm also concerned about how technical, we can get on the square footage on my concern for constitutional reasons but.

73

00:09:20.340 --> 00:09:28.890

Cooper City Virtual Meeting: We want to make sure it's a it's a or at least my opinion it's an approach that makes sense, so my position on I don't want to tax, you know, a.

74

00:09:30.780 --> 00:09:38.820

Cooper City Virtual Meeting: worship Hall, or whatever you, you would call that based off your religion, but I also don't want to the.

75

00:09:39.660 --> 00:09:50.580

Cooper City Virtual Meeting: Pentecostal church buying up every piece of commercial property and i'm exaggerating, obviously, so I think you know there's there's there's a balance and there's a mix and that conversation can't be had on last.

76

00:09:51.360 --> 00:10:05.400

Cooper City Virtual Meeting: last meeting it was set that way so like I explained to the rabbi what we did last meeting saying we're going to commit to paying 45% of the commercial thing and we could we could come off of that some.

77

00:10:06.750 --> 00:10:16.290

Cooper City Virtual Meeting: You know from some talk to 100% basically but uh you know I don't I don't take it lightly, one of my good friends of sands is there and.

78

00:10:17.040 --> 00:10:27.090

Cooper City Virtual Meeting: You know I know when I you know brought that up when I go to lunch i'm going to have to hear about it and it said, you know don't think you're just coming here to advocate that you have so permanent advocate over there, who.

79

00:10:27.720 --> 00:10:33.750

Cooper City Virtual Meeting: who tells me, you know, every time I see him, you know gives me the metaphoric finger so.

80

00:10:34.860 --> 00:10:43.680

Cooper City Virtual Meeting: pointer not you know pointer finger so but that's that's where we're at so every year with the trim notice it's not that we erased them it we put it in play.

81

00:10:43.950 --> 00:10:56.040

Cooper City Virtual Meeting: To be honest with you and to have that discussion in how that would work out for your ministry you'll you would know the worst case scenario, so to say, based off that trim notice and I don't know that those trim notices.

82

00:10:57.060 --> 00:11:09.120

Cooper City Virtual Meeting: They haven't gone out yet, but I don't even know that we have those those numbers and and I also like it's already pending I don't think it's fair that if you have a small church in a house or small synagogue and a House that you pay full boat.

83

00:11:09.690 --> 00:11:15.660

Cooper City Virtual Meeting: But if you're you build a you know 20 story mega temple church synagogue.

84

00:11:17.400 --> 00:11:26.130

Cooper City Virtual Meeting: mosque, that you would you would be zero and and we're having this conversation over religious institute's it's really also nonprofits as well, so.

85

00:11:27.570 --> 00:11:36.000

Cooper City Virtual Meeting: You know that's that's my position, and you know I know i'll have people disagree, but I at least want to metaphorically methodically.

86

00:11:36.570 --> 00:11:45.120

Cooper City Virtual Meeting: address it in and look at it and so like I told a rabbi penny who's very you know he's a lot less diplomatic the new and he called screamed at me.

87

00:11:45.540 --> 00:11:55.110

Cooper City Virtual Meeting: But uh I said listen, maybe you come with me to the sheriff's office and ask them to give us a break, maybe they'll help us pay it but you're you're at the table with me and I know he didn't want to be at the table, but.

88

00:11:55.830 --> 00:12:01.530

Cooper City Virtual Meeting: When we go up a million dollars, we all have to you know join in, and I also plan on asking the county to help.

89

00:12:02.040 --> 00:12:09.660

Cooper City Virtual Meeting: Cover that because it is true that the nonprofits and the religious institute's do a lot for the Community so maybe.

90

00:12:10.410 --> 00:12:15.960

Cooper City Virtual Meeting: You know that's that's where I stand, you know, thank you, thank you for that I appreciate that.

91

00:12:16.920 --> 00:12:29.250

Cooper City Virtual Meeting: i'm sorry, is it pastor yeah executive faster faster um so just want to make sure I addressed it correctly, you just go Howard Meltzer is fine thanks for being here this evening, and thank you for speaking, and this is a.

92

00:12:31.080 --> 00:12:35.220

Cooper City Virtual Meeting: it's a very important issue, but real quickly what I will say is.

93

00:12:36.360 --> 00:12:44.280

Cooper City Virtual Meeting: As Commissioner router alluded to it was incumbent upon us to set some kind of a of a of a fire assessment rate.

94

00:12:45.030 --> 00:12:52.440

Cooper City Virtual Meeting: So the process can go to the next stages, which are two public hearings which will allow for the clergy and all of your parishioners to come out and speak.

95

00:12:53.040 --> 00:12:59.580

Cooper City Virtual Meeting: And also allow for our residents to come out and speak that aren't part of the permission that are part of the parish because let's face it.

96

00:13:00.060 --> 00:13:05.880

Cooper City Virtual Meeting: They are, as well as you paying the bills in the city here and we they have a right to be heard as well.

97

00:13:06.450 --> 00:13:14.700

Cooper City Virtual Meeting: And i'm going to tell you I was i've been very consistent on this last year at this time we voted to set a ceiling and I got voted out voted down for two one.

98

00:13:15.360 --> 00:13:22.080

Cooper City Virtual Meeting: I was the only one that voted for them to continue the process, thankfully, the process will continue this year now where's it going to lead us, I don't know.

99

00:13:23.430 --> 00:13:34.860

Cooper City Virtual Meeting: You watch the last meeting I was at the last meeting we're just gonna have to see where where the shakes out, but I do believe the process needs to play out, we look forward to seeing everybody on the 13th and at that point.

100

00:13:36.540 --> 00:13:42.060

Cooper City Virtual Meeting: You know, there will be there will be some kind of a final decision, thank you very much, thanks for coming out will be here.

101

00:13:43.170 --> 00:13:49.830

Cooper City Virtual Meeting: feel do me a favor if you could get you a business card you give me a call like so yeah absolutely i'd be happy to speak.

102

00:13:50.190 --> 00:13:56.190

Cooper City Virtual Meeting: And I would just say in response to all of that Thank you so much, I do appreciate your efforts, I will say i've yet to see the.

103

00:13:56.700 --> 00:14:06.540

Cooper City Virtual Meeting: The 20 story or the 50 story nonprofit in Cooper city in the million square foot I don't We certainly don't have that we're not buying up commercial property everywhere that's not what we're doing.

104

00:14:07.680 --> 00:14:15.600

Cooper City Virtual Meeting: And then also, I would just say, I understand that you had to set the ceiling I get that I understand you're trying to be conservative with the budget, I appreciate that, but I would just say.

105

00:14:16.050 --> 00:14:23.220

Cooper City Virtual Meeting: The the nonprofit and religious exemptions that we provide I don't think the solid financial standing of the city is.

106

00:14:24.120 --> 00:14:30.570

Cooper City Virtual Meeting: In in deference to that or in any kind of competition with that I think it's because you said it that way.

107

00:14:30.990 --> 00:14:40.230

Cooper City Virtual Meeting: Because that causes the city to be blessed and has created part of the reason why the city has done so well, so thank you for that and I appreciate what you're doing, but I would encourage you, please.

108

00:14:40.860 --> 00:14:52.680

Cooper City Virtual Meeting: We are providing services to the city as well, so services that the government cannot and we understand that we want to partner with you, but we don't want that to be more difficult for us as we move forward with that, so thank you very much.

109

00:15:04.470 --> 00:15:05.160

Cooper City Virtual Meeting: They would not.

110

00:15:13.020 --> 00:15:17.520

Cooper City Virtual Meeting: You know i've spoken about this and pretty adamant about it, but in today's world.

111

00:15:21.900 --> 00:15:33.510

Cooper City Virtual Meeting: in disregard of our Federal Government, I think there is some compromise i'm pretty adamant about the separation of Church and State i've been the last meeting I spoke about the fire assessment.

112

00:15:37.110 --> 00:16:03.450

Cooper City Virtual Meeting: But what I do want to say is we're a city of a square miles approximately and we have 28 to 30 churches in our city approximately Am I right Am I wrong that equate it with the other nonprofits that equates to just under \$2 million 2 million.

113

00:16:04.950 --> 00:16:07.830

Cooper City Virtual Meeting: Now I can compromise.

114

00:16:09.000 --> 00:16:30.300

Cooper City Virtual Meeting: Personally, with helping out the religious institutions because they do provide a service they provide mental health, they provide counseling I get it, I can compromise with that, because you do have to compromise, but my problem is is all of the other nonprofits.

115

00:16:31.560 --> 00:16:44.910

Cooper City Virtual Meeting: Some of the entities that are nonprofit they're exempt forever Laura them because of their business licensure and so forth, but the owners of the properties are for profit.

116

00:16:48.840 --> 00:16:57.120

Cooper City Virtual Meeting: I mean there's a lot of nonprofits that are classified as nonprofits that get the benefit of the tax exemption but.

117

00:16:58.200 --> 00:17:02.220

Cooper City Virtual Meeting: When it comes down to filing their tax returns their profit there.

118

00:17:03.480 --> 00:17:04.740

Cooper City Virtual Meeting: You understand what i'm saying.

119

00:17:07.020 --> 00:17:09.660

Cooper City Virtual Meeting: We have to really look at this.

120

00:17:10.710 --> 00:17:18.840

Cooper City Virtual Meeting: i'll have an example, I went to dig Christian school, we had a very big big auditorium very religious school.

121

00:17:19.890 --> 00:17:34.080

Cooper City Virtual Meeting: But that was only 20% of the building the rest 80% of the building the the sports fields, the stadium the classrooms and all of that was run as a profit Center.

122

00:17:35.310 --> 00:17:55.770

Cooper City Virtual Meeting: As a profit Center but they got the four exemption, I mean at some point we have to compromise and say Okay, we get it, you should have a tax exemption, but should you have 100%.

123

00:17:56.490 --> 00:18:11.070

Cooper City Virtual Meeting: Why should the city taxpayers, such as myself, and you sitting up there, why should we have to come out of pocket almost \$2 million how much was our increase to the bso contract.

124

00:18:12.540 --> 00:18:14.850

Cooper City Virtual Meeting: Captain a million bucks you're getting more from us.

125

00:18:16.710 --> 00:18:25.410

Cooper City Virtual Meeting: Okay, it gets a million bucks so guess what that buyer assessment equals, almost two years of increases to bsl.

126

00:18:26.670 --> 00:18:35.280

Cooper City Virtual Meeting: We got to have some sort of compromise some sort of compromise, am I saying 100% exemption Absolutely not.

127

00:18:36.300 --> 00:18:47.490

Cooper City Virtual Meeting: Are we going to exempt the Assembly portion of our religious institutions I don't have a problem with that, but when we get to the other nonprofits.

128

00:18:48.390 --> 00:18:57.900

Cooper City Virtual Meeting: If a fire breaks out they're going to want a fire truck Am I right well who's paying for that, why should we have to pay for everything.

129

00:18:58.890 --> 00:19:17.730

Cooper City Virtual Meeting: of a city of a square miles, we have this many churches we're not this we're not the city of trees, where the city of churches and I don't have a problem with it i'm not anti church, but at some point the tax break even point because a burden on the residents, thank you.

130

00:19:25.920 --> 00:19:26.340

Thank you.

131

00:19:27.570 --> 00:19:28.320

Cooper City Virtual Meeting: Bob science.

132

00:19:30.000 --> 00:19:33.120

Cooper City Virtual Meeting: Reverend okay go to the bathroom yeah.

133

00:19:34.350 --> 00:19:35.520

Cooper City Virtual Meeting: i'm glad you're not anti.

134

00:19:37.680 --> 00:19:40.170

Cooper City Virtual Meeting: Anti church i'm glad to hear that they'll be glad to know that day Christian.

135

00:19:41.550 --> 00:19:41.970

Cooper City Virtual Meeting: i'm.

136

00:19:44.580 --> 00:19:47.910

Cooper City Virtual Meeting: So you're taking my time so anyway.

137

00:19:48.990 --> 00:19:53.970

Cooper City Virtual Meeting: A couple of things that I want to say i've talked with several of you individually.

138

00:19:55.830 --> 00:20:02.820

Cooper City Virtual Meeting: And as you can hear the troops are being rallied and I will tell you they're not the troops that you want rallied i've i've told you all that.

139

00:20:04.230 --> 00:20:07.410

Cooper City Virtual Meeting: I fought this 20 years ago in the city of Dania beach.

140

00:20:08.730 --> 00:20:15.780

Cooper City Virtual Meeting: Our Commission at that time voted five nothing to not tax the churches, because it was actually their choice.

141

00:20:16.290 --> 00:20:22.740

Cooper City Virtual Meeting: The choice was it was something that wasn't going on, and so they were just going to add it so my understanding this this was sort of added to be looked at.

142

00:20:23.190 --> 00:20:28.050

Cooper City Virtual Meeting: At the last Commission me it was sort of added in now, you can correct me if i'm wrong on that, but this was.

143

00:20:28.320 --> 00:20:33.720

Cooper City Virtual Meeting: This was added in and let's take a look at this I keep hearing about the mysterious amount of money here's what I would suggest.

144

00:20:34.020 --> 00:20:43.980

Cooper City Virtual Meeting: I would suggest that you make sure that everything else is being managed appropriately here in the city before you start digging in to the churches that's number one.

145

00:20:44.400 --> 00:20:52.620

Cooper City Virtual Meeting: Number two the fact that you are talking about during doing this during coven and well, while the churches are trying to recover is appalling to me.

146

00:20:53.040 --> 00:20:58.350

Cooper City Virtual Meeting: And let me tell you why the average church in America has 90 people in attendance, on Sunday morning.

147

00:20:58.800 --> 00:21:03.390

Cooper City Virtual Meeting: They may have a lot of property, but for an example, my church and Dania beach right now.

148

00:21:03.840 --> 00:21:09.420

Cooper City Virtual Meeting: We we may have a lot of property, but I can't go get a loan on it, because the question is, how are we going to pay the loan.

149

00:21:09.690 --> 00:21:18.090

Cooper City Virtual Meeting: We can't do it because membership is down people aren't attending as much, and so this myth of we're going to go buy a bunch of property up and it's going to be.

150

00:21:18.330 --> 00:21:25.110

Cooper City Virtual Meeting: It doesn't it doesn't work like that it's never work like that you may be thinking about televangelists ministries that do it, but that's not.

151

00:21:25.440 --> 00:21:33.450

Cooper City Virtual Meeting: that's not how it works, and let me encourage you one other thing, and I know I know how much you all hate me mentioning Dania beach, but I have the I have the the.

152

00:21:33.840 --> 00:21:42.630

Cooper City Virtual Meeting: distinct sort of privilege and perspective of being able to pastor in one city and live here, I want to, I want to challenge you all to do something.

153

00:21:45.600 --> 00:21:50.820

Cooper City Virtual Meeting: I want to challenge, I want to, I want to ask you this, and I want you to answer this publicly, because I know the answer.

154

00:21:51.960 --> 00:21:59.640

Cooper City Virtual Meeting: How many of you as Commissioners mayor and I know Jeff green it's a different ballgame on whether the mayor is listening, how many of you have actually gone.

155

00:22:00.750 --> 00:22:14.430

Cooper City Virtual Meeting: In the city of Cooper city and sat in a worship service doesn't matter whether it's synagogue doesn't matter whether it's a church, how many of you have gone and actually visited.

156

00:22:15.060 --> 00:22:20.640

Cooper City Virtual Meeting: met with the clergy and actually attended a service and talk to the people to see what they've done.

157

00:22:21.000 --> 00:22:30.810

Cooper City Virtual Meeting: So here's what happens in Dania beach, and you all can learn a thing from this, we actually have, I have three Commissioners that rotate coming to our church and we're not the only one and, by the way they don't come at election time.

158

00:22:32.100 --> 00:22:41.220

Cooper City Virtual Meeting: They come they come to because they realize that it's a partnership, not an adversarial relationship which the adversarial relationship was kind of started.

159

00:22:41.730 --> 00:22:49.740

Cooper City Virtual Meeting: When when the mayor called are all the churches out here, and I know what he was trying to do, but what it appeared is like we want, we want you to come answer to us.

160

00:22:50.040 --> 00:22:58.620

Cooper City Virtual Meeting: And I want to say something to you all, just so you know this, I want to reiterate this not that any of you think that we do not answer to you okay.

161

00:22:58.980 --> 00:23:10.170

Cooper City Virtual Meeting: We, we have to do our things in the city, we have to, we have to abide by certain rules, but you don't call the clergy out and get us to tell us exactly give us a report because we don't work for you okay.

162

00:23:10.590 --> 00:23:17.520

Cooper City Virtual Meeting: i'm saying that a lot more aggressively than maybe this gentleman will do in the back, but you need to really think about this because right now.

163

00:23:17.850 --> 00:23:26.280

Cooper City Virtual Meeting: We have an issue with coven and here you guys are it'd be like given yourself a raise or encode out let's let's take a rate you're now you're going to say, well, we don't have the money.

164

00:23:26.520 --> 00:23:43.530

Cooper City Virtual Meeting: And you know we kind of need the money so maybe we can look at the churches and do that not the thing to do not smart politically not smart in any other way to do this and we will be coming back Thank you and I want to stick up for the mayor, I think, with his his intention.

165

00:23:44.670 --> 00:23:51.810

Cooper City Virtual Meeting: And this might have been, because actually before it was on the Commission his intention might have came off incorrectly, but I think his intention was to find out.

166

00:23:52.350 --> 00:24:00.630

Cooper City Virtual Meeting: What was you know being done in the Community, like we would win some of the other nonprofits come and they request money and it's hey.

167

00:24:01.170 --> 00:24:07.650

Cooper City Virtual Meeting: How many people do you serve Cooper city that type of thing So although he mostly wrong, I think he was well.

168

00:24:08.250 --> 00:24:14.400

Cooper City Virtual Meeting: First of all, and that's what I said I don't think he intended it to come out like that, but the other thing is, is that some of these.

169

00:24:14.640 --> 00:24:19.320

Cooper City Virtual Meeting: Things that people that you're talking about you actually give them money you're not giving the churches necessarily any money.

170

00:24:19.800 --> 00:24:28.020

Cooper City Virtual Meeting: So, you said that the not for profits that come out that are actually that you're giving money to so I get it, I get like you have to have the optimists come out I got all of that.

171

00:24:28.380 --> 00:24:40.950

Cooper City Virtual Meeting: But I understand, but it was the way that it came out, and I know, there was a surprise that there wasn't a lot of clergy here, whatever and I think I, and I don't know I think there's three cities actually in broward that are doing this Is this correct, we know who they are.

172

00:24:42.090 --> 00:24:51.450

Cooper City Virtual Meeting: Two Who are they I think too I think Southwest ranches and oakland Park, maybe we'll talk, what matters or kind of you guys know that.

173

00:24:52.950 --> 00:25:02.610

Cooper City Virtual Meeting: I think, do we know we don't know for sure, do we know there's to Mr city manager, do you know wilton manors has a certain exemption in Southwest ranches as well.

174

00:25:03.720 --> 00:25:12.540

Cooper City Virtual Meeting: And how many how many cities are there and and municipalities and I don't know if that's good complete list, but those are two that I know, but how many municipalities are there in broward 31 or.

175

00:25:13.770 --> 00:25:16.590

Cooper City Virtual Meeting: So we would maybe be three good all right.

176

00:25:20.640 --> 00:25:21.030

Cooper City Virtual Meeting: Thank you.

177

00:25:26.280 --> 00:25:27.330

Cooper City Virtual Meeting: Right, thank you.

178

00:25:29.700 --> 00:25:45.030

Cooper City Virtual Meeting: want to say start with now are surfing surfing SAR so I mean everything the state open water coming up that I stay Orlando, the big opening thing.

179

00:25:45.510 --> 00:25:56.790

Cooper City Virtual Meeting: guys you want to raise money for us come on it open I got first way surfing semi got first place to first base everything for swimming that's a.

180

00:25:57.360 --> 00:26:11.790

Cooper City Virtual Meeting: guess, I want to help us come on us for swimming competition, a waste money, let me ask this question are we doing isn't it the police that usually do the typical for Special Olympics, I know that was that, yes, they doing, are we doing anything like that.

181

00:26:13.440 --> 00:26:23.250

Cooper City Virtual Meeting: Kobe did know doing the guy they sending money the office you want to sit the monitor office in the mail go ahead, just what they're doing.

182

00:26:24.420 --> 00:26:36.570

Cooper City Virtual Meeting: Where where is this going on, when we have anything that we can maybe post and let residents know well, I think he said, the big the actual thing is in Orlando right orlando's coming up a big.

183

00:26:38.460 --> 00:26:50.730

Cooper City Virtual Meeting: surfing swimming up a water soccer viewer say game it's got me up with now Orlando captain, can we see if we're gonna if we're doing this year we're going to do.

184

00:26:52.650 --> 00:27:00.990

Cooper City Virtual Meeting: Prior to you the police department part of covert the blues part you should do you know, like a typical thing for Special Olympics to raise money in the city.

185

00:27:02.730 --> 00:27:17.850

Cooper City Virtual Meeting: Commissioner and good evening everybody, yes, we normally would support Special Olympics, I actually spoke to this gentleman about that, and we would even organize runs and walks for Special Olympics, it was just postponed because of covert.

186

00:27:19.230 --> 00:27:22.800

Cooper City Virtual Meeting: Thank you so much, and thank you so much sorry, are you doing it this year.

187

00:27:25.620 --> 00:27:34.440

Cooper City Virtual Meeting: We did not have anything planned for this year, Commissioner, and I think that with the re surgeons of code right now that's something we need to closely look at.

188

00:27:35.220 --> 00:27:46.110

Mayor Ross: Mr his consent agenda.

196

00:28:58.830 --> 00:29:00.390

Cooper City Virtual Meeting: motion to approve second.

197

Cooper City Virtual Meeting: we're just doing item one on the consent agenda item one.

198

00:29:06.000 --> 00:29:07.560

Cooper City Virtual Meeting: Item one on the consent agenda.

199

00:29:11.490 --> 00:29:12.180

Cooper City Virtual Meeting: So.

200

00:29:13.440 --> 00:29:19.290

Cooper City Virtual Meeting: it's been the motion by Commissioners router and seconded by Commissioner Meltzer.

201

00:29:21.630 --> 00:29:27.030

Cooper City Virtual Meeting: fellow Commissioners router Yes, Commissioner Meltzer mission pulteney yes may Ross.

202

Cooper City Virtual Meeting: move on okay.

203

00:29:44.520 --> 00:29:44.850

Cooper City Virtual Meeting: Okay.

204

00:29:47.070 --> 00:29:48.540

Cooper City Virtual Meeting: let's move to the next item.

205

00:29:50.910 --> 00:29:54.810

Cooper City Virtual Meeting: which was a Item number two motion to approve additional.

206

00:29:55.890 --> 00:29:58.200

Cooper City Virtual Meeting: FDA em hours.

207

00:29:59.430 --> 00:30:07.830

Cooper City Virtual Meeting: army so moved okay so motion by Commission announcer i'll second it for seconded by Commissioners router.

208

00:30:10.800 --> 00:30:20.880

Cooper City Virtual Meeting: Commission well, Sir, thank you commissionable genie, and the reason I asked city manager to pull items two and three from the consent agenda is, I believe we had given direction, some time ago.

209

00:30:21.330 --> 00:30:27.960

Cooper City Virtual Meeting: Any financial items should be on the regular agenda to be discussed scrutinize so the Joe thanks for that.

210

00:30:29.760 --> 00:30:30.150

Cooper City Virtual Meeting: All right.

211

00:30:31.230 --> 00:30:32.130

Cooper City Virtual Meeting: let's take a look here.

212

00:30:33.540 --> 00:30:36.870

Cooper City Virtual Meeting: So look looking at the history of this.

213

00:30:38.250 --> 00:30:39.780

Cooper City Virtual Meeting: It looks like that.

214

00:30:41.070 --> 00:30:44.850

Cooper City Virtual Meeting: we're asking for, I guess, the question is how much was budget and.

215

00:30:45.840 --> 00:30:46.770

For these doors.

216

00:30:48.930 --> 00:30:59.130

Cooper City Virtual Meeting: In 2019 \$50,000 always \$50,000 right correct and was that what was that for is that just for the the role of doors or is that for the two other doors and the windows are just for the doors.

217

00:31:01.290 --> 00:31:20.100

Cooper City Virtual Meeting: Go ahead, can I can yes i'm sorry the the initial grant was for \$58,571 and 25 cents, those are the grant dollars, and that was to cover up all the doors and all the windows for the fire station okay that's a 75% grants So yes, Sir, so the cost, so, in other words the budgeted cost was.

218

00:31:21.330 --> 00:31:36.600

Cooper City Virtual Meeting: That would have been somewhere in the neighborhood of \$75,000 that's right 3019 not 50 or 75 for everything, so it looks like the costs went up in two years, and because because right now we're asking we're asking we're asking the the mdm for.

219

00:31:36.990 --> 00:31:37.650

Another.

220

00:31:38.700 --> 00:31:51.420

Cooper City Virtual Meeting: 119 total another 19 520 i'm sorry another 29 \$29,000 right 28,000 and cities cost, and that is 9831 50, so why are we having to.

221

00:31:53.250 --> 00:32:03.600

Cooper City Virtual Meeting: Go I guess over budget could you finish your centers and goes the total cost now and the outcome is 117 right that's correct it's almost like \$40,000.

222

00:32:03.960 --> 00:32:13.890

Cooper City Virtual Meeting: that's correct so incidentally 80% over budget, so my understanding is that we did we've received the initial grant and provided the initial match.

223

00:32:14.640 --> 00:32:26.790

Cooper City Virtual Meeting: We did the doors the roll up doors completed that project with reimbursed, there are our share of the cost for those doors that did not leave enough money to complete the windows and the end of and the front doors.

224

00:32:27.360 --> 00:32:36.690

Cooper City Virtual Meeting: And so, then we made a request for an additional \$29,000 plus in grant funds and we received that and then it's it's on the table for you to accept.

225

00:32:37.500 --> 00:32:50.460

Cooper City Virtual Meeting: We had been waiting for a time extension to be able to actually carry out that work and we brought both items to you at the same time both the additional grant dollars and the time extension which would allow us to get the job done as soon as the Griffin.

226

00:32:52.110 --> 00:33:03.060

Cooper City Virtual Meeting: The grant expired in April, so, and this was a three year grant So why did it take three years to to run out of time.

227

00:33:03.720 --> 00:33:14.910

Cooper City Virtual Meeting: This is just replacing windows what happened between when we first applied for the gratitude 2019 and in April of this year, why.

228

00:33:15.630 --> 00:33:26.820

Cooper City Virtual Meeting: What what what projects that we do in the fire department that we do other projects in the fire department i'm not sure that I know that we did we took us a while to do the.

229

00:33:27.300 --> 00:33:30.990

Cooper City Virtual Meeting: roll up doors and we completed for those and submitted for the reimbursement.

230

00:33:31.320 --> 00:33:37.260

Cooper City Virtual Meeting: which we received that took a while as well, we also submitted for the additional dollars that we believe that we would need.

231

00:33:37.560 --> 00:33:52.080

Cooper City Virtual Meeting: And that took a while to receive well, but my question is did we do other projects that may be used up the funds no Sir allocated no so are the projects were done no we didn't we used only these dollars that were allocated for the purposes they were intended so.

232

00:33:54.810 --> 00:33:58.080

Cooper City Virtual Meeting: So why did we not replace the windows mean pricing windows.

233

00:33:58.320 --> 00:34:11.970

Cooper City Virtual Meeting: it's just a matter of hiring a contractor to replace the windows, we have with the dollars that were left after the doors for in place, there were not sufficient dollars to complete the windows in the two front doors we only really had that we had the dollars to do the roll up doors.

234

00:34:13.200 --> 00:34:21.900

Cooper City Virtual Meeting: The question is, why would, why do we not ask for the right amount of money up front, I don't know we probably made the best our best guess at that time we made the application and number of years ago.

235

00:34:22.440 --> 00:34:30.660

Cooper City Virtual Meeting: But, but let me tell you that you weren't here so it's not your fault, the conversation that we had on this day so in 2019.

236

00:34:31.200 --> 00:34:50.640

Cooper City Virtual Meeting: was one where we were not happy, and if we remember about change orders with grants and the explanation were given exactly the same one we're giving now is that time passes, and by the time we get the money that the bid is old and price goes up.

237

00:34:51.870 --> 00:35:00.870

Cooper City Virtual Meeting: And we wanted to avoid that and, yes, organize this specifically so this will be avoided, yes, and why are we here now and.

238

00:35:01.590 --> 00:35:14.040

Cooper City Virtual Meeting: 50% more than what was originally voted yes and by under understanding the concern, and this was when facing windows and doors, something that it's not a matter as a city is understaffed does it matter that that we don't have.

239

00:35:14.640 --> 00:35:30.540

Cooper City Virtual Meeting: The manpower, this is something that we go out and contract and if one contract can't do where to go get another contractor, well, we did we did the first one, and then we go over we have we don't have the busy we don't have the contract I don't know what can we ask.

240

00:35:31.830 --> 00:35:42.120

Cooper City Virtual Meeting: Is there any TIM maybe you know, did we did the first time, how do we get those numbers, the first numbers came from when they went out they got the price on home depot.

241

00:35:42.690 --> 00:35:51.990

Cooper City Virtual Meeting: They did have the windows and the front doors and now that home depot we actually went back to home depot they're no longer doing commercial windows for government.

242

00:35:53.220 --> 00:35:55.350

Cooper City Virtual Meeting: So we just got another price them another vendor.

243

00:35:57.540 --> 00:36:05.340

Cooper City Virtual Meeting: But why did we get only two doors, and I think there's four doors total know there's there's two front doors that face the parking lot and then all the windows.

244

00:36:05.760 --> 00:36:16.380

Cooper City Virtual Meeting: Again, replace the doors, not the garage the bay doors are that's what was that's what it was already done in 2019 that's why we do the bay doors and the windows are same time.

245

00:36:17.820 --> 00:36:24.990

Cooper City Virtual Meeting: Though it was all the funding in the budget, it said it almost sounds to me like we This project was funded not by.

246

00:36:26.070 --> 00:36:37.320

Cooper City Virtual Meeting: figuring out how much it's going to cost for two doors a roll up door and impact windows, but it almost sounds like we we got to the numbers, by how much money we were getting out of the grant.

247

00:36:38.700 --> 00:36:47.460

Cooper City Virtual Meeting: And it was kind of it was kind of imputed back to the 75,000 because you're talking across the 75,000 and 2019 but but, but then Ken said that.

248

00:36:49.170 --> 00:37:00.120

Cooper City Virtual Meeting: 75,000 it wasn't there wasn't enough money to cover all the whole project right, how do you build a product you weren't here and wasn't put it a bit of project out when we didn't.

249

00:37:00.600 --> 00:37:06.480

Cooper City Virtual Meeting: night I don't even know if they bid the experience you're putting in you know I mean and and you don't have enough you dont.

250

00:37:07.650 --> 00:37:13.410

Cooper City Virtual Meeting: preach enough money to do the entire project, but I don't give him at the time I don't think they even went out for a buck.

251

00:37:13.800 --> 00:37:27.000

Cooper City Virtual Meeting: A bit they just put the numbers together yeah I see I just throwing that don't have together can this be brought back with with answers, maybe do we have a time limit on it yeah, we need to get the sign.

252

00:37:29.160 --> 00:37:36.480

Cooper City Virtual Meeting: I think we for the best answers that we can oftentimes in grant projects like this, I don't know if this is the case here, but.

253

00:37:36.840 --> 00:37:43.080

Cooper City Virtual Meeting: you're under the gun in terms of making an application, and so you have to come up with what you want to do and what it's going to cost.

254

00:37:43.440 --> 00:37:50.160

Cooper City Virtual Meeting: And that's can that can be very hard to come up with in the short period of time, and probably that estimate was just not a good estimate.

255

00:37:50.550 --> 00:38:03.600

Cooper City Virtual Meeting: And it was obvious soon soon as they went ahead and tried to get the doors installed was obvious that was not a good estimate okay well here's the thing we're looking at an extra 90 \$831 and 50 cents out of taxpayer money to complete this project is that accurate.

256

00:38:05.970 --> 00:38:07.020

Cooper City Virtual Meeting: Is it it's an extra.

257

00:38:08.610 --> 00:38:11.520

Cooper City Virtual Meeting: Now, so in this and the budget coming up.

258

00:38:12.750 --> 00:38:28.860

Cooper City Virtual Meeting: In next year's budget and put in for 50 \$57,521 that's the complete the project right, but here we are going to receive back 43,000 of that Okay, but based on the math that i've done here we've.

259

00:38:31.620 --> 00:38:36.300

Cooper City Virtual Meeting: In 2019 we project, the actual cost was \$88,000.

260

00:38:37.740 --> 00:38:38.490

Cooper City Virtual Meeting: There was a.

261

00:38:40.620 --> 00:38:40.950

Not.

262

00:38:42.420 --> 00:39:01.620

Cooper City Virtual Meeting: The i'm sorry 78,000 looking hold on a second i'm sorry \$78,095 75% share, which was the the grant money we got back was 58 left the city having to pay 19 523 75 at that time now with the with the new grant that number of.

263

00:39:02.700 --> 00:39:10.320

Cooper City Virtual Meeting: went up to a total of 29 494 or difference of about 90 \$800 additional that's coming out of the city coffers.

264

00:39:10.860 --> 00:39:18.330

Cooper City Virtual Meeting: You need to get the job done, I get it there's 90 \$800 where's it coming out of our are we going to fund it you're assuming you made you made.

265

00:39:18.810 --> 00:39:29.580

Cooper City Virtual Meeting: A leap there, the question is how much because look none of these numbers make sense that's why I wrote my own numbers How much are we seeking to get from female or male and female from the Federal grant now.

266

00:39:30.030 --> 00:39:49.140

Cooper City Virtual Meeting: Additional \$29,000 was was granted to last question is, would you like to accept it, along with the time extension Okay, so it says in here, though 57,000 for the for the next budget year, of which 43 will be reimbursed through correct So how do you get 43 from 29.

267

00:39:50.340 --> 00:39:56.430

Cooper City Virtual Meeting: yeah we we did not expand all of the grant dollars that were initially given to us.

268

00:39:57.540 --> 00:40:09.060

Cooper City Virtual Meeting: Because we had enough to do the role of doors, but not enough to do the windows and the front doors Okay, so we realized that then apparently we've requested additional dollars and additional time.

269

00:40:09.900 --> 00:40:18.030

Cooper City Virtual Meeting: And then that was given in suits and a two step process one we received the additional dollars, and then we asked asked additional time when we receive that.

270

00:40:21.810 --> 00:40:32.430

Cooper City Virtual Meeting: All right, let me just let me say this, one more time, if you take the entire cost of this project you're looking at \$117,421 correct correct you're going to have grants.

271

00:40:33.510 --> 00:40:42.570

Cooper City Virtual Meeting: Which equal to 75% of that hundred 17 for 21 total \$88,065 that's probably that number is comprised of two figures in.

272

00:40:46.830 --> 00:40:47.400

Cooper City Virtual Meeting: And the.

273

00:40:49.470 --> 00:40:51.510

Cooper City Virtual Meeting: we're looking to receive right now.

274

00:40:53.820 --> 00:41:04.080

Cooper City Virtual Meeting: That accurate that sounds correct okay he's always like maybe like a fish where i'm going so that means cost for the city out of pocket are going to be a negative 29 355 25.

275

00:41:05.070 --> 00:41:19.290

Cooper City Virtual Meeting: You take what we paid in 2019 with what we're going to pay, now that sounds correct right 2019 we paid a total of our share was 19,005 2375 based on that being 25% of the \$78,095.

276

00:41:20.190 --> 00:41:24.990

Cooper City Virtual Meeting: So it's costing the city now in additional \$9,831 and 50 cents out of pocket.

277

00:41:25.440 --> 00:41:39.750

Cooper City Virtual Meeting: Forget about that, no, no, you say that but, but then you're expecting more money back then we got you're expecting more than 43,000 he has a beard right now for 57,000 right, we have, we have a quote level they have a quote a quote.

278

00:41:40.830 --> 00:41:51.660

Cooper City Virtual Meeting: So 57,000 and they're saying, right here 43 will be reimbursed so that's not 9000 that's that's one thing that's 14,000 or What was it come out.

279

00:41:52.770 --> 00:41:56.040

Cooper City Virtual Meeting: So what where's the disconnect between what's in the back of what I just said.

280

00:41:57.600 --> 00:42:09.360

Cooper City Virtual Meeting: Well, we did not expand all of the grant dollars initially I guess the Butler Snowden nor did we expand all of this plan sittings share local match initially.

281

00:42:09.900 --> 00:42:14.310

Cooper City Virtual Meeting: We carried both of those over asked for additional dollars grant dollars.

282

00:42:14.700 --> 00:42:26.460

Cooper City Virtual Meeting: And we ought to pledge additional local share is the total cost of the project, going to be 117,520 okay that's the entire cost of the project, whether it's money coming from the grants money coming from Cooper city taxpayers okay.

283

00:42:26.970 --> 00:42:46.800

Cooper City Virtual Meeting: So that 117 for 21 you got 75% coming in the form of grants, is that accurate, yes, so you take that number multiplied times 75% it comes to \$88,065 and 75 cents coming from grants, yes, the difference being the 29 355 25 which is checked being written by the city of Cooper city correct.

284

00:42:47.970 --> 00:42:54.930

Cooper City Virtual Meeting: Is that is that i'm just asking because I don't want to make sure I have my 88,000 right how much i've already received we just.

285

00:42:55.680 --> 00:43:06.150

Cooper City Virtual Meeting: And of course we do this on a reimbursement basis, we have to pay for everything up front, of course, and then our invoices and we get with course in burst, so if that's all accurate and we're getting 88,000 if.

286

00:43:06.690 --> 00:43:21.480

Cooper City Virtual Meeting: With what we receive from this from FDA I mean it 2019 plus what we applied for and got approved for for this year we're going to be receiving a total of \$88,065 and 75 cents yes Okay, so if we expended in.

287

00:43:23.670 --> 00:43:27.030

Cooper City Virtual Meeting: A total of 19,005 2375.

288

00:43:28.140 --> 00:43:35.880

Cooper City Virtual Meeting: I believe so Okay, that means we have another 90 \$831 and 50 cents to expand now to complete the transaction.

289

00:43:37.800 --> 00:43:49.080

Cooper City Virtual Meeting: i'm sorry i'm sorry, excuse me, that means that means we have another \$99,831 and 50 cents to complete the transaction we all your data Cooper city taxpayer money I follow you does that.

290

00:43:50.190 --> 00:43:57.180

Cooper City Virtual Meeting: Accurate I believe so Okay, so my question is, you need to do the project, where 9200 over budget where's the 9800 coming okay i'd like to.

291

00:43:58.620 --> 00:44:07.770

Cooper City Virtual Meeting: I see what you're doing there they're just saying yes they're not really following you because the reality is the this is this is that's not the reality they're seeking correct on.

292

00:44:08.160 --> 00:44:13.680

Cooper City Virtual Meeting: Their on their sheet on their sheet that not asking for hundred 17 the asking for 57.

293

00:44:14.310 --> 00:44:24.960

Cooper City Virtual Meeting: So that tells me 343 is telling us is 47 of which 43 will be reimbursed through the FDA route that's correct no problem let's that's that's what i'm trying to get 200.

294

00:44:25.500 --> 00:44:34.740

Cooper City Virtual Meeting: and approve your \$9,831 so you get it it's not 217 we've already done, half the project so so what's the real number How much is it going to cost.

295

00:44:35.700 --> 00:44:46.860

Cooper City Virtual Meeting: You need from us for this for this upcoming year, the project will cost \$57,521 minus he will pay for will cost up to that amount we can so that's a total cost.

296

00:44:47.580 --> 00:45:03.570

Cooper City Virtual Meeting: analysis of what remains to be done well 75% of that being reimbursed yes grant and that's that's the \$43,140 75 cents and your agenda item Okay, and that leaves a big difference of \$14,400 the world.

297

00:45:05.430 --> 00:45:23.130

Cooper City Virtual Meeting: That Cooper city it's paying alright so 57 521 is what we need now to complete the project, how much if we spent prior in 2019 2019 we paid for the bay doors \$33,000 that's all we spent 2019 much for the you're saying this projects and.

298

00:45:24.330 --> 00:45:30.870

Cooper City Virtual Meeting: In verse \$33,000 no would reimburse total cost of the project, can I can I can check and because the.

299

00:45:32.160 --> 00:45:34.020

Cooper City Virtual Meeting: total cost of the project.

300

00:45:35.790 --> 00:45:49.290

Cooper City Virtual Meeting: We paid \$44,000 and 925 cents for the doors in 2009 That was the cost of the product, I was our last word, yes, so i'm sorry show how much was it so that what we're saying now.

301

00:45:50.550 --> 00:46:09.060

Cooper City Virtual Meeting: For the what needs to be done, the estimate is 57,521 that's 102,000 516 that's where your \$9,000 comes up because the total project cost now is not \$117 it's 102,000 \$516.

302

00:46:10.080 --> 00:46:11.670

Cooper City Virtual Meeting: So so where's 117.

303

00:46:12.960 --> 00:46:28.680

Cooper City Virtual Meeting: We like that was the initial that's that's the 117 is that the total project cost, including the additional 29,000 and grant dollars, including the sit all the city shares well that's the that's the total bottom line cost of the project.

304

00:46:30.510 --> 00:46:32.610

Cooper City Virtual Meeting: We just said it's 57 is it.

305

00:46:33.870 --> 00:46:46.440

Cooper City Virtual Meeting: 44 nine that's that's that's counting the work that's already been done so yeah yeah well hold on Joe you with I see one or two 117 was 44 nine that that has been done total.

306

00:46:47.670 --> 00:47:08.640

Cooper City Virtual Meeting: 44 995 has been done correct plus 5787 that adds up to one or 2102 correct so that's the total project cost so 117 is so one oh, we got one or two That means we received approximately \$75,500 in grant money shouldn't have rub it doesn't add up to 117 correctly.

307

00:47:09.720 --> 00:47:24.450

Cooper City Virtual Meeting: And, and we shouldn't be doing this at the Commission meeting, I think we should just send it back and have them come back with numbers, the only thing i'm worried about is the extension I don't want to lose 75% or So what does our deadline on that line that well, the issue is that.

308

00:47:24.480 --> 00:47:31.410

Cooper City Virtual Meeting: If we push this, we need to get started on this project, because the deadline is April of next 22nd of April 20 to.

309

00:47:32.940 --> 00:47:42.840

Cooper City Virtual Meeting: Put the windows in a week in March, this is me sorry expire in April, like that's why i've probably four months ago, but we have we just now got the approval for the extension and that's why.

310

00:47:44.220 --> 00:47:51.960

Cooper City Virtual Meeting: we're asking for the accident, we have a next meeting in two weeks I can't wait two weeks until we deadlines, when the 22nd of what April 20.

311

00:47:52.530 --> 00:48:02.520

Cooper City Virtual Meeting: April of next year April of 2022 that's if we don't get that if we get this extension if we don't get this extension of backup to tallahassee we can lose this extension.

312

00:48:03.600 --> 00:48:06.360

Cooper City Virtual Meeting: of what we can approve the extension by itself, obviously.

313

00:48:09.360 --> 00:48:13.320

Cooper City Virtual Meeting: Can we prove the extension and you just come back with the numbers to make sure.

314

00:48:16.320 --> 00:48:21.330

Cooper City Virtual Meeting: I mean, to me, I put a windows in in a week and i've seen a guy work, you know so i'm not worried about a year.

315

00:48:22.620 --> 00:48:26.520

Cooper City Virtual Meeting: that's The thing that the that.

316

00:48:28.200 --> 00:48:29.280

Cooper City Virtual Meeting: Has has made.

317

00:48:30.720 --> 00:48:38.850

Cooper City Virtual Meeting: The robot hesitant was when we first started and presented that change orders, we did not approve them change orders pretty much stopped.

318

00:48:41.070 --> 00:48:43.410

Cooper City Virtual Meeting: We need to hold me accountable.

319

00:48:44.610 --> 00:48:57.240

Cooper City Virtual Meeting: And this is how will that kind of, say, well, I agree with you on accountability I don't agree with you i'm not doing it, I mean i'm okay with firings I won, but you guys don't fire people, so you know it's.

320

00:48:58.770 --> 00:48:59.100

Cooper City Virtual Meeting: You know.

321

00:49:07.740 --> 00:49:18.780

Cooper City Virtual Meeting: And I will say the the backup is it's a little confusing, to say the least, took me a while i'm okay with numbers, I guess, but it took me a while to really make heads or tails of this so maybe a.

322

00:49:20.310 --> 00:49:23.280

Cooper City Virtual Meeting: Little more concise what's the word.

323

00:49:25.500 --> 00:49:25.830

Cooper City Virtual Meeting: help me.

324

00:49:27.630 --> 00:49:31.980

Cooper City Virtual Meeting: make a little more a little more concise a little easier to read and digest.

325

00:49:33.570 --> 00:49:46.320

Cooper City Virtual Meeting: would be helpful in the future yeah a timeline that we can follow yeah getting changes, and let me ask you about this question um, this is the new price that we got, how do we lock that in.

326

00:49:47.250 --> 00:49:58.590

Cooper City Virtual Meeting: So that that doesn't change because that's my bigger concern which price, I guess, we have to ask our Council when you have contracts with a with clauses that lock in the vendors.

327

00:50:00.600 --> 00:50:05.820

Cooper City Virtual Meeting: let's start in price, the answer is yes, I mean, to the extent that may respond to Mr chair, Commissioner.

328

00:50:06.300 --> 00:50:13.200

Cooper City Virtual Meeting: If your contract has a specific value in dollar value, and you have a time time provision that requires it to be performed within a certain period of time.

329

00:50:13.650 --> 00:50:31.110

Cooper City Virtual Meeting: that's what the contract says it's enforceable legally, can we have those type of contracts, then for culver city, I would hope so, Joe can can you bring a contract back next meeting, so we could lock in the price sign it, and it have two things one the price into the timeline for installation.

330

00:50:33.060 --> 00:50:36.060

Cooper City Virtual Meeting: The price that we got right now for the windows is a clone.

331

00:50:37.320 --> 00:50:48.540

Cooper City Virtual Meeting: But they obviously could give us they're most likely going to hold us hold that code most most likely is not good enough, we want, we wanted guaranteed with with with some kind of.

332

00:50:50.010 --> 00:50:59.700

Cooper City Virtual Meeting: Get again fee on a quote quotes on good a lot of times for 60 days, but can we will okay why can't sign a contract, who do you planning on doing it with this powered windows, the.

333

00:51:00.270 --> 00:51:05.700

Cooper City Virtual Meeting: windows in America, can you guys shot right up whatever you want to do and bring it to the meeting just kind of contract.

334

00:51:06.960 --> 00:51:09.240

Cooper City Virtual Meeting: And will prove the contract and have the exact amount everything.

335

00:51:10.590 --> 00:51:12.960

Cooper City Virtual Meeting: We would have to call them and find out.

336

00:51:15.510 --> 00:51:22.020

Cooper City Virtual Meeting: You know, because otherwise we're going to get into the whole thing about it going up again, it could go up because material costs keep going up.

337

00:51:24.060 --> 00:51:24.510

Cooper City Virtual Meeting: Will.

338

00:51:28.320 --> 00:51:29.430

Cooper City Virtual Meeting: Is that a I mean.

339

00:51:31.290 --> 00:51:42.690

Cooper City Virtual Meeting: I can tell you my house I wouldn't I wouldn't agree to start getting windows done, they can just increase the price I think i'm they want, I mean you know, maybe they say, this is the price, you have to lock in and and pay of money now that's all included in the contract.

340

00:51:43.290 --> 00:51:55.920

Cooper City Virtual Meeting: But you know there's two things important one, Joseph has to be done by April into we don't want change orders, so can can we bring it for two weeks, they put it on and we do it well we'll come back in two weeks, hopefully.

341

00:51:57.030 --> 00:52:11.010

Cooper City Virtual Meeting: Hopefully we can get a quote or a contract in place that is guaranteed and we'll come back in two weeks on this and we can go ahead and tonight and approved the extension, then I went.

342

00:52:12.180 --> 00:52:14.130

With you change your.

343

00:52:19.110 --> 00:52:19.770

Mayor Ross: Point of order.

344

00:52:21.870 --> 00:52:24.390

Cooper City Virtual Meeting: Oh welcome yes go ahead.

345

00:52:24.720 --> 00:52:25.680

Mayor Ross: Get here all.

346

00:52:25.890 --> 00:52:35.730

Mayor Ross: All evening when you do the contract, may I suggest that you also have a completion date which will be before the expiration of the grant.

347

00:52:37.620 --> 00:52:38.580

novel idea.

348

00:52:39.840 --> 00:52:40.080

Mayor Ross: Yes.

349

00:52:42.120 --> 00:52:42.960

Cooper City Virtual Meeting: Yes, we will yes.

350

00:52:43.890 --> 00:52:54.600

Mayor Ross: Thank you, and I just want to take a point of privilege welcome Sam appreciate you standing in or sitting in for Jacob jenna, thank you for sitting in.

351

00:52:55.770 --> 00:53:00.390

Mayor Ross: My Commission, thank you and Max I appreciate you keeping my seat warm.

352

00:53:01.860 --> 00:53:03.840

Cooper City Virtual Meeting: it's an honor Thank you Mr man.

353

00:53:09.570 --> 00:53:11.730

Cooper City Virtual Meeting: Okay, so should we call the vote more.

354

00:53:15.150 --> 00:53:22.170

Cooper City Virtual Meeting: Men, the motion to to provide for an extension and make sure that the contract.

355

00:53:23.790 --> 00:53:32.070

Cooper City Virtual Meeting: let's keep it out what what's that whiskey Daddy I want to make sure that we get the numbers before the extension expires well yeah exactly you never know.

356

00:53:33.210 --> 00:53:41.220

Cooper City Virtual Meeting: Well anyway that's what that's that's the motion i'll second his motion to approve the extension through April 25 of April 2022 correct.

357

00:53:41.730 --> 00:53:42.210

Mayor Ross: All the book.

358

00:53:44.280 --> 00:53:50.790

Cooper City Virtual Meeting: call the vote Commissioner shouter Yes, Commissioner Meltzer Commissioner pulteney yes may Ross.

359

00:53:51.210 --> 00:53:51.720

Yes.

360

00:53:54.990 --> 00:53:55.320

Mayor Ross: Okay.

361

00:53:56.700 --> 00:54:01.500

Cooper City Virtual Meeting: next item motion to approve our county water conservation program interlock agreement.

362

00:54:04.530 --> 00:54:07.650

Cooper City Virtual Meeting: This was also the ones was on the.

363

00:54:08.850 --> 00:54:10.680

Cooper City Virtual Meeting: Consent agenda.

364

00:54:13.890 --> 00:54:15.120

Cooper City Virtual Meeting: Any any motion.

365

00:54:17.940 --> 00:54:18.510

Mayor Ross: So move.

366

00:54:20.490 --> 00:54:30.000

Cooper City Virtual Meeting: That come outside motion by the Ross second yes second first question second by commission's router or you.

367

00:54:31.320 --> 00:54:31.980

Cooper City Virtual Meeting: May Ross.

368

00:54:32.790 --> 00:54:33.690

Mayor Ross: i'm good Thank you.

369

00:54:35.760 --> 00:54:37.110

Cooper City Virtual Meeting: um this.

370

00:54:39.060 --> 00:54:40.440

Cooper City Virtual Meeting: And I really hate doing this.

371

00:54:43.860 --> 00:54:53.160

Cooper City Virtual Meeting: Mr Bailey told me that this satisfies a requirement of our floor permit with the Department of environment South Florida, water management, this off.

372

00:54:53.850 --> 00:55:03.480

Cooper City Virtual Meeting: I wish I want to obviously I wish I could review it because there's no try to look up some stuff on the brevard county water conservation program there's not much online.

373

00:55:04.830 --> 00:55:09.960

Cooper City Virtual Meeting: And i'm taking your word for it, that this is cheaper so essentially.

374

00:55:11.610 --> 00:55:26.400

Cooper City Virtual Meeting: Everything in there, you said about it, how great it was I don't think that it's really a serious campaign I you know I don't think people really know much about it, but if this is a requirement, and this is the cheapest route I would be for it.

375

00:55:27.450 --> 00:55:37.500

Cooper City Virtual Meeting: And so i'm taking your word for it, this is the cheapest route versus doing it ourselves well, well, we did it ourselves back in 2009 and it was much more expensive I provided some numbers.

376

00:55:38.340 --> 00:55:51.660

Cooper City Virtual Meeting: I think you had provided some they did yes What was it was somewhere in the neighborhood because I couldn't remember exactly, but it was between 450 and for 70 over three years 470,000.

377

00:55:52.770 --> 00:56:01.080

Cooper City Virtual Meeting: Then i'm wondering what what's a 400,000 now what back when we did our own conservation program back in 1009 we spent about.

378

00:56:01.830 --> 00:56:17.490

Cooper City Virtual Meeting: 400 and this one is costing about 25,000 a year for the next five years, correct maximum cost so if that's how much we spend four hours, this will be saving certainly much cheaper than when we did it ourselves and, like most of the things you do we.

379

00:56:18.510 --> 00:56:32.580

Cooper City Virtual Meeting: don't know we don't understand it, and we trust you implicitly I hope so far, mostly i've led you you do a great job we got to talk about your truck that you said, we had to have we don't have to have we'll save that that'd be that'd be the next agenda.

380

00:56:33.690 --> 00:56:39.660

Cooper City Virtual Meeting: there's always something so I know this one um I guess anybody else has anything else.

381

00:56:40.680 --> 00:56:45.300

Cooper City Virtual Meeting: i'll call the book Commissioners router Yes, Commissioner, Commissioner puccini yes.

382

00:56:46.260 --> 00:56:46.770

Yes.

383

00:56:51.210 --> 00:56:51.930

Cooper City Virtual Meeting: Okay.

384

00:56:54.720 --> 00:56:55.740

Cooper City Virtual Meeting: next item.

385

00:56:58.230 --> 00:57:02.640

Cooper City Virtual Meeting: For motion to prove water treatment plant roof replacement.

386

00:57:04.050 --> 00:57:04.740

Mayor Ross: So moved.

387

00:57:05.700 --> 00:57:10.680

Cooper City Virtual Meeting: Second motion by mayor Ross seconded by Commissioner mauser.

388

00:57:14.040 --> 00:57:14.670

Cooper City Virtual Meeting: May Ross.

389

00:57:16.830 --> 00:57:17.700

Mayor Ross: i'm good Thank you.

390

00:57:18.930 --> 00:57:21.090

Cooper City Virtual Meeting: Michelle Sir yeah hi Mike.

391

00:57:22.110 --> 00:57:25.170

Cooper City Virtual Meeting: Good evening how everything just a couple of things.

392

00:57:27.360 --> 00:57:30.930

Cooper City Virtual Meeting: You got the old 10% change order in there, and you explain to me why.

393

00:57:31.440 --> 00:57:40.470

Cooper City Virtual Meeting: You thought it was necessary, I guess it's not typical in the roofing industry to look at the trusses and be able to inspect the wood before they take everything off and see what the.

394

00:57:40.950 --> 00:57:49.980

Cooper City Virtual Meeting: damages before they can present you with a with a contract cost well it's it's not actually a wood roof it's a something worth it's a wide it's a concrete okay.

395

00:57:51.240 --> 00:57:59.580

Cooper City Virtual Meeting: So what kind of what is a concrete trusses I don't know anything about it there's steel up there and then there's some sort of concrete i'm not a roof expert, I have to admit.

396

00:58:01.440 --> 00:58:03.150

Cooper City Virtual Meeting: But I mean.

397

00:58:04.350 --> 00:58:15.750

Cooper City Virtual Meeting: I have typically with construction projects or similar projects this isn't necessarily construction, but I like to include a 10% contingency just because of my experience in.

398

00:58:18.060 --> 00:58:29.010

Cooper City Virtual Meeting: Finding things that we didn't know about before, and then it ends up a change orders proposed it could be a very legitimate change order and then.

399

00:58:30.000 --> 00:58:39.840

Cooper City Virtual Meeting: If we have to wait two weeks to come back to get Commission approval, then we end up having to deal with delay clients as well this just because it's here doesn't mean we're going to spend it will try very hard not to.

400

00:58:41.310 --> 00:58:44.760

Cooper City Virtual Meeting: But I just thought it was prudent if you don't want to include it we don't have to.

401

00:58:45.330 --> 00:58:49.260

Cooper City Virtual Meeting: Look at you know how we feel about, but how I feel about change orders anyway and.

402

00:58:49.500 --> 00:58:58.560

Cooper City Virtual Meeting: It look in your line of work in the water work when you're digging below the ground you explain to me why change orders necessary because you'd never know what you're going to find correct and that I.

403

00:58:59.100 --> 00:59:06.270

Cooper City Virtual Meeting: i'm sympathetic to that for sure, but when it comes to with with the roofing and construction like that i'm not.

404

00:59:07.590 --> 00:59:12.930

Cooper City Virtual Meeting: To me you're giving somebody a 10% change or you're giving them a 10% leeway to find something that.

405

00:59:13.680 --> 00:59:18.060

Cooper City Virtual Meeting: Additional needs to be done not not Aaron not trustworthy not that they're not right, you know.

406

00:59:18.840 --> 00:59:28.830

Cooper City Virtual Meeting: Just just doesn't sit right but bear in mind, though, I just want to point out that that's not in the contract there's a drag out of the window they don't know anything about it okay unless they're watching to me.

407

00:59:30.210 --> 00:59:45.840

Cooper City Virtual Meeting: So I know this is just your proposed your approval of an additional 10% and again, you have to trust me if I think we need it, but it's not in the contract Okay, and again I do trust you.

408

00:59:48.690 --> 00:59:57.210

Cooper City Virtual Meeting: That that's that's, the first thing the other thing I had, and this is, this is an accounting issue and I spoke with sandy earlier.

409

00:59:58.230 --> 01:00:00.570

Cooper City Virtual Meeting: an item like this it is.

410

01:00:02.490 --> 01:00:12.930

Cooper City Virtual Meeting: I think it's showing up as a as a repair your budget instead of a instead of a capital improvement, I think, for \$1 amount like that, for a structure, like the the treatment plan.

411

01:00:13.530 --> 01:00:30.090

Cooper City Virtual Meeting: It should be, it should be a capital improvement and that's not you that's up to accounting I just think it's it's a it's an expense that should be capitalized and you know sandy she agreed and I just want to make sure that we're we're accounting for things a correct way moving forward.

412

01:00:31.410 --> 01:00:40.740

Cooper City Virtual Meeting: Yes, make sure that's a instead of a repair richie right academy video it's a tab later on, it right so because we're supposed to very material expenditure right.

413

01:00:41.940 --> 01:00:43.470

Cooper City Virtual Meeting: And that's all I have right now, thank you.

414

01:00:47.820 --> 01:00:48.300

Cooper City Virtual Meeting: man.

415

01:00:49.710 --> 01:00:59.430

Cooper City Virtual Meeting: I just um, and this is really funny and I should have said something to Jacob ahead of time to tell Sam you know.

416

01:01:00.990 --> 01:01:13.890

Cooper City Virtual Meeting: I don't we have a we have a contract in here it's number six I don't have it pulled up, but if you can it's a it's for six I should say, but that basically references the.

417

01:01:15.780 --> 01:01:19.290

Cooper City Virtual Meeting: The piggyback contract and a pricing sheet.

418

01:01:21.690 --> 01:01:26.430

Cooper City Virtual Meeting: I shouldn't say a pricing sheet the vendor some middle or vendors.

419

01:01:27.960 --> 01:01:37.350

Cooper City Virtual Meeting: My My biggest concern is it doesn't seem like the specifications are spelled out in the contract, as for the for the job and.

420

01:01:39.510 --> 01:01:51.360

Cooper City Virtual Meeting: And the price like, if you look at the agreement to Cooper stated contract remember there we referenced the the piggyback contract and the vendor so middle.

421

01:01:51.900 --> 01:02:05.280

Cooper City Virtual Meeting: But I don't know where we're we're we're you know where we locked in there on the price and is that just via the square per square footage thing they submitted and that's how they calculated it or.

422

01:02:07.740 --> 01:02:14.100

Cooper City Virtual Meeting: There was response to share Commissioner i'm very quickly, the agreement that that's in the backup.

423

01:02:15.240 --> 01:02:17.340

Cooper City Virtual Meeting: which is referred to.

424

01:02:19.140 --> 01:02:22.710

Cooper City Virtual Meeting: Between the city and with your last that's the contract referring to okay.

425

01:02:25.380 --> 01:02:39.270

Cooper City Virtual Meeting: It does refer i'm not looking at the exhibits obviously our city manager can take a look and confirm what what is expected of this particular vendor in the context of this assignment, but it does provide for the services to be provided for an exhibit a.

426

01:02:40.500 --> 01:02:45.000

Cooper City Virtual Meeting: Are you suggesting that the services to be performed are not consistent with.

427

01:02:46.350 --> 01:02:50.970

Cooper City Virtual Meeting: The exhibit is not on here I don't see it either so.

428

01:02:52.950 --> 01:03:10.380

Cooper City Virtual Meeting: that's my you know so, but it does make reference, if I can, Commissioner, to the fact that that's that's the services to be provided in a yeah so that's that's my concern, I want to make sure we you know, we have the exhibit a and say you know.

429

01:03:12.330 --> 01:03:25.350

Cooper City Virtual Meeting: Why is it not in here well it's my understanding, when I talked to the purchasing folks that that the other items that are in the backup like the pricing detail in the contract that is considered a right.

430

01:03:26.550 --> 01:03:29.190

Cooper City Virtual Meeting: It just didn't label it as exhibit a.

431

01:03:32.970 --> 01:03:35.430

Cooper City Virtual Meeting: I actually asked that question myself but yeah.

432

01:03:36.810 --> 01:03:38.070

Cooper City Virtual Meeting: My concern is like.

433

01:03:40.200 --> 01:03:41.730

Cooper City Virtual Meeting: Everything we think there's not.

434

01:03:43.710 --> 01:03:44.520

Cooper City Virtual Meeting: You know what I mean.

435

01:03:45.870 --> 01:03:54.120

Cooper City Virtual Meeting: I like we say you know they told us that you know that it's exhibit a but it's really you know, then something happens later down the road and it's like where's the real exhibit a.

436

01:03:54.600 --> 01:04:06.900

Cooper City Virtual Meeting: And then these little links they disappear, all the time that's why I asked for like I, like all my my agenda based stamp, but I sometimes get it based them, sometimes it needs to be a yes yeah so you know i'm just.

437

01:04:07.890 --> 01:04:19.440

Cooper City Virtual Meeting: They gave us a price, I want to make sure our prices in there are exempt you know I want to make sure our contract is watertight not well hopefully literally and figuratively water right right right so roof.

438

01:04:21.060 --> 01:04:24.330

Cooper City Virtual Meeting: Great would it be safe, to the city, the city.

439

01:04:25.440 --> 01:04:33.270

Cooper City Virtual Meeting: Building number three material of detail, should be labeled exhibit a yeah and my question is, would it be sufficient that.

440

01:04:34.920 --> 01:04:46.440

Cooper City Virtual Meeting: Your approval is contingent upon the appropriate items in this backup labeled as exhibit a and included in the you know included when we send it back to the contractor.

441

01:04:48.810 --> 01:05:04.320

Cooper City Virtual Meeting: I mean we can easily label, you know I you know that's going to be the time where bites the same enemy, I mean it, but I don't know if that's enough for a roof, if you look at the proposal from the from the second company.

442

01:05:06.270 --> 01:05:12.660

Cooper City Virtual Meeting: it's a little bit more comprehensive the advanced roofing proposal well because we went at because what happened is what you know.

443

01:05:12.900 --> 01:05:26.310

Cooper City Virtual Meeting: It looks like George went out called Advanced roof, and they came out and gave me a specific proposal for that where's the other one is have a pricing detail correct it the other one is is a piggyback on a Co op contract and then.

444

01:05:27.570 --> 01:05:35.880

Cooper City Virtual Meeting: Whatever we put out specifications so like this, this thing you have, where it says vendors to middle I don't even know if that's just a Cooper city or if that was to the.

445

01:05:36.300 --> 01:05:46.800

Cooper City Virtual Meeting: That was to the cooperative to the correct so it's you know, obviously, our specifications would be different, so I want to make sure our expressive kit not specify our specifications have to master.

446

01:05:47.010 --> 01:05:57.030

Cooper City Virtual Meeting: I didn't mean I didn't mean that, like the square footage of what they're doing right they don't like the building that that the Co operative quoted wasn't a building and was just a square square footage X amount.

447

01:05:57.630 --> 01:06:09.480

Cooper City Virtual Meeting: that's the cooperative wouldn't know to have quoted our our water bill but, but the the sheet that's labeled pricing detail, that is their price propose it has materials Labor.

448

01:06:11.160 --> 01:06:11.850

Cooper City Virtual Meeting: equipment.

449

01:06:14.280 --> 01:06:16.050

Cooper City Virtual Meeting: that's their proposal.

450

01:06:19.260 --> 01:06:21.420

Cooper City Virtual Meeting: That is part of that to be part of the contract.

451

01:06:23.340 --> 01:06:23.490

and

452

01:06:24.510 --> 01:06:26.610

Cooper City Virtual Meeting: May Ross which one is that.

453

01:06:27.690 --> 01:06:37.650

Cooper City Virtual Meeting: there's a sheet in there it's it's it should be one right before the advanced roofing proposal that's labeled pricing details from now last.

454

01:06:41.160 --> 01:06:41.940

Cooper City Virtual Meeting: yeah I mean.

455

01:06:48.360 --> 01:06:52.620

Cooper City Virtual Meeting: I guess your concern about timing is that leaks okay.

456

01:06:53.640 --> 01:06:58.530

Cooper City Virtual Meeting: Can we put it together can we can we put it together and bring it back up and by the end of the meeting.

457

01:06:59.580 --> 01:07:02.940

Cooper City Virtual Meeting: Can, what can the purchasing person put make us the exhibit a.

458

01:07:04.080 --> 01:07:16.470

Cooper City Virtual Meeting: I mean what also an exhibit at the pricing detail what are we, what are we putting in a honestly I would have to get with the purchasing folks to help with that would it be sufficient to again make it contingent and you'll see it.

459

01:07:17.430 --> 01:07:21.960

Cooper City Virtual Meeting: As a you know you'll get the exhibit the whole document, including the exhibit.

460

01:07:24.360 --> 01:07:36.420

Cooper City Virtual Meeting: And if not, then your approval is void, because you made a contingent upon having that exhibit a complete complete yeah no one yeah if Sam.

461

01:07:37.590 --> 01:07:47.760

Cooper City Virtual Meeting: Yes, if your emotions i'm a Mr Fisher Fisher the if the motion is to approve this proposal with the pricing sheet that's attached to the backup.

462

01:07:48.420 --> 01:07:53.370

Cooper City Virtual Meeting: As a condition to approval, but in fact it's consistent with the procurement departments, the purchasing departments.

463

01:07:53.820 --> 01:08:04.620

Cooper City Virtual Meeting: proposal and that the effectiveness of the contract, but is conditioned upon making sure that the exhibits are attached, in that the calculations are exactly what what you're buying what you're paying for.

464

01:08:05.040 --> 01:08:11.760

Cooper City Virtual Meeting: As long as the attachment is the exhibit correct would also be useful if I may offer Mr chair that that you.

465

01:08:12.030 --> 01:08:15.060

Cooper City Virtual Meeting: indicate the price on the record, so that there's no doubt that that's the.

466

01:08:15.060 --> 01:08:20.700

Cooper City Virtual Meeting: Price you're anticipating Moving on, because there are several prices in the backup one one is not yeah.

467

01:08:22.410 --> 01:08:23.370

Cooper City Virtual Meeting: I mean the monkey brain.

468

01:08:25.200 --> 01:08:25.920

Cooper City Virtual Meeting: May your roster.

469

01:08:26.010 --> 01:08:26.850

Mayor Ross: moment yes.

470

01:08:27.720 --> 01:08:28.200

Cooper City Virtual Meeting: Would you.

471

01:08:28.350 --> 01:08:30.360

Cooper City Virtual Meeting: enter an amendment that would.

472

01:08:31.350 --> 01:08:42.480

Cooper City Virtual Meeting: approve this subject to the pricing and the cooperative agreement being attached as exhibit a and the contract, being an amount of.

473

01:08:43.680 --> 01:08:44.580

Cooper City Virtual Meeting: On one second.

474

01:08:45.660 --> 01:08:53.910

Cooper City Virtual Meeting: \$136,525 and 63 cents and that's the kind.

475

01:08:56.610 --> 01:09:00.030

Mayor Ross: I did last time, I said that I got in trouble so let's do it right.

476

01:09:04.320 --> 01:09:19.950

Cooper City Virtual Meeting: yeah and i'll second that so the motion actually includes the specificity of the price 136 525 63 okay so Amended motion seconded by Commissioners router when the motion by mayor Ross seconded by Commissioner prouder.

477

01:09:21.810 --> 01:09:23.100

Cooper City Virtual Meeting: To be clear about.

478

01:09:23.610 --> 01:09:28.920

Cooper City Virtual Meeting: On the 10th contingency are now you just need to know i'm Okay, with a contingency.

479

01:09:30.540 --> 01:09:32.100

Cooper City Virtual Meeting: In there doesn't matter to me.

480

01:09:33.990 --> 01:09:36.900

Cooper City Virtual Meeting: So, I guess, so, if I may ask is that included in.

481

01:09:37.170 --> 01:09:37.950

Cooper City Virtual Meeting: The mayor's motion.

482

01:09:38.070 --> 01:09:40.050

Cooper City Virtual Meeting: Was that money that you just gave included.

483

01:09:40.050 --> 01:09:40.260

Mayor Ross: In.

484

01:09:40.800 --> 01:09:42.300

Cooper City Virtual Meeting: The 130 whatever that's.

485

01:09:42.330 --> 01:09:46.590

Cooper City Virtual Meeting: that's the contract price it doesn't include the contingency that i'm recommending.

486

01:09:48.840 --> 01:09:51.750

Mayor Ross: i'm, including the contingency that Mike is recommending.

487

01:09:56.040 --> 01:10:06.600

Cooper City Virtual Meeting: So the motion includes a 10% contingency based upon the state of price of 136 525 63 plus 10% 10% is not a contract with it correct that is not.

488

01:10:07.170 --> 01:10:09.690

Cooper City Virtual Meeting: The contingency in there, I know from from.

489

01:10:10.020 --> 01:10:19.590

Cooper City Virtual Meeting: From experience or roofing they once a ritual before they may I don't think they're going to have that problem users concrete, but what about you, Michael.

490

01:10:20.760 --> 01:10:25.920

Cooper City Virtual Meeting: I hope I hope they don't find anything either alright, I hope, jenna was able to get all that down.

501

01:11:43.920 --> 01:11:52.080

Cooper City Virtual Meeting: I see it's budgeted for, on page 262 the budget departmental capital equipment \$110,000 and distinguish bit out.

502

01:11:53.910 --> 01:11:58.770

Cooper City Virtual Meeting: This item well it's off the sheriff's contract to share and that's.

503

01:12:00.330 --> 01:12:01.020

Cooper City Virtual Meeting: I mean you're.

504

01:12:02.130 --> 01:12:02.850

Cooper City Virtual Meeting: you're the.

505

01:12:04.530 --> 01:12:10.260

Cooper City Virtual Meeting: expert on this, I mean that's the best price that we're able to I think it's a very good price yet okay.

506

01:12:10.950 --> 01:12:22.320

Cooper City Virtual Meeting: And I see you're coming in looks like significantly under budget which I like Now let me, let me point out, and I just discovered this little while ago, since we're talking about numbers and confusion.

507

01:12:23.490 --> 01:12:41.610

Cooper City Virtual Meeting: This item is requesting or recommending the purchase at \$53,027 it's actually it's my mistake it's \$53,036 so I was off by \$9 I apologize for that you can you share that in there, like the emotion.

508

01:12:41.790 --> 01:12:42.240

Mayor Ross: I would.

509

01:12:43.290 --> 01:12:44.010

Mayor Ross: drop second.

510

01:12:44.640 --> 01:12:49.140

Cooper City Virtual Meeting: A Ponzi scheme and did you add it back, and then they nail you for the Lord, including a new pair of.

511

01:12:49.140 --> 01:12:49.650

512

01:12:52.590 --> 01:12:54.540

Cooper City Virtual Meeting: that's all I have thanks, thank you.

513

Cooper City Virtual Meeting: i'm like i've said, imagine you're going to get a wheel lock for this.

515

01:13:02.130 --> 01:13:02.550

Mayor Ross: thing.

516

01:13:02.940 --> 01:13:05.250

Cooper City Virtual Meeting: it's not gonna be that's what the extra \$9 it's fun okay.

517

01:13:10.320 --> 01:13:22.800

Cooper City Virtual Meeting: I think I just have one comment I got an education by Mr Bailey on 480 volts and at one point, we may want to budget for 480 volts transformers.

518

01:13:23.760 --> 01:13:34.260

Cooper City Virtual Meeting: you're correct, yes, so I think we may need that and get to that sometime before the next three and a half years and change the system we have in the water plant from one to two warmer to several transformers so.

519

01:13:34.710 --> 01:13:40.890

Cooper City Virtual Meeting: that's something we may want to look into I you're absolutely right, sooner rather than later, so.

520

01:13:41.550 --> 01:13:42.420

Mayor Ross: A rp money.

521

01:13:42.840 --> 01:13:44.670

Cooper City Virtual Meeting: That in mind and correct.

522

01:13:44.880 --> 01:13:45.600

Cooper City Virtual Meeting: If we can.

523

01:13:46.080 --> 01:13:51.570

Cooper City Virtual Meeting: That, be a good use of the money that would be great so okay so that's.

524

01:13:52.710 --> 01:13:53.490

543

01:15:22.950 --> 01:15:32.940

Mayor Ross: I appreciate that I put it on so that we can clarify once and for all who's responsible for the sidewalks i'm not entertaining.

544

01:15:33.360 --> 01:15:42.150

Mayor Ross: Any kind of emotion, to change the ordinance I believe that we are asking the commercial properties to go ahead and clean up.

545

01:15:42.600 --> 01:15:54.360

Mayor Ross: The different shopping centers we're asking the business owners who are not in shopping centres to do the same and we're asking residents to do that which they have been doing all along.

546

01:15:54.780 --> 01:16:04.800

Mayor Ross: And that is please clean the sidewalks in front of your home helps us help yourself to beautify Cooper city plain and simple, thank you very much.

Cooper City Virtual Meeting: I have a question.

549

01:16:11.220 --> 01:16:22.830

Cooper City Virtual Meeting: Okay i'm going to give Mr Gordon and a chance to pull this one up while i'm looking for, I thought, our ordinance was requiring the city to do certain stuff.

550

01:16:27.240 --> 01:16:28.140

Cooper City Virtual Meeting: And I.

551

01:16:29.790 --> 01:16:40.380

Cooper City Virtual Meeting: Looking at a say, Mr chair 25 dash 100 correct yes okay 25 one of two let's look at 25 one or two if you have it there.

552

01:16:41.520 --> 01:16:41.940

Cooper City Virtual Meeting: Will.

553

01:16:52.830 --> 01:17:03.450

Cooper City Virtual Meeting: didn't we say that wasn't our coach this isn't for you, Mr norm, because you wouldn't remember this okay yeah i'm looking at be 25 wanted to be and it says.

554

01:17:05.490 --> 01:17:06.450

Cooper City Virtual Meeting: The city.

555

01:17:07.590 --> 01:17:11.670

Cooper City Virtual Meeting: city responsibility under be Shelby seven to the following limitations.

556

01:17:12.840 --> 01:17:14.640

Cooper City Virtual Meeting: And so, my understanding was.

557

01:17:15.930 --> 01:17:25.530

Cooper City Virtual Meeting: So you'll look to those limitations see show cause any sidewalk prepare for it's a city responsible to be done by forced into C sharp responsible static before hundred taking some.

558

01:17:26.400 --> 01:17:37.500

Cooper City Virtual Meeting: city may require OK, so my understanding up previously our code require the abutting landowner to repair the sidewalk if it's correct or anything like that.

559

01:17:37.980 --> 01:17:43.320

Cooper City Virtual Meeting: And some Commission change that putting an obligation onto the city.

560

01:17:44.280 --> 01:17:54.690

Cooper City Virtual Meeting: I want to look about I want to discuss returning it back to the budding landowner like most municipalities are and then, if the city has the money budgeted they can make repairs, but.

561

01:17:55.200 --> 01:18:07.050

Cooper City Virtual Meeting: I think that they kind of money this up and mayor, I don't know if you know more, the history of it but i'd like to take away the obligations on the.

562

01:18:07.590 --> 01:18:09.780

Cooper City Virtual Meeting: On the city, because what ends up happening is.

563

01:18:09.810 --> 01:18:15.300

Cooper City Virtual Meeting: Where we had contractors going to do work on houses and if they broke it we didn't know they broke it.

564

01:18:15.690 --> 01:18:21.630

Cooper City Virtual Meeting: And then we implemented that whole process where public works was going out ahead of time to inspect it to see if their contract broken.

565

01:18:22.050 --> 01:18:36.660

Cooper City Virtual Meeting: I think it just needs the obligation is beyond the abutting landowner and you know if throughout you know time the manager and his team decide they have money and they presented to us make repair, but not an ordinance obligated repair.

566

01:18:38.250 --> 01:18:39.390

Cooper City Virtual Meeting: So I guess.

567

01:18:40.710 --> 01:18:40.920

that's.

568

01:18:43.410 --> 01:18:49.260

Cooper City Virtual Meeting: Correct, and so this, this was a change by the prior Commission that was not a well thought out change.

569

01:18:49.770 --> 01:19:03.750

Cooper City Virtual Meeting: Because I think it muddies the water of who did what we obviously don't have like a camera on everything you know you're gonna make a determination, so I would like to discuss returning it back to work, Tim you know the history on that so.

570

01:19:05.220 --> 01:19:12.690

Cooper City Virtual Meeting: The history of it is the residents, where we cut the way the code was before the residents were responsible for maintaining.

571

01:19:13.260 --> 01:19:21.150

Cooper City Virtual Meeting: And fixing the sidewalk in the driveway area, because we are allowing the residents to drive over the sidewalk to get into their property.

572

01:19:21.990 --> 01:19:33.000

Cooper City Virtual Meeting: So when we were doing sidewalk repairs, we would stop at the edge of the at the edge of the driveways and fix everything else, and the residents are responsible for fixing what's ever whatever was broke in the driveway apron.

573

01:19:33.480 --> 01:19:37.680

Cooper City Virtual Meeting: And then, a Commission change it, where they said it's our side, well then, we need to fix it.

574

01:19:38.730 --> 01:19:50.280

Cooper City Virtual Meeting: And that was like 2016 program like, if you look at number three on the unsexy can be Mr Gordon I guess talking about a release and all that that's absurd, you know.

575

01:19:50.760 --> 01:19:59.820

Cooper City Virtual Meeting: Like that we're going to get a release like if we if we're if it's a public sidewalk and we decide to undertake the repair, I think we should just unfit to repair we don't need we don't need permission from anyone to do that.

576

01:20:00.900 --> 01:20:07.260

Cooper City Virtual Meeting: And what ends up happening is we end up getting this paper trail chasing of the residents release.

577

01:20:08.700 --> 01:20:17.940

Cooper City Virtual Meeting: is, are we have a hold harmless release right now now if we do work in in the person's driveway we have the resident.

578

01:20:18.390 --> 01:20:25.020

Cooper City Virtual Meeting: sign a release saying that they're allowing us to do the work there's two there's three options, one of them is that the city do it.

579

01:20:25.470 --> 01:20:29.910

Cooper City Virtual Meeting: And if the contractor damages the driveway the obviously the contractor is going to fix it.

580

01:20:30.270 --> 01:20:37.980

Cooper City Virtual Meeting: But it's aesthetically not going to look the same if that's a stamp concrete we're not going to extend aesthetically get the driveway to match completely.

581

01:20:38.580 --> 01:20:45.900

Cooper City Virtual Meeting: or option two is the residents can pay to do the sidewalk repair themselves in a city would cut.

582

01:20:46.470 --> 01:21:00.360

Cooper City Virtual Meeting: Whatever it costs the city to repair that sidewalk, then we would cut the check to the resident, but this this postpone the work it does it's it's it's it's a hassle and because it has it in so if we just do it.

583

01:21:01.620 --> 01:21:11.460

Cooper City Virtual Meeting: And if we damage it we fix it and we do the same same procedure, a right, as if we had it because we were being responsible regardless if our contract without.

584

01:21:13.380 --> 01:21:22.770

Cooper City Virtual Meeting: Looking at this driveway thing it's like any sidewalks which are separately laid out construction as a sidewalk and situated between the pain as asked our city attorney.

585

01:21:23.160 --> 01:21:31.590

Cooper City Virtual Meeting: couple of observations of again, Commissioners, I mean obviously this is your Code and the intentions were as they were drafted back in 2015 and then they may overtime change.

586

01:21:31.920 --> 01:21:39.630

Cooper City Virtual Meeting: The way to attract it now releases are not uncommon in the in the in the in the context of government experience, where you want to make sure that the government is not otherwise.

587

01:21:39.930 --> 01:21:46.350

Cooper City Virtual Meeting: imposed upon by a property owner when it benefits being provided if you're fixing someone sidewalk and you may damage someone's.

588

01:21:47.280 --> 01:21:54.870

Cooper City Virtual Meeting: driveway as such as described by the Speaker, having a release is not is not inappropriate approach if the condition wants to visit policy.

589

01:21:55.200 --> 01:22:05.610

Cooper City Virtual Meeting: matter approached the matter differently going forward which Commission astronomy may be choosing to do it requires a code change my my concern is is under be.

590

01:22:06.870 --> 01:22:25.860

Cooper City Virtual Meeting: If you look at the second sentence in be 25 one or two, be it says any sidewalks any sidewalks which are separately laid out construct the sidewalk situated between the paved driveway in the driveway apron areas shabby the city's responsibility so that was the change and I don't think.

591

01:22:27.300 --> 01:22:33.780

Cooper City Virtual Meeting: i'm not for that you know I don't I don't I would not like to make that the city responsibility i'd like to make that the abutting landowners.

592

01:22:34.890 --> 01:22:45.030

Cooper City Virtual Meeting: Responsibility and then that means we get to get rid of all these subject to things, and if the manager wants to do it, he may tell that person i'm not going to do, unless you sign a release but.

593

01:22:46.350 --> 01:23:03.840

Cooper City Virtual Meeting: I think this was really bad idea to switch it over and make the obligation, the cities, because everyone knows you know we're not we're not as efficient or all these things you know we have to we got to follow along pay overtime bedded.

594

01:23:05.130 --> 01:23:10.980

Cooper City Virtual Meeting: Change orders, you know I mean I can, I think we understood the residence understand if we don't get our money from them.

595

01:23:11.370 --> 01:23:19.620

Cooper City Virtual Meeting: And it's cheaper for them to maintain their own this prevents not only that paperwork, but also prevents public works having to go out and inspect it before roof.

596

01:23:20.250 --> 01:23:27.570

Cooper City Virtual Meeting: being done, and all that stuff so basically if we come up on a broken sidewalk we don't care how it broke your budding landowner you're going to fix it.

597

01:23:27.930 --> 01:23:36.060

Cooper City Virtual Meeting: Right now, if you pull a permit for a roof we send out another department to go look and see if the sidewalks Okay, and then we come back afterward.

598

01:23:36.540 --> 01:23:44.970

Cooper City Virtual Meeting: Before we close out the permit to see if the sidewalks has been damaged and imagine if it hadn't we're gonna have an argument over who did it was your contractor all these things.

599

01:23:45.270 --> 01:23:59.280

Cooper City Virtual Meeting: And that all goes away and it saves them a lot of times, the reason why I would not agree with this is because, as a resident if the sidewalk is broken, I would not know the call we do that, I would rather call the city and the city of Paris.

600

01:24:00.660 --> 01:24:12.210

Cooper City Virtual Meeting: and have to find the sidewalk repair company I just don't know yeah i'd rather have the city cut my grass and paint my house, too, but what but what about the sidewalk trees for the tree roots pardon me.

601

01:24:14.190 --> 01:24:19.800

Cooper City Virtual Meeting: The tree route that's there wouldn't be because it's very rude from a city on swale what a city oh Newry doing.

602

01:24:21.480 --> 01:24:21.960

Cooper City Virtual Meeting: A shoulder.

603

01:24:23.580 --> 01:24:32.400

Cooper City Virtual Meeting: to shoulder, but you do have damaged from trees and the aprons as well done and the the sidewalk between the apron in the driveway Well done, the city owns the sidewalk they don't own your House.

604

01:24:33.630 --> 01:24:38.610

Cooper City Virtual Meeting: So the city has does have some responsibility sidewalk you don't have responsibility.

605

01:24:40.590 --> 01:24:44.040

Cooper City Virtual Meeting: Because no one would you what would your preference be.

606

01:24:46.680 --> 01:24:54.510

Cooper City Virtual Meeting: I agree that it's a little confusing, now that the city is responsible for fixing and the residents responsible for cleaning.

607

01:24:55.980 --> 01:24:56.340

Cooper City Virtual Meeting: That saying.

608

01:24:57.510 --> 01:24:57.870

Cooper City Virtual Meeting: That.

609

01:24:59.040 --> 01:25:14.220

Cooper City Virtual Meeting: i'm Okay, if we have it in our budget going out and paying to do it like we do the trees, but I would like the obligation not to be on the city because what's going to happen is now you're gonna get an argument of who did what it's a matter of functionality.

610

01:25:15.360 --> 01:25:19.230

Cooper City Virtual Meeting: So you know that's that's what I just think you get into an argument over.

611

01:25:21.600 --> 01:25:30.330

Cooper City Virtual Meeting: You know, I think it needs to be quantified one way or the other, you can't have it, you can have the city not be responsible for it, and then all of a sudden, we got a few bucks let's fix them sidewalk sidewalks you going to fix.

612

01:25:30.690 --> 01:25:34.710

Cooper City Virtual Meeting: The train, I understand, but I but that's not that's not that's not.

613

01:25:36.540 --> 01:25:37.080

Cooper City Virtual Meeting: it's not.

614

01:25:38.460 --> 01:25:39.630

Cooper City Virtual Meeting: A clear way of doing things it's.

615

01:25:39.630 --> 01:25:39.870

Cooper City Virtual Meeting: Not.

616

01:25:40.020 --> 01:25:49.830

Cooper City Virtual Meeting: To me it's not the right way of doing things in with the sidewalks are going to have the same issue, you know why they fix his sidewalk for the city fix that sidewalk ahead and come fix my sidewalk and then what point do you decide.

617

01:25:50.940 --> 01:25:52.800

Mayor Ross: How much of that to be lifted up yeah.

618

01:25:53.340 --> 01:26:03.090

Cooper City Virtual Meeting: that's what has to be decided now it just puts the responsibility, Anna so that you know it's kind of a red herring but it's I right, I mean i'm for less government you guys are moving to talk about this it's fine, we can talk about it.

619

01:26:03.480 --> 01:26:12.600

Cooper City Virtual Meeting: But I think we need to have all five of us here and why, because I was put on tonight this way when we don't have to act on it right, the second let's talk about.

620

01:26:12.810 --> 01:26:14.190

Mayor Ross: What it on I could take it off.

621

01:26:14.760 --> 01:26:43.980

Cooper City Virtual Meeting: Now, just to change it, we have to have three more meaning so it's like no, I agree with you let's talk about let's put this 24 January 2023.

622

01:26:51.210 --> 01:26:53.070

Cooper City Virtual Meeting: Max we're Moving on now oh.

623

01:26:53.760 --> 01:26:54.750

Cooper City Virtual Meeting: wait for me yeah.

624

01:26:55.860 --> 01:26:56.490

Cooper City Virtual Meeting: You had a.

625

01:26:57.720 --> 01:26:59.310

Cooper City Virtual Meeting: Discussion you guys said no.

626

01:26:59.730 --> 01:27:01.710

Cooper City Virtual Meeting: Come on, come on them.

627

01:27:03.030 --> 01:27:03.480

Cooper City Virtual Meeting: Next.

628

01:27:03.750 --> 01:27:07.980

Cooper City Virtual Meeting: Item item a discussion on possible action on sufficient backup for agenda items.

629

01:27:08.340 --> 01:27:17.550

Cooper City Virtual Meeting: This was the backup is self explanatory basically when we put an item on the agenda, I would like.

630

01:27:19.320 --> 01:27:32.850

Cooper City Virtual Meeting: The Commissioner, the mayor that puts the item on the agenda to work with staff and to put sufficient backup so that residents understand where we're going with the agenda item.

631

01:27:35.910 --> 01:27:39.480

Cooper City Virtual Meeting: This is just an example of questions that.

632

01:27:39.600 --> 01:27:41.670

Cooper City Virtual Meeting: staff can ask other Commissioners.

633

01:27:42.810 --> 01:27:54.000

Cooper City Virtual Meeting: Basically, a phone call would solve the matter and talk with a Commissioner and get going to answers on what we're trying to achieve with agenda items so that residents can.

634

01:27:55.440 --> 01:27:56.130

Cooper City Virtual Meeting: know where we're going.

635

01:27:57.660 --> 01:28:00.660

Cooper City Virtual Meeting: To stem from the some agenda items, there were an.

636

01:28:00.660 --> 01:28:05.100

Cooper City Virtual Meeting: Agenda few meetings ago and I spoke with residents are concerned, I didn't know where.

637

01:28:06.510 --> 01:28:07.110

Cooper City Virtual Meeting: Where the.

638

01:28:08.460 --> 01:28:20.220

Cooper City Virtual Meeting: Where the agenda item was going there was a generic I think it's time that we should be a little bit more specific to give residents idea of what we're going to discuss.

639

01:28:21.600 --> 01:28:26.160

Mayor Ross: And, and obviously each can discuss as we as specific as you want.

640

01:28:26.190 --> 01:28:34.830

Cooper City Virtual Meeting: Mr Gordon do we need a emotion for this or Can you give us a couple of observations I can emotion might be helpful, just to clarify what the actual.

641

01:28:35.280 --> 01:28:42.570

Cooper City Virtual Meeting: objectives are in the context of what you were expecting as a matter of policy it's not an ordinance it's not a resolution it's just simply your can your.

642

01:28:43.680 --> 01:28:52.260

Cooper City Virtual Meeting: Your agreement among yourselves actually by emotion to in fact supplement or make sure that the agenda is clear condensing and has enough documents that is not.

643

01:28:54.630 --> 01:29:03.810

Cooper City Virtual Meeting: motion with us, or with staff to a to a attempt to improve on the on the backup i'll second, that would be more transparent.

644

01:29:04.050 --> 01:29:09.540

Mayor Ross: No, no, no, no, if you're making that motion, then the the gavel goes to our oh.

645

01:29:10.110 --> 01:29:10.650

Cooper City Virtual Meeting: It does.

646

01:29:15.480 --> 01:29:17.670

Cooper City Virtual Meeting: So that's my emotion emotion, to have a second.

647

01:29:20.490 --> 01:29:21.390

Cooper City Virtual Meeting: Any discussion.

648

01:29:23.280 --> 01:29:30.420

Cooper City Virtual Meeting: Commissioner shatter sure porcine actually you made emotion commissionable jeannie anything else there Ross.

649

01:29:32.130 --> 01:29:32.940

Cooper City Virtual Meeting: I have there's two budget transfers that are that are on the agenda.

674

01:31:42.690 --> 01:31:53.640

Cooper City Virtual Meeting: One is for \$12,000 my on one is one is for \$12,000 for the emergency purchase of two G it I voltage transformers.

675

01:31:54.480 --> 01:32:05.250

Cooper City Virtual Meeting: And another one is for \$33,000 these are both in the utilities department to fund the purchase of a variable speed electrical tried to operate the new treated sewer effluent pump.

676

01:32:09.120 --> 01:32:12.300

Cooper City Virtual Meeting: couple a couple more items that I have.

677

01:32:13.380 --> 01:32:22.590

Cooper City Virtual Meeting: There is a tropical storm it's been well it's oppression and it's been it's a name storm right now Fred if we are going to get impacted it will be over the weekend.

678

01:32:23.160 --> 01:32:37.140

Cooper City Virtual Meeting: And we still are in the cone of concern and we're monitoring it carefully and leaning forward and will be prepared be leaning more forward throughout the week and prepared over the weekend, if necessary, to have staff on hand.

679

01:32:38.640 --> 01:32:48.480

Cooper City Virtual Meeting: um regarding the police transition, we do have the announcement out for the public safety advisor i've been speaking to the former Commissioner.

680

01:32:48.990 --> 01:33:00.060

Cooper City Virtual Meeting: police chief here at Warner, who is also started a police department in St Louis county and he's going to come down for some consultations sometime this month.

681

01:33:00.690 --> 01:33:10.890

Cooper City Virtual Meeting: spoken to the pembroke park individual who is their public safety advisor as they transition and he's providing some good insights and information as well.

682

01:33:13.110 --> 01:33:14.010

Cooper City Virtual Meeting: I would like to bring up.

683

01:33:15.180 --> 01:33:19.620

Cooper City Virtual Meeting: next meeting, the 24th currently have a.

684

01:33:21.180 --> 01:33:34.980

Cooper City Virtual Meeting: Budget workshop scheduled from 530 to 630 I know that's not enough time right now we have a very light schedule for the August 24 meeting, we do have one item on there that we need to get approved it's a grant.

685

01:33:36.060 --> 01:33:39.540

Cooper City Virtual Meeting: form utilities, then of course will bring back this.

686

01:33:41.370 --> 01:33:44.040

Cooper City Virtual Meeting: Public Works item on the on the fire.

687

01:33:45.510 --> 01:33:51.180

Cooper City Virtual Meeting: windows and doors, but other than that we really don't have anything else would I would recommend is we.

688

01:33:52.230 --> 01:34:08.520

Cooper City Virtual Meeting: Have the Commission meeting on the 24th just for those two items and the rest would be for discussion of the budget to would essentially service a workshop as well, and if you haven't created that that's that's what we'll do for the next i'm sorry, can you please repeat that.

689

01:34:09.690 --> 01:34:11.430

Cooper City Virtual Meeting: repeat everything I did.

690

01:34:14.520 --> 01:34:30.180

Cooper City Virtual Meeting: So i'm talking about the next Commission meeting August 24 and we also have a budget workshop scheduled that day from 530 to 630 that, of course, is not enough time to go through the budget we have a very light schedule for the next.

691

01:34:32.130 --> 01:34:41.700

Cooper City Virtual Meeting: Commission meeting, we have one item from the utilities it's a grant that we need to get approved, or at least need you to consider and then of course we'll bring back the public works.

692

01:34:42.300 --> 01:34:51.090

Cooper City Virtual Meeting: Item from today, but other than those two items we don't have anything else for the agenda, so what I would recommend is that we.

693

01:34:52.020 --> 01:34:58.530

Cooper City Virtual Meeting: put those two items on the agenda, but the rest, we would put a discussion on the budget, which would essentially service a workshop.

694

01:34:59.370 --> 01:35:12.960

Cooper City Virtual Meeting: Okay, for the next Commission meeting if all agree that that's how we'll move forward, instead of having the budget workshop from 530 to 630 will put a discussion item on the budget wise will basically be herded into a budget workshop exactly okay.

695

01:35:13.230 --> 01:35:13.590

Great.

696

01:35:15.840 --> 01:35:16.260

Mayor Ross: works.

697

01:35:21.570 --> 01:35:21.840

Cooper City Virtual Meeting: and

698

01:35:23.640 --> 01:35:24.960

Cooper City Virtual Meeting: Commissioner that's it that's all I have.

699

01:35:26.280 --> 01:35:26.490

Right.

700

01:35:28.290 --> 01:35:41.370

Cooper City Virtual Meeting: Thank you, police chief report, I wanted to note something on the budget transfers oh sorry want to let this because it came up during manager report we're transferring money away from a vehicle.

701

01:35:42.450 --> 01:35:46.740

Cooper City Virtual Meeting: utility vehicle that I asked that we delay the purchase of and.

702

01:35:48.210 --> 01:35:57.960

Cooper City Virtual Meeting: Jeff green Greg Ross and was it either powered monster or magical jr 20 you agreed with it, and I said oh you that we needed the vehicle.

703

01:35:59.220 --> 01:36:03.960

Cooper City Virtual Meeting: Number we had a discussion over Okay, you know what then Mike Mike.

704

01:36:05.010 --> 01:36:06.000

Cooper City Virtual Meeting: Mike would you join us.

705

01:36:09.420 --> 01:36:18.930

Cooper City Virtual Meeting: So we're transferring money away from a vehicle that I said hey we should delay buying it and Mike said, we can either play yeah remember conversation I can't they can't you.

706

01:36:20.670 --> 01:36:33.750

Cooper City Virtual Meeting: buy one now and 110 years from now, five years from now going about you know, since we're aging it different so I brought this up to Mike he told me the priorities change but it's what I want you guys know, I was right and it could have been done.

707

01:36:35.130 --> 01:36:40.680

Cooper City Virtual Meeting: No, no, this is matters because when you don't push out these things when we spend money, money, money, money we have to.

708

01:36:41.220 --> 01:36:49.080

Cooper City Virtual Meeting: Understand we make decisions that that that look what happens in the end, so you know Mike could have waited another year or two.

709

01:36:49.890 --> 01:37:01.440

Cooper City Virtual Meeting: I know he likes to make sure his departments in tip top shape, which I respect, but you know you guys made the wrong call what know Mike What happened was a truck now he's going to make it work.

710

01:37:02.580 --> 01:37:10.890

Cooper City Virtual Meeting: And the truck is no better shape than it was when we budgeted an item to replace it it's in bad shape it needs to be replaced.

711

01:37:11.670 --> 01:37:30.330

Cooper City Virtual Meeting: However, sand, but when you came and asked for the money and we gave you the money we gave it to you because it was essential wouldn't wait right, and I can wait well I would I would couch it it say that this other item became more essential.

712

01:37:32.520 --> 01:37:43.530

Cooper City Virtual Meeting: But the lesson we learn here is, if we can all tighten their belts, a little bit and he did that here and I appreciate that and i'm just saying this just because i'm in anticipation of the next meeting, where we go line by line.

713

01:37:43.860 --> 01:37:51.540

Cooper City Virtual Meeting: And everyone every director, which I expect this I need this I news news I just want the Commission, and remember this moment where Mike was able to step to the plate.

714

01:37:52.410 --> 01:38:00.180

Cooper City Virtual Meeting: and tighten the belt on this and i'm sure he'll do it in two weeks when we asked some things more urgent than others yeah so we appreciate that.

715

01:38:00.990 --> 01:38:11.880

Cooper City Virtual Meeting: And then again it's it's nothing I need it's what I think you know I know I know we don't pipe the water from here to your House I got water my house.

716

01:38:13.980 --> 01:38:14.700

Thank you.

717

01:38:23.010 --> 01:38:24.810

Cooper City Virtual Meeting: I kept a nice Thank you.

718

01:38:25.470 --> 01:38:26.040

Mayor Ross: Thank you.

719

01:38:26.100 --> 01:38:27.000

Cooper City Virtual Meeting: Before we start.

720

01:38:27.630 --> 01:38:29.880

Cooper City Virtual Meeting: Thank you for everything you do thank you work hard work.

721

01:38:31.080 --> 01:38:48.990

Cooper City Virtual Meeting: My pleasure, Mr Paulson any Commission city manager city staff and residents that are with us it's a pleasure being with you this evening, I wanted to provide a few reminders important safety tips and updates for the city first reminder school.

722

01:38:50.130 --> 01:38:56.430

Cooper City Virtual Meeting: Next week reality is going to hit us schools back in session on Wednesday August 18.

723

01:38:57.360 --> 01:39:04.800

Cooper City Virtual Meeting: This is a very exciting thing i'm sure for a lot of families and children who are looking forward to returning to in person.

724

01:39:05.610 --> 01:39:16.920

Cooper City Virtual Meeting: Learning and we wish our Cooper city kids a very safe and productive education, the school year, but we want to remind our residents that with the schools opening back up.

725

01:39:17.580 --> 01:39:28.650

Cooper City Virtual Meeting: The traffic congestion, will likely return, and this is a Community effort that we will need to work collectively with one another, so I just want to remind the residents.

726

01:39:29.100 --> 01:39:38.640

Cooper City Virtual Meeting: That the school zones will be reactivated next week August 18 when school returns, the full session, so please be mindful of the school zones.

727

01:39:39.030 --> 01:39:43.860

Cooper City Virtual Meeting: For the safety of our children and be mindful for the school zones, also the school times.

728

01:39:44.820 --> 01:39:53.430

Cooper City Virtual Meeting: every school has its own drop off and pick up time it's very important for the residents in the parents to arrive on time and not early.

729

01:39:53.820 --> 01:40:07.560

Cooper City Virtual Meeting: Many times arriving early is what causes the unnecessary congestion and if we will arrive on time, a lot of that will filter through more naturally and keep our roadways less congested and clear for everybody else to commute.

730

01:40:08.730 --> 01:40:16.080

Cooper City Virtual Meeting: And then just remember the traffic patterns in general, if any, residents have alternate routes that they can take during the school zones.

731

01:40:16.320 --> 01:40:21.240

Cooper City Virtual Meeting: That can assist with the traffic congestion, that is also something that can be a Community effort to help.

732

01:40:21.600 --> 01:40:32.490

Cooper City Virtual Meeting: Nonetheless, my team will be out in full force, we will have a operational plan in place to ensure that we move the vehicles along as safely as possible, but more importantly.

733

01:40:32.790 --> 01:40:45.840

Cooper City Virtual Meeting: That we keep our children safe as they return to in person instruction, so we look forward to a successful school year this year and code enforcement Commission melted did you have a question.

734

01:40:46.980 --> 01:40:56.100

Cooper City Virtual Meeting: Okay Commission so code enforcement first commercial Plaza initiative we did have our magistrate hearing on August 4.

735

01:40:56.490 --> 01:41:04.380

Cooper City Virtual Meeting: And i'm pleased to let you know that six of those commercial Plaza that we brought forward were found in violation and we're giving a series.

736

01:41:04.830 --> 01:41:18.090

Cooper City Virtual Meeting: Between 60 and 90 days to reach compliance, so my team will continue to work with those commercial plazas to ensure compliance this game within the given timeframe and, if not so, then they will be fined accordingly.

737

01:41:19.140 --> 01:41:27.690

Cooper City Virtual Meeting: it's important to let you know that 11 of the team plazas that we brought forward to the magistrate they've been found in violation or we're working.

738

01:41:28.170 --> 01:41:39.060

Cooper City Virtual Meeting: Very proactively with them to bring them into compliance, but so far as the current we have 48 of the total 66 commercial plazas and compliance and they're still working with a team.

739

01:41:39.450 --> 01:41:46.050

Cooper City Virtual Meeting: Of these classes, the game that compliance and the beautification process and conjunction with the city manager and staff here.

740

01:41:47.400 --> 01:41:54.240

Cooper City Virtual Meeting: in regards to our code enforcement city wide sweep that I told you about last Commission meeting we had a very successful sweep.

741

01:41:54.720 --> 01:42:02.820

Cooper City Virtual Meeting: We issued well over 40 citations collectively for various issues, not just commercial vehicles but also parking.

742

01:42:03.510 --> 01:42:07.650

Cooper City Virtual Meeting: On the sidewalks and on the lawns and other various complaints that have come forward.

743

01:42:08.220 --> 01:42:13.890

Cooper City Virtual Meeting: One thing that I wanted to share with you that I think is very exciting is again, our goal is compliance and not.

744

01:42:14.310 --> 01:42:23.400

Cooper City Virtual Meeting: The punitive aspect, and I do see that compliance is being reached in this effort through our code enforcement sweeps and in conjunction with the city efforts.

745

01:42:23.730 --> 01:42:35.280

Cooper City Virtual Meeting: Mainly, because in the start of these code enforcement practice sweeps we would stick to one particular neighborhood and Cooper city, and it would keep us busy for the entire operation.

746

01:42:35.700 --> 01:42:46.620

Cooper City Virtual Meeting: But now we are actually being able to navigate multiple neighborhoods in the city to try to be productive with the time that we a lot, which shows that compliance is actually being.

747

01:42:47.070 --> 01:42:55.050

Cooper City Virtual Meeting: gained throughout the Community, so hopefully the residents have are seeing that and are appreciating the the efforts of the code enforcement team.

748

01:42:55.380 --> 01:43:07.320

Cooper City Virtual Meeting: In conjunction with the deputies on these code enforcement sweeps and guards to the crime report I did want to just bring a couple updates, we obviously had a couple of very.

749

01:43:08.370 --> 01:43:29.640

Cooper City Virtual Meeting: Significant crimes that occurred in Cooper city, the previous week one was a residential burglary that occurred that involve a child who was taken out of the bedroom what I want to reassure the Community with is that this crime occurred on Monday at 458 in the morning.

750

01:43:30.690 --> 01:43:43.290

Cooper City Virtual Meeting: And we worked very diligently with our regional partners brought in well over 60 field personnel within the matter of hours and scoured this city and every investigative lead.

751

01:43:43.710 --> 01:44:01.530

Cooper City Virtual Meeting: And within 24 hours actually two minutes less than 24 hours, not only did we identify the suspect, in this case, but we located apprehended and arrested that suspect so that way everybody in that Community could arrest peacefully, knowing that that person was brought to justice.

752

01:44:02.640 --> 01:44:11.370

Cooper City Virtual Meeting: In addition to that, we had a burglary at the public storage along shared in streets and i'm pleased to let you know that, in partnership with our.

753

01:44:12.960 --> 01:44:28.950

Cooper City Virtual Meeting: South broward criminal investigations team and the burglary apprehension team we're going to apprehend this tri county burglar who has been targeting public storage is in the tri county area when he came to target Cooper city, we were there.

754

01:44:29.940 --> 01:44:35.700

Cooper City Virtual Meeting: With our regional partners were able to safely apprehend this subject and also bring him to just this.

755

01:44:36.210 --> 01:44:45.420

Cooper City Virtual Meeting: So i'm very pleased to let you know that despite these two crimes that occurred in our city, we were able to apprehend and arrest them ensure the safety of the Community.

756

01:44:45.780 --> 01:44:56.910

Cooper City Virtual Meeting: And I believe that that's the value that our team brings to this city and our ability to be flexible and versatile and bring in additional resources to benefit the residents of Cooper city.

757

01:44:57.840 --> 01:45:06.930

Cooper City Virtual Meeting: i'm in regards to Community outreach or one of us just thank potential church, we were able to partner with them in this past week to do a heroes day.

758

01:45:07.290 --> 01:45:18.180

Cooper City Virtual Meeting: At the church and in this heroes day, we were able to demonstrate to the children all the various facets of public safety, not just my team, but.

759

01:45:19.350 --> 01:45:29.010

Cooper City Virtual Meeting: churchy Bishop let you know that the fire educators are out there, we had a communications team out there, a Community outreach team and neighborhood support team are bloodhound.

760

01:45:29.460 --> 01:45:34.350

Cooper City Virtual Meeting: Out there just Educating the children and just had a wonderful interaction with the children at that church.

761

01:45:34.860 --> 01:45:41.460

Cooper City Virtual Meeting: And lastly, I just want to provide the vacancy report, we still have the Community involvement specialist bacon as of may 8.

762

01:45:41.880 --> 01:45:54.300

Cooper City Virtual Meeting: And one CSA position that was vacant as of July 25 However, I do have an applicant and process and, hopefully, by the end of this month will have that person hired to fill that they can see that concludes my report.

763

01:45:58.470 --> 01:46:10.410

Cooper City Virtual Meeting: Good evening Captain our very well, Sir, how are you a couple quick things regarding the commercial plazas and I see progress being made through the city, but is there any way we can get a progress report on each Plaza.

764

01:46:14.250 --> 01:46:27.570

Cooper City Virtual Meeting: Yes, we will provide that can make sure I get an update detail reporting, it will do that and i'm curious the Plaza the name escapes me where the wendy's is where the dairy queen is on sterling and just east, of course, the palm avenue there on the South side.

765

01:46:29.490 --> 01:46:40.350

Cooper City Virtual Meeting: That plan is actually went to the magistrate you're talking about the one on not to spread across three for us to the ball fields yeah correct, you will, and I think it's a palm serving palms might be either.

766

01:46:41.550 --> 01:46:53.880

Cooper City Virtual Meeting: I actually have a list and with the managers permission, I have a list this current in my folder and the back and i'm more than willing to present that you'd like to see a thank you one other thing regarding school traffic school starts, and we can tomorrow.

767

01:46:54.600 --> 01:46:56.790

Cooper City Virtual Meeting: Where our friends at Renaissance That was their new plan.

768

01:46:58.590 --> 01:47:05.490

Cooper City Virtual Meeting: Mr manager you want me to answer that yeah go ahead, we met with them this this week, Commissioner, and to be a detailed report on what their plan is quite cheap.

769

01:47:06.090 --> 01:47:14.220

Cooper City Virtual Meeting: So the city manager was proactive and met with the Charter schools Renaissance being on, I believe, on Friday, and he allowed.

770

01:47:14.730 --> 01:47:23.910

Cooper City Virtual Meeting: me to be present with that as well, but they went through each one of their conditional uses and I believe there's only three of them, they were waiting on answers back, but all the other ones were.

771

01:47:24.810 --> 01:47:31.650

Cooper City Virtual Meeting: In compliance, specifically with the ones, involving be so they were compliant the srt contract.

772

01:47:32.430 --> 01:47:38.730

Cooper City Virtual Meeting: is still being ironed out some legal language but there's no indication that's not going to be in place and we do have an srp.

773

01:47:39.570 --> 01:47:49.590

Cooper City Virtual Meeting: To be in place at that Charter and it'd be detail traffic detail, they do have in place, they presented a traffic plan that Mr Napoli and I went through.

774

01:47:50.010 --> 01:48:07.620

Cooper City Virtual Meeting: that we believe is going to be very successful and help mitigate the issue, not simply on palm but also on shared and show, would you please provide us with that plan, please, but they won't give you a summary, we didn't get a actual bugs I believe a summary of what they did increase their.

775

01:48:09.120 --> 01:48:17.970

Cooper City Virtual Meeting: staffing well, no to three times yes, because I believe that was part of the original yeah and they they are not, they are essentially three so to each of you three is three three separate.

776

01:48:18.780 --> 01:48:26.670

Cooper City Virtual Meeting: pickups right right they might think that's going to help that that's what they've included into three separate pickups there's the main additional conan's.

777

01:48:27.180 --> 01:48:43.710

Cooper City Virtual Meeting: put in place to stop people from pulling off the side of the road and then additional staffing monitoring from the school okay all right, thank you very much, did does their plan in tale than putting a police car on palm avenue in blocking the outer right lane.

778

01:48:45.030 --> 01:48:49.680

Cooper City Virtual Meeting: The traffic detail deputy does put a mark the unit in front of the school.

779

01:48:50.760 --> 01:48:59.490

Cooper City Virtual Meeting: On the road on the turn lane right in front of the school and the turn lane, the reason that that's necessary because we have to send.

780

01:49:00.120 --> 01:49:08.040

Cooper City Virtual Meeting: away the the placards that arrive early, so what a lot of what leads to the traffic congestion, as parents, we don't arrive on time.

781

01:49:08.490 --> 01:49:24.150

Cooper City Virtual Meeting: They arrived too early, and we are station there to assist with a traffic blow, but also to send those parents away who arrived early, but the there's two lanes to through lanes on Paul avenue correct go North those lanes and i'll block right.

782

01:49:24.990 --> 01:49:33.690

Cooper City Virtual Meeting: There we will have a traffic deputy on the right inside northbound lane on palm with a car you can't drive through it.

783

01:49:34.260 --> 01:49:38.490

Cooper City Virtual Meeting: Yes, a market unit that's not going to work for me they're shutting down a lane on the road so.

784

01:49:39.030 --> 01:49:48.900

Cooper City Virtual Meeting: You know that goes back to we have three roads in coover city that go north, south to the entire city that's flamingo pine island in palm.

785

01:49:49.860 --> 01:49:55.710

Cooper City Virtual Meeting: And to me didn't want to shut down one of the main roads, it goes north, south from shared in the Griffin.

786

01:49:56.610 --> 01:50:07.350

Cooper City Virtual Meeting: Can I can I hire try to let me just saw in defensive Renaissance charter that would not be Renaissance charter that shutting down a road that would be the traffic detail deputy but i'm more than willing to speak with them.

787

01:50:07.710 --> 01:50:10.500

Cooper City Virtual Meeting: We can offset as much as we can believe that that.

788

01:50:11.130 --> 01:50:20.010

Cooper City Virtual Meeting: northbound lane open well it definitely does it because of the what's created from the school, I mean he's he's not like a random deputy just pull you know, decided to shut down a lane but.

789

01:50:20.310 --> 01:50:29.010

Cooper City Virtual Meeting: Can I hire a police deputy and go shut down a lane somewhere in group or city Griffin road Brian says shut it down with a police car no right.

790

01:50:30.270 --> 01:50:43.920

Cooper City Virtual Meeting: So I mean I know the police have the authority to tell someone to stop but that can't be part of their plan, they have to find a plan, not to block a main road through the city, I mean there's there's actually no other school in the city, I think that shuts down a road with a cop car.

791

01:50:44.940 --> 01:50:46.620

Cooper City Virtual Meeting: In Cooper city.

792

01:50:47.640 --> 01:50:48.300

Cooper City Virtual Meeting: Which one would.

793

01:50:49.380 --> 01:50:49.590

Cooper City Virtual Meeting: write.

794

01:50:51.150 --> 01:50:59.610

Cooper City Virtual Meeting: That Jacqueline data type of Commissioner, if I can just clarify for you again that I don't believe that that's going to be Renaissance charter, I think it would be unfair for me to.

795

01:50:59.820 --> 01:51:09.120

Cooper City Virtual Meeting: follow them with that the traffic detailed deputy is going to be responsible for that traffic pattern at that location, the vehicle itself, we can offset.

796

01:51:10.200 --> 01:51:12.720

Cooper City Virtual Meeting: With the lights on on the inside of the school.

797

01:51:13.260 --> 01:51:24.750

Cooper City Virtual Meeting: With with the deputy they're just directing traffic but keep in mind that the majority of vehicles that are going to stack up and that northbound lane are intending to make that right hand turn to the school.

798

01:51:25.470 --> 01:51:34.380

Cooper City Virtual Meeting: So even if the vehicle is not there blocking it you're still going to have vehicles that are turning into the school for the right down my yeah, and so they have a problem with that.

799

01:51:35.460 --> 01:51:36.570

Cooper City Virtual Meeting: Because they.

800

01:51:36.870 --> 01:51:46.830

Cooper City Virtual Meeting: They shouldn't block a road they came in they're saying it wasn't gonna be traffic problems they can fix that they can be easily fixed that they can buy a helicopter and fly the kids in they can get bosses they.

801

01:51:46.920 --> 01:51:56.250

Cooper City Virtual Meeting: are not going to block the road and then that's their problem, you know that that school was not zone to be there, they came here and said it wasn't going to create a traffic problem.

802

01:51:56.820 --> 01:52:03.180

Cooper City Virtual Meeting: And now it's a traffic problem on a main thoroughfare and that's not my problem that's their problem, so they could talk to the Church.

803

01:52:04.470 --> 01:52:17.670

Cooper City Virtual Meeting: First Baptist or whatever, or whatever it's called they could buy pay them off to use their inner inner thing they can they can do whatever they want to do they call you know Steve geller and get him to allow them to cut through.

804

01:52:18.720 --> 01:52:28.110

Cooper City Virtual Meeting: You know, in the gate over there at a Brian piccolo that's their problem that's not our problem, but they came to the city and said it wouldn't cause a traffic problem and now it's causing a traffic problem.

805

01:52:28.470 --> 01:52:38.010

Cooper City Virtual Meeting: it's causing traffic problem pong and shared and like I said there's three roads ECHO north, south and there's three to go east, west that's shared in sterling and Griffin and there are they're shutting down one on each way.

806

01:52:39.450 --> 01:52:45.210

Cooper City Virtual Meeting: And it's not even Cooper city residents, if it were all Cooper city residents, at least I could say it's our own people.

807

01:52:45.720 --> 01:52:50.400

Cooper City Virtual Meeting: But just because they want to put a school in this city and say and use the name Cooper city.

808

01:52:51.150 --> 01:52:56.160

Cooper City Virtual Meeting: And it's not fair to the people who came out and said I don't want it, because of the traffic and now there's traffic.

809

01:52:56.760 --> 01:53:09.180

Cooper City Virtual Meeting: So they got to come up with another plan I don't care how they do it, it could be helicopter it can be airplane I don't care what they do, but they can't shut down main roads, because they want to operate, however, they want to operate.

810

01:53:09.870 --> 01:53:13.110

Cooper City Virtual Meeting: And then they could have 200 kids there and it will be better instead of 1200.

811

01:53:14.400 --> 01:53:19.320

Cooper City Virtual Meeting: So i'm in I think that is there, another feasible plan.

812

01:53:20.010 --> 01:53:29.910

Cooper City Virtual Meeting: that's then it can that can reduce commercial policy we've looked at various plans with the school, you know the school has been very proactive in communicating with us they've been very open to recommendations.

813

01:53:30.240 --> 01:53:37.980

Cooper City Virtual Meeting: Some of the recommendations that Commissioners router, but when when they first opened What was their plan that they suggested the Commission.

814

01:53:38.520 --> 01:53:45.750

Cooper City Virtual Meeting: When they first opened and they came to the Commission back in 2005 well done 12.

815

01:53:46.380 --> 01:53:55.470

Cooper City Virtual Meeting: What was a plan, they propose to the Commission so that it wouldn't be traffic, Commissioner, that predates my time, but I do understand from the conversations that it was.

816

01:53:56.010 --> 01:54:08.790

Cooper City Virtual Meeting: explained that there would not be traffic issues associated nice how how how could it not be traffic, what was the it was the the cap on the enrollment to 1200 it was the staggered.

817

01:54:10.320 --> 01:54:17.280

Cooper City Virtual Meeting: times and following do they have the cattle they follow the CAP, they are that was one of the conditional uses the manager verified.

818

01:54:18.150 --> 01:54:29.190

Cooper City Virtual Meeting: Okay, good or the staggering they are staggering and, in addition to it, they add they added a third not been doing conditional use agreement that not studying anymore.

819

01:54:30.210 --> 01:54:45.960

Cooper City Virtual Meeting: they're claiming they are now going to start complying okay with that okay so maybe if to stagger the way they're supposed to We may not have to shut down the road but The thing is, if we if we're going to figure it out, maybe we can open a charter school be like.

820

01:54:47.070 --> 01:54:57.630

Cooper City Virtual Meeting: A higher secret, they have to they have to it's their job to figure out what it I believed in what they have in their plan that they went through with the city manager and the staff and I.

821

01:54:58.080 --> 01:55:03.840

Cooper City Virtual Meeting: is going to alleviate the issues that were occurring last week, I believe that the last couple of weeks of school.

822

01:55:04.650 --> 01:55:20.310

Cooper City Virtual Meeting: That there was less traffic congestion at that Renaissance charter I don't believe that westbound sterling sheridan is going to be gridlocked I believe that this is going to be a good plan and will continue to work with them, but beyond that I can't answer more for the school.

823

01:55:24.510 --> 01:55:30.600

Cooper City Virtual Meeting: Thank you you're welcome I you know we they've had plenty of time it's the summer.

824

01:55:31.020 --> 01:55:38.580

Cooper City Virtual Meeting: And you know I already see this happen, this is, this is a bunch of fancy words to us oh boo boo boo and we're gonna be back to the same thing.

825

01:55:38.940 --> 01:55:44.370

Cooper City Virtual Meeting: i'm going to get my little car and i'm going to drive in in a fight have to stop because they want to finish a problem.

826

01:55:44.700 --> 01:55:51.630

Cooper City Virtual Meeting: I mean we can't block traffic on a main road it's not our job to figure out how they're going to make something work that they promised to make work.

827

01:55:52.140 --> 01:55:59.220

Cooper City Virtual Meeting: Maybe they car, for I don't know that's that's up to them, but you know they've they came in here, I remember okay.

828

01:55:59.670 --> 01:56:05.250

Cooper City Virtual Meeting: Dennis meal and I tell him every time he comes before us Dennis you're a nice guy but you're full of bs sometimes you should.

829

01:56:05.700 --> 01:56:08.760

Cooper City Virtual Meeting: order, how are you going to do all this stuff oh no, no, no.

830

01:56:09.030 --> 01:56:18.300

Cooper City Virtual Meeting: If the parents don't listen they're out of there this isn't public school and now, where are we at now it's on awesome they're going to have every parent right us an email or poor kid can't go to.

831

01:56:18.600 --> 01:56:22.980

Cooper City Virtual Meeting: know they could do whatever they want to do just don't have traffic on the road you can't.

832

01:56:23.580 --> 01:56:35.010

Cooper City Virtual Meeting: What if somebody came and said, I want to build something over here on sterling road i'm going to shut down a lane five days a week that's absurd it's absurd the public schools which we have no control over do not even do that.

833

01:56:36.180 --> 01:56:43.650

Cooper City Virtual Meeting: And we're going to allow it to happen, and this isn't just renaissance of franklin's doing it, I have the same opinion on them, they cannot shut down a road i'm filming lane and.

834

01:56:44.910 --> 01:56:54.030

Cooper City Virtual Meeting: They they just can't that's not that wasn't part of the deal, so I mean, I hope you guys support me on that they need to figure that out, and we should let them know now.

835

01:56:55.110 --> 01:57:07.800

Cooper City Virtual Meeting: The parents came here the parents care and spoken back in April or May and they're telling us, we need to come up with a plan and they'll know we don't need to come up with a plan, they need to come up with a plan, one that works for our residents.

836

01:57:09.180 --> 01:57:16.170

Cooper City Virtual Meeting: Because at this point they haven't done with their supposed to be doing until until Commissioner over here, you know basically threatened to shut him down.

837

01:57:16.770 --> 01:57:22.230

Cooper City Virtual Meeting: Several months ago that's you know when people have been the people's backs are against the wall that's when they come out with you all of a sudden, they get creative.

838

01:57:22.890 --> 01:57:28.530

Cooper City Virtual Meeting: So we need them to get even more creative with this, the only thing, if I may say, Commissioners.

839

01:57:29.100 --> 01:57:34.590

Cooper City Virtual Meeting: I just don't want it to be why handicap my team, because when it comes to traffic safety and it comes to traffic.

840

01:57:34.830 --> 01:57:47.520

Cooper City Virtual Meeting: Congestion the minute that anyone from my team steps out to take control of that we need to have the freedom to make those decisions, so if we have to take a lane and we need to take a lane for safety reasons.

841

01:57:48.270 --> 01:57:55.710

Cooper City Virtual Meeting: If we can do our very best to eliminate that and to be our do our due diligence with that, then of course.

842

01:57:56.250 --> 01:58:07.860

Cooper City Virtual Meeting: But there may be times that even with any school public schools event that if we need to block a lane to direct traffic that that's going to be something that's necessary for the safety of the team and the end the vehicles.

843

01:58:09.180 --> 01:58:16.920

Cooper City Virtual Meeting: So public change we have occasionally occasionally let's make it clear public schools, we have no control over but luckily.

844

01:58:17.490 --> 01:58:28.170

Cooper City Virtual Meeting: Because right, we have no control over how they're going to a pub where public schools going to put itself when I say public I mean if the school would have our county owns the land additional public schools traditional public schools, although we know charters are.

845

01:58:28.410 --> 01:58:30.960

Cooper City Virtual Meeting: Still officially public schools but not from Atlanta aspect.

846

01:58:32.040 --> 01:58:35.220

Cooper City Virtual Meeting: We have no control if our schools build something.

847

01:58:36.090 --> 01:58:38.370

Cooper City Virtual Meeting: But at least Those are our people start on the road.

848

01:58:38.670 --> 01:58:46.740

Cooper City Virtual Meeting: And what we wouldn't be happy about it and we've been talking about it for years over here do we take it on do we do this, and that these things were built in the 70s, so when they come in the goal, the public.

849

01:58:46.950 --> 01:58:56.070

Cooper City Virtual Meeting: That means nothing we have no authority over that's like saying somebody does something and in the Bahamas it's not here, you know they came here they're governed by us.

850

01:58:56.820 --> 01:59:03.750

Cooper City Virtual Meeting: Of course i'm not saying that the police can't do whatever makes them safe but that can't be part of their plan five days a week to block a lane.

851

01:59:04.890 --> 01:59:18.510

Cooper City Virtual Meeting: So I don't expect your deputies to get injured and to figure out how they're gonna tiptoe I expect them to have a better plan because it's not sustainable, they they can't you can't come here as a landowner request a.

852

01:59:20.340 --> 01:59:26.520

Cooper City Virtual Meeting: Conditional use tell us you're going to do all these things, and then, as soon as you get it disappear this happened with yesterday.

853

01:59:26.910 --> 01:59:35.730

Cooper City Virtual Meeting: You remember how we found out that we were paying for it, so they they removed the RD and when we looked at their staffing list we found out that we were putting we're paying for the srt in there.

854

01:59:37.290 --> 01:59:44.910

Cooper City Virtual Meeting: And we offered them when they came here do you want to partner with the city of the city residents first priority, no so they want to give city residents.

855

01:59:45.660 --> 01:59:55.080

Cooper City Virtual Meeting: priority in the school, but they want to shut down the road and they have no problem, taking our police resources and all these other resources, so I understand.

856

01:59:55.800 --> 02:00:01.590

Cooper City Virtual Meeting: You might feel bad, but it is not your promises their problem they got to figure out how they're going to get kids to school.

857

02:00:01.920 --> 02:00:10.050

Cooper City Virtual Meeting: I don't know, maybe they go to all year long and they don't take as many kids that's up to them, but I can assure you, somebody can be paid enough money to figure it out.

858

02:00:16.590 --> 02:00:20.730

Cooper City Virtual Meeting: So I hope that all this they're planning on doing involves not shutting down our room.

859

02:00:24.090 --> 02:00:30.390

Cooper City Virtual Meeting: yeah But then what happens on the 18th then we're going to be all good all the parents come on my kids gone here 300 years.

860

02:00:30.840 --> 02:00:41.160

Cooper City Virtual Meeting: We we live in pines and we drive over here to block your traffic, so it gets you get a good education, I mean that's basically what they all did I looked up the addresses of all the people can paint to planning and none of them lived in your city.

861

02:00:45.420 --> 02:00:46.050

Cooper City Virtual Meeting: rant over.

862

02:00:48.000 --> 02:01:00.570

Cooper City Virtual Meeting: rant over anything else for the captain Oh, thank you guys so much for Thank you captain and thank you, Deputy great job again thank you again great evening of your traffic detail start.

863

02:01:01.740 --> 02:01:02.070

Cooper City Virtual Meeting: Okay.

864

02:01:11.880 --> 02:01:21.960

Cooper City Virtual Meeting: Good evening mayor Commission city manager just a couple things I wanted to touch base on the camp that we did out there, he kind of covered that so.

865

02:01:23.040 --> 02:01:25.650

Cooper City Virtual Meeting: Our guys were out there, they had a they had a great time.

866

02:01:27.000 --> 02:01:29.010

Cooper City Virtual Meeting: I do want to point out a couple of things.

867

02:01:30.870 --> 02:01:38.730

Cooper City Virtual Meeting: In last month's report in July, I had noted that we had gone mutual aid to the town of day be five times.

868

02:01:39.870 --> 02:01:50.010

Cooper City Virtual Meeting: This year, or i'm sorry this month, so far we've received mutual aid from them twice, though, the reason is, is that.

869

02:01:51.330 --> 02:02:03.030

Cooper City Virtual Meeting: The calls we transport to the hospital our time at the hospital is now being delayed due to staffing at the hospital so we're spending more time at the hospital.

870

02:02:03.510 --> 02:02:22.020

Cooper City Virtual Meeting: So our turnaround times are not as quick the hospitals are understaffed our call volume from last month to this month is up 34% and a lot of that may have to do with covert there are a lot of trouble briefings and a lot of.

871

02:02:23.310 --> 02:02:24.600

Cooper City Virtual Meeting: sick person so.

872

02:02:26.010 --> 02:02:34.920

Cooper City Virtual Meeting: So if you see that that understand that there's a turnaround time the hospital district are like 800 people short, so it does affect us.

873

02:02:38.370 --> 02:02:39.480

Cooper City Virtual Meeting: talked about our.

874

02:02:40.500 --> 02:02:57.960

Cooper City Virtual Meeting: Call volume is being up Overall, though, from this time last year, our call volumes it's average about 7% increase so overall, it is an increase, but not as dramatic as we would think.

875

02:03:00.390 --> 02:03:04.380

Cooper City Virtual Meeting: We did receive two letters from residents thanking our.

876

02:03:05.430 --> 02:03:11.820

Cooper City Virtual Meeting: Our crews our team for taking care of them transporting them taking care of their family members.

877

02:03:14.070 --> 02:03:20.310

Cooper City Virtual Meeting: We are working on September 4 we have a bike rodeo that's.

878

02:03:21.390 --> 02:03:23.970

Cooper City Virtual Meeting: Coming up will be there in the.

879

02:03:25.170 --> 02:03:29.880

Cooper City Virtual Meeting: parking lot of the optimists and that'll be that Saturday September 4.

880

02:03:30.990 --> 02:03:41.790

Cooper City Virtual Meeting: And and on Sep tember 12th on Sunday September 12th we are working on putting together our autism event we have that.

881

02:03:44.010 --> 02:03:50.220

Cooper City Virtual Meeting: We are going to a new reporting system for the fire calls, starting in September.

882

02:03:51.780 --> 02:04:04.770

Cooper City Virtual Meeting: makes it easier for the rank and file to complete the reports, however, it is going to be harder for me to extract the information for mutual aid and types of calls that we run.

883

02:04:05.460 --> 02:04:17.670

Cooper City Virtual Meeting: So just got into a little bit of this also in any way i'm sorry does this affect pulse in any way that no patient, no, no, no it's just our record management system that we keep that.

884

02:04:19.980 --> 02:04:22.290

Cooper City Virtual Meeting: And that pretty much concludes my report.

885

02:04:24.570 --> 02:04:24.780

Cooper City Virtual Meeting: With.

886

02:04:26.100 --> 02:04:26.460

Cooper City Virtual Meeting: Western.

887

02:04:27.540 --> 02:04:31.920

Cooper City Virtual Meeting: Have a has just happened affected by covert.

888

02:04:35.490 --> 02:04:40.770

Cooper City Virtual Meeting: My station 28 has not, but we have had a number of Members.

889

02:04:41.820 --> 02:04:46.500

Cooper City Virtual Meeting: On the fireside that have been out with coven yes okay and.

890

02:04:47.910 --> 02:04:57.300

Cooper City Virtual Meeting: Hopefully doing well, yes I guess the mayor is probably tallahassee wondering or in Orlando wherever he is wondering, we do have our fire engine as.

891

02:04:58.500 --> 02:05:05.010

Cooper City Virtual Meeting: Well, all of our platforms in service or engines and service oh great mayor, do you hear that.

892

02:05:06.030 --> 02:05:08.370

Mayor Ross: I did hear that, and thank you for reporting it.

893

02:05:10.200 --> 02:05:10.470

Mayor Ross: Okay.

894

02:05:13.320 --> 02:05:23.790

Cooper City Virtual Meeting: Thank you for a great job Thank you um I have two questions when when we have this mutual aid from this other city or town Davey says the residents.

895

02:05:24.840 --> 02:05:29.850

Cooper City Virtual Meeting: are getting different like the worst service or is it pretty compliment hasn't work.

896

02:05:32.220 --> 02:05:40.800

Cooper City Virtual Meeting: They have to certified firefighter paramedics on that their rescue truck we have three, but they have to.

897

02:05:43.590 --> 02:05:46.440

Cooper City Virtual Meeting: They meet the same standards, the state of Florida, as we do.

898

02:05:48.090 --> 02:05:58.230

Cooper City Virtual Meeting: And then My other question is, I know, we had some differences over the budget, the proposed budget was fire able to come down that price.

899

02:06:01.500 --> 02:06:02.730

Cooper City Virtual Meeting: That it not, at this time.

900

02:06:03.870 --> 02:06:16.770

Cooper City Virtual Meeting: Can you agree to come down on it for us, above my pay grade okay well so chief bishops great, but you know we have to have somebody who has the ability to make that decision meet with us and.

901

02:06:19.440 --> 02:06:19.740

Cooper City Virtual Meeting: You know.

902

02:06:19.920 --> 02:06:33.360

Mayor Ross: To that point, gentlemen, to that point, may I just say that i've been attempting to get an in person meeting with the Sheriff absolutely refuses to meet with us in person, and then I go to the.

903

02:06:34.290 --> 02:06:41.970

Mayor Ross: Fire chief and asked him and he says not until you meet with the Sheriff well I don't understand, is there a directive from the police.

904

02:06:42.450 --> 02:06:48.900

Mayor Ross: sheriff saying no don't meet with the fire chief to the fire chief I have no clue but I know one thing.

905

02:06:49.560 --> 02:06:59.400

Mayor Ross: They forgot, who is contracting with them and who they work, for they work for Cooper city, but apparently they feel they don't need to meet with us so.

906

02:06:59.760 --> 02:07:10.230

Mayor Ross: Obviously, full force and effect of going forward with the chief order let's look forward to seeing what the alternatives are because they're not giving us an option by saying.

907

02:07:10.470 --> 02:07:20.010

Mayor Ross: Forget it gentlemen i'm not going to meet with you that's what i'm hearing that's what i'm getting I don't appreciate it, and I would appreciate my chiefs fire and police going back to the Sheriff.

908

02:07:20.310 --> 02:07:35.100

Mayor Ross: and suggesting that he meet with us in person like he said he would have the other what two, three weeks ago with the 13 of the contract cities and refuse to do so at the last minute, how embarrassing not for us, but for him, thank you.

909

02:07:36.720 --> 02:07:48.240

Cooper City Virtual Meeting: I mean, how can you pay somebody who won't meet with you, I have requested to me doesn't have to be a sheriff it could be the person who makes the decisions I don't know who makes the decisions, but they refused to me.

910

02:07:48.270 --> 02:07:50.460

Cooper City Virtual Meeting: You can't we can't even you know I mean.

911

02:07:50.730 --> 02:07:58.290

Cooper City Virtual Meeting: I know how many months ago that I request captain, it was a while ago right and haven't heard back, I called the the guy driving around.

912

02:07:58.860 --> 02:08:10.470

Cooper City Virtual Meeting: He told me he didn't come back with a call colonel, something that guy you know called him up and got him on the phone, one day, and he let you know never heard back so I mean.

913

02:08:14.070 --> 02:08:22.260

Cooper City Virtual Meeting: Who would be the full if you keep giving money to organization at won't loom out meet with us in your city manager report you gave us an update on what you're doing with the.

914

02:08:23.700 --> 02:08:24.720

Cooper City Virtual Meeting: Potential conversion.

915

02:08:26.370 --> 02:08:27.210

Cooper City Virtual Meeting: keep doing what you're doing.

916

02:08:27.690 --> 02:08:29.220

Cooper City Virtual Meeting: And I do want to say this.

917

02:08:29.370 --> 02:08:35.220

Cooper City Virtual Meeting: I don't always agree with the fire Union or the police Union, I think that the fire Union i've told the Union President.

918

02:08:35.580 --> 02:08:39.600

Cooper City Virtual Meeting: I don't agree with the fact they can beat anybody in and out the fire chief has no control, but at least.

919

02:08:39.990 --> 02:08:54.780

Cooper City Virtual Meeting: Both of those Union Presidents came and met with me and we had we would we said we could agree to disagree, or something, but I can't get anyone from you know, and I don't blame YouTube but ticket anyone so from the from the captains and chief down there great but.

920

02:08:55.980 --> 02:08:57.150

Cooper City Virtual Meeting: We can't get anyone to.

921

02:08:59.040 --> 02:09:04.080

Cooper City Virtual Meeting: You know I mean it's kind of like the plumber park guy said he would write the check and leave it there, we found in Kenya pick it up.

922

02:09:04.560 --> 02:09:09.150

Cooper City Virtual Meeting: Can you, maybe we should start doing that, but leave the check here, and then they said.

923

02:09:12.540 --> 02:09:13.470

Mayor Ross: I agree with that.

924

02:09:14.730 --> 02:09:15.120

I was.

925

02:09:17.790 --> 02:09:24.150

Cooper City Virtual Meeting: Mr going could we do that would we be in breach if we were required to mail them the check or can we leave the check here, they have to come get it.

926

02:09:27.360 --> 02:09:34.140

Cooper City Virtual Meeting: i'm not sure what the contract specifically requires it requires the payment on a on a on a periodic periodic basis, as you know.

927

02:09:36.150 --> 02:09:36.870

Cooper City Virtual Meeting: Probably nothing with.

928

02:09:37.110 --> 02:09:40.230

Cooper City Virtual Meeting: who's leaving a check available for pickup.

929

02:09:41.760 --> 02:09:46.890

Cooper City Virtual Meeting: mean look at it unless you're unless you're paying by a ch you're paying for wire I don't know the answer, but the end of the day, you know.

930

02:09:47.160 --> 02:09:59.190

Cooper City Virtual Meeting: If the contract requires a check or requires an AC he requires a wire then contract will dictate it, but if it does not then certainly leaving a check available for pickup would not be outside the box.

931

02:10:01.110 --> 02:10:02.520

Cooper City Virtual Meeting: To think about that invention.

932

02:10:02.940 --> 02:10:03.570

Mayor Ross: So i'm.

933

02:10:08.730 --> 02:10:10.680

Cooper City Virtual Meeting: Sorry that's not for you that's.

934

02:10:12.600 --> 02:10:31.890

Mayor Ross: also add, I have a situation where I think most of you are aware of not there was a letter written by the fire Union President calling elected officials do specs and yet when question by the fire chief about that he is refusing to do anything regarding that.

935

02:10:33.990 --> 02:10:34.350

Excellent.

936

02:10:37.140 --> 02:10:44.040

Mayor Ross: So I don't quite understand who's governing over there if the Sheriff thinks he's governing and start to govern.

937

02:10:45.360 --> 02:10:46.470

Mayor Ross: Get control of your men.

938

02:10:52.440 --> 02:10:54.840

Cooper City Virtual Meeting: That note, thank you, thank you.

939

02:11:02.310 --> 02:11:05.190

Cooper City Virtual Meeting: Commissioner, concerns i'm sure Meltzer.

940

02:11:07.200 --> 02:11:08.640

Cooper City Virtual Meeting: Nothing this evening, thank you.

941

02:11:12.150 --> 02:11:12.600

Cooper City Virtual Meeting: For.

942

02:11:13.740 --> 02:11:14.910

Cooper City Virtual Meeting: yeah i'm.

943

02:11:17.220 --> 02:11:19.290

Cooper City Virtual Meeting: You know I don't ever waste, an opportunity to talk.

944

02:11:20.460 --> 02:11:21.300

Cooper City Virtual Meeting: afraid to ask.

945

02:11:23.490 --> 02:11:27.090

Cooper City Virtual Meeting: The one of the things I want to bring up is the procurement process with.

946

02:11:28.500 --> 02:11:38.340

Cooper City Virtual Meeting: In terms of these how we select these the point system, I saw that the procurement agent sent out like a cone of silence email and I looked in it.

947

02:11:39.240 --> 02:11:49.860

Cooper City Virtual Meeting: And it had a point system and that wasn't very clear to me the point system, I think it's it only had like five points for whoever was going to save us money.

948

02:11:50.940 --> 02:11:58.080

Cooper City Virtual Meeting: A this was on the energy saving contract, so you know I think I don't know, but I think we have to somehow.

949

02:11:58.860 --> 02:12:06.270

Cooper City Virtual Meeting: I want to make sure we're just not arbitrarily coming up with points assigned to different bids and then, and then we get you know stuck with things.

950

02:12:06.720 --> 02:12:14.610

Cooper City Virtual Meeting: And the other thing on the pyramid process, it seems like we have people who will bid things get it, and then not performing we end up having to go to the next bitter.

951

02:12:15.330 --> 02:12:29.910

Cooper City Virtual Meeting: And there should be some type of penalty I don't know if that's possible but something to to hold someone's feet, to the fire if they're going to lowball a bit and when it and then next thing you know we're ever started performance bond, something that we're going to hold them to.

952

02:12:33.240 --> 02:12:33.840

Cooper City Virtual Meeting: The.

953

02:12:35.130 --> 02:12:46.590

Cooper City Virtual Meeting: One, we have the budget coming up, so I just wanted to make sure we had some things to recap there one of the things that I want to make sure we put in, there is our fire vehicles, whether we're.

954

02:12:47.430 --> 02:13:02.040

Cooper City Virtual Meeting: Luckily, now with the Sheriff he's giving us the option of our own vehicles so whether we have our own fire department or with the Sheriff, we have to buy these vehicles, and I think we need to at least see a capital replacement plan, because I don't have a feeling that.

955

02:13:03.120 --> 02:13:07.470

Cooper City Virtual Meeting: we're going to get these vehicles replace any other way than us paying for it.

956

02:13:08.700 --> 02:13:11.850

Cooper City Virtual Meeting: So I just want to make sure financially we're planning for that.

957

02:13:14.280 --> 02:13:14.730

Cooper City Virtual Meeting: The.

958

02:13:16.560 --> 02:13:21.270

Cooper City Virtual Meeting: Also, I wanted to discuss the redesigning departments, I know you're.

959

02:13:22.380 --> 02:13:30.060

Cooper City Virtual Meeting: There was, you said that the Mr Griffin was going to look, I want to make sure this is an order for this, you know.

960

02:13:30.870 --> 02:13:50.250

Cooper City Virtual Meeting: August 24 meeting because I fully intend on wanting to implement these efficiencies during the budget process, and I hope you guys agree with me on that I don't want to kick the can on that on on the efficiencies where that's the park employees under parks and so on and so forth.

961

02:13:52.080 --> 02:14:01.410

Cooper City Virtual Meeting: I even think we need to look at redesigning even the clerk's office is is needs help it's been struggling we've we've been okayed an additional half person.

962

02:14:02.250 --> 02:14:11.250

Cooper City Virtual Meeting: One of my concerns is is the clerk's office us to process all the business tax receipts and now that's been pushed to the building department, but all that money goes to the general.

963

02:14:12.600 --> 02:14:19.440

Cooper City Virtual Meeting: General fund, although the building if people are being paid out of the building fun and I really think that that should have stayed with the clerk's office.

964

02:14:19.830 --> 02:14:30.090

Cooper City Virtual Meeting: So I think we need to look at the clerk's office and figure out how we can you know where we were where we're going and how this can be redefined, because I don't think it's as efficient as it can be.

965

02:14:30.540 --> 02:14:35.100

Cooper City Virtual Meeting: Especially with the decrease in passport revenue there should have been more free time available.

966

02:14:36.210 --> 02:14:48.300

Cooper City Virtual Meeting: And I don't know that's happened um you know I my bait stamps I get those like once every four meetings do I get the bait stamp the agenda, so you know, would like to get the bait stamp agenda.

967

02:14:49.800 --> 02:14:55.830

Cooper City Virtual Meeting: But I wanted to discuss these efficiencies with the budget process, and I hope you guys support me on that.

968

02:14:57.150 --> 02:15:11.580

Cooper City Virtual Meeting: I want to make sure that on the 24th we're going to part of the budget we're going to have a line item on on the budgeting by positions as well, which we said we everyone agreed to last meeting want to make sure that's going to be part of the.

969

02:15:12.630 --> 02:15:14.430

Cooper City Virtual Meeting: The the 24th.

970

02:15:16.080 --> 02:15:16.500

The.

971

02:15:17.550 --> 02:15:20.190

Cooper City Virtual Meeting: Numbers each position will have her unique number.

972

02:15:21.600 --> 02:15:22.140

Cooper City Virtual Meeting: So, like.

973

02:15:23.880 --> 02:15:29.040

Cooper City Virtual Meeting: Okay, so we'll have that we have 100 and something positions we're going to have we can budget by position.

974

02:15:31.860 --> 02:15:32.730

Cooper City Virtual Meeting: At i'm like.

975

02:15:35.340 --> 02:15:39.000

Cooper City Virtual Meeting: i'm not sure what you mean by by to pay per session each each each each.

976

02:15:40.170 --> 02:15:43.260

Cooper City Virtual Meeting: position is going to have a unique number assigned.

977

02:15:44.910 --> 02:15:53.970

Cooper City Virtual Meeting: what's 103 unique position numbers yes and 100 and in the money for each one how much were budget and spend on each one right.

978

02:15:55.140 --> 02:16:09.030

Cooper City Virtual Meeting: that's what is currently being that whatever is gonna be proposed so but position early salary salary assigned to each each position I want a budget by position so, for example.

979

02:16:11.100 --> 02:16:28.560

Cooper City Virtual Meeting: position number to snow removal person woman or man, we are attributing \$100,000 a year to that I want to be able to attribute \$85,000 a year to that, so I want to just make sure we have two weeks to be very clear when we get into this budget.

980

02:16:30.060 --> 02:16:32.880

Cooper City Virtual Meeting: Meaning that what we're going to be doing is like that's.

981

02:16:34.200 --> 02:16:36.570

Cooper City Virtual Meeting: Effectively, clearly communicating that or.

982

02:16:37.830 --> 02:16:46.260

Cooper City Virtual Meeting: If I want to take snow removal man and budget woman or man, well, I think I think we're gonna you're talking about.

983

02:16:47.370 --> 02:16:57.330

Cooper City Virtual Meeting: Changing salaries know I want a Budget No I don't care what they're paid they might just have to you might suffer alone, you know if there's not enough money I don't know I want a budget per position not change sellers.

984

02:17:04.860 --> 02:17:16.050

Cooper City Virtual Meeting: So, I guess, my question is it the intent of the city staff to present us with each position number and the amount of money they're proposing the budget for each position hold on.

985

02:17:16.560 --> 02:17:31.050

Cooper City Virtual Meeting: I think that is what we requested, so it goes beyond that I don't think it's better than \$10 well, I want to make sure that on the 24th that is we're getting well currently what what you're getting is the.

986

02:17:31.830 --> 02:17:43.500

Cooper City Virtual Meeting: position and the salary that that that is what the is is currently there each each position with a number of side and what the salary is for that position.

987

02:17:47.460 --> 02:17:49.170

Cooper City Virtual Meeting: informational or budgeting.

988

02:17:50.760 --> 02:17:57.780

Cooper City Virtual Meeting: I want to, I want to buddy salaries for that department are made up of the positions in that department.

989

02:17:58.200 --> 02:18:06.180

Cooper City Virtual Meeting: And and and the second is that, as the budget is based on I want a budget by position, so I can I can budget less for snow removal person.

990

02:18:06.690 --> 02:18:13.200

Cooper City Virtual Meeting: that's what that's what I want to do that's what I was doing 24 so i'm just making it clear, so I don't lose my mind and the 24th.

991

02:18:13.830 --> 02:18:18.960

Cooper City Virtual Meeting: And if not, then we'll have to break out, and you know our guests will help me with the numbers and i'll.

992

02:18:19.560 --> 02:18:27.180

Cooper City Virtual Meeting: Take the yellow paper and doing but i'd rather not have to do that i'd rather have it all there, so I just want to make sure the 24th we're going to be all squared away.

993

02:18:27.960 --> 02:18:41.250

Cooper City Virtual Meeting: i'm just what i'm telling you, you will see, is the each position with the salary associated with each position, but I need the salary as part of the budget and inserted in the budget.

994

02:18:42.840 --> 02:18:45.450

Cooper City Virtual Meeting: The salaries associated with that department.

995

02:18:46.620 --> 02:18:52.710

Cooper City Virtual Meeting: So, in other words administration you've got a million dollars budgeted for salaries right it's duration, made up of 11 different people right.

996

02:18:53.520 --> 02:19:02.730

Cooper City Virtual Meeting: person or associate salaries was \$1 million, but i'm sorry you're gonna have 11 different positions 11 different people, each with a unique number right.

997

02:19:03.600 --> 02:19:11.280

Cooper City Virtual Meeting: And those dollar amounts up and that equals a million dollars, which is the big number in the budget that's what the number in the by that, which is that what you're proposing get what you're saying.

998

02:19:11.700 --> 02:19:18.990

Cooper City Virtual Meeting: So drastic now because my problem with that is say you have 10 positions in there and one is vacant, then you could spend more on another one.

999

02:19:19.500 --> 02:19:28.590

Cooper City Virtual Meeting: Out of the savings of that making one that's why I want a budget by zoom mo because that because it will be noted the deposition to zero salary for that position, so you will know if there's a vacant position.

1000

02:19:30.120 --> 02:19:32.820

Cooper City Virtual Meeting: Now we're going to budget and it becomes making throughout the year.

1001

02:19:34.980 --> 02:19:46.350

Cooper City Virtual Meeting: Whatever it is, I want, if they go over budget on an on a position I want them to have to come information for the rules of you know budget transfers and everything.

1002

02:19:46.890 --> 02:19:57.510

Cooper City Virtual Meeting: I want to, if I have 10 snow removal people, and I want a budget to 85,000 I want to do that I don't want to just have a bag if we have.

1003

02:19:58.140 --> 02:20:11.220

Cooper City Virtual Meeting: A million dollars in salary in the REC How does a million dollars break up that's what I believe that's how that's how the budget that's how the salary figure in the budgets that he's going to do so, I can do, I have.

1004

02:20:12.030 --> 02:20:19.470

Cooper City Virtual Meeting: I can set the budget with a unique number with \$1 amount of so perfect so that'll add up to the trillion dollars, just to clarify.

1005

02:20:20.490 --> 02:20:30.120

Cooper City Virtual Meeting: So, just to clarify position number for snow removal person I if you present \$100,000 I could say, I want to only spend \$90,000.

1006

02:20:30.570 --> 02:20:39.600

Cooper City Virtual Meeting: I want to make sure that that's clear I think we're gonna need that, because what you're saying, then, is you're reducing someone salary because that's what that's what it's based on no.

1007

02:20:40.170 --> 02:20:48.420

Cooper City Virtual Meeting: No it's not yes it is I don't care how you do, you can do benefits, you could do salaries salaries and bedroom what is that a year let's let's do.

1008

02:20:50.040 --> 02:20:54.210

Cooper City Virtual Meeting: That well that's that's what I asked for that then we'll work on that budget i'm sorry.

1009

02:20:55.470 --> 02:21:01.140

Cooper City Virtual Meeting: But that's what I that's what I that's what I want is to present it that way that's what I asked budget by position.

1010

02:21:01.770 --> 02:21:10.440

Cooper City Virtual Meeting: So I want to make sure that it's coming that way so i'm not disappointed I don't want to be disappointed, I want to you know get to work on a brand calculator with the tape like Howard has.

1011

02:21:12.720 --> 02:21:15.990

Cooper City Virtual Meeting: One of those for us to our i've got 11.

1012

02:21:18.660 --> 02:21:25.650

Cooper City Virtual Meeting: So I just want to make sure that was our intent right by position meant snow removal person less.

1013

02:21:27.270 --> 02:21:37.380

Cooper City Virtual Meeting: We have a snowball First, I just want to make make clear that when you say, less you're talking about salary having no no physical he's just, no, no.

1014

02:21:38.130 --> 02:21:48.030

Cooper City Virtual Meeting: No so say say we have \$100,000 to spend on the snow removal person I don't care if you paying \$100,000 an hour, but they only get to work, one hour that year, so it's not a.

1015

02:21:48.450 --> 02:22:01.830

Cooper City Virtual Meeting: salaries and if they do salary i'm just telling you, the total amount per position that's all I want to do so now snow removal person is vacant that year we put 100,000 that money shouldn't be shifted towards another position.

1016

02:22:03.120 --> 02:22:17.490

Cooper City Virtual Meeting: That went over or anything like that so that's all i'm simply saying, I want to budget by position, I think that was what the direction was here, and I want to make sure we make it clear that it's presented in that format, so I can adjust for lower.

1017

02:22:18.960 --> 02:22:23.970

Cooper City Virtual Meeting: But I just want to so, but you are saying that you're going to be adjusting salaries, no.

1018

02:22:24.780 --> 02:22:34.410

Cooper City Virtual Meeting: I don't care how you do it, can we not worry what's going to happen at the meeting and just have the latest wondering sure that we're clear on what what is going to be presented we're going to be presenting at.

1019

02:22:34.890 --> 02:22:48.090

Cooper City Virtual Meeting: The positions with unique codes so and associated salaries and benefits associated with each position, yes Okay, and I can with that information for Judy position right.

1020

02:22:49.140 --> 02:22:58.410

Cooper City Virtual Meeting: that's my question can I budget the position you know what i'm talking about I know what you're talking about are you presenting it in the way I want it is the question where we can budget by position that's really the question so.

1021

02:23:00.210 --> 02:23:10.290

Cooper City Virtual Meeting: You know the line items will match the number, the number of not the matter no I don't want the aggregate because that's the aggregate new approved just the aggregate of salaries that each.

1022

02:23:10.590 --> 02:23:22.260

Cooper City Virtual Meeting: Item I want to budget by the puzzle match the account correct if you know what i'll give it to you, lower salary, can I lower salary that's how I want to present it technically hypothetically can I lowered the snow removal per salary.

1023

02:23:24.390 --> 02:23:36.870

Cooper City Virtual Meeting: Are you presenting in a format that I that we can do that this Commission could do that they could vote and say we're not going to spend X amount on the snow removal person anymore, is it being presented in that format, so we can budget by position.

1024

02:23:42.810 --> 02:23:43.500

Cooper City Virtual Meeting: We asked it yet.

1025

02:23:45.450 --> 02:23:52.170

Cooper City Virtual Meeting: we're going to have a number of the budget, I got a question for him, I just want to clarify make sure i'm understanding the number in the budget.

1026

02:23:53.760 --> 02:23:58.740

Cooper City Virtual Meeting: 10 positions equal a million dollars in the budget is but it's that they're asking for which we do not have to improve.

1027

02:24:01.890 --> 02:24:03.870

Cooper City Virtual Meeting: This is going to be a sub ledger let's say.

1028

02:24:05.100 --> 02:24:15.570

Cooper City Virtual Meeting: unique unique position one through 11 in associated current salary one through 11 add one through 11 together equals a million dollars.

1029

02:24:16.920 --> 02:24:19.680

Cooper City Virtual Meeting: Is that what you're proposing to provide a stroke.

1030

02:24:22.800 --> 02:24:31.110

Cooper City Virtual Meeting: Yes, so, so the question would be if one of those positions doesn't come to work for that year, can you take that money.

1031

02:24:32.550 --> 02:24:46.170

Cooper City Virtual Meeting: And hundred thousand and give it to another employee and that other employments to one, though I think the I think I think the intent of what you're trying to do here is to make sure that that if there's if there are extra money is out there, that they are not going.

1032

02:24:48.540 --> 02:24:57.570

Cooper City Virtual Meeting: That they're not going to fund something like that I want to budget by position, I want to say the snow removal person, I do not want to spend more than \$85,000 in the snow not.

1033

02:24:57.960 --> 02:25:09.270

Cooper City Virtual Meeting: We budgeted for capital projects person which we've done for three years for two years it hasn't been filled and that money goes into the aggregate amount of salaries and so what you're saying is the aggregate amount of salaries and.

1034

02:25:10.260 --> 02:25:19.920

Cooper City Virtual Meeting: That it's yours to hear what you're suggesting is that it's up to Joe then to adjust salaries to meet that aggregate know I want to budget by position I don't want to understand.

1035

02:25:20.550 --> 02:25:29.250

Cooper City Virtual Meeting: Anyone that authority to take money from something we thought we were budgeted for in us like though I don't want to do that either that's on Oh well, it was.

1036

02:25:29.730 --> 02:25:39.630

Cooper City Virtual Meeting: And I want to, I want to prevent that so I want to budget by position, so we say no more than \$100,000 can be spent on the snow removal person than than any.

1037

02:25:40.170 --> 02:25:46.590

Cooper City Virtual Meeting: additional money that unless come before us to do that, I mean we it's our budget, I want to budget by position not.

1038

02:25:47.430 --> 02:25:55.950

Cooper City Virtual Meeting: A little asterisk of how we got to the numbers I want a budget by position, so any money going over to that position above what we authorize must come before us.

1039

02:25:56.340 --> 02:26:09.780

Cooper City Virtual Meeting: I don't see anything wrong with these emerging a payroll register into the budget oh it's fairly easy to do it's basically someone's like you, but I want to budget by position so, is it going to be presented in a manner, where we can budget by position.

1040

02:26:13.710 --> 02:26:22.470

Cooper City Virtual Meeting: I think we know I know the answer that direction yeah I know I did, I want to make sure there's no misunderstanding, so we can fly to the meeting them, sir.

1041

02:26:23.490 --> 02:26:30.060

Cooper City Virtual Meeting: Can we give that direction, you can request the manager, to provide you with the information that you're asking for, if he can produce it, he will.

1042

02:26:30.360 --> 02:26:41.490

Cooper City Virtual Meeting: And i'm sure that he'll look into every option, they can to produce the information you're asking about my ask my question is Joe do you are you do you plan on presenting it to us in the format, where I can budget by position.

1043

02:26:43.050 --> 02:26:49.530

Cooper City Virtual Meeting: that's that's the question Oh, and when I think we're saying the same thing when we are going to provide is a list of.

1044

02:26:49.950 --> 02:26:58.590

Cooper City Virtual Meeting: positions that make up that salary, so you will know, you will see each position what their salary and benefits are.

1045

02:26:59.190 --> 02:27:09.150

Cooper City Virtual Meeting: For each position that's now it's not what i'm asking for, I want to cap salaries on certain positions, I want to raise them on other positions, I want to lower one other positions by because I don't think.

1046

02:27:09.900 --> 02:27:19.860

Cooper City Virtual Meeting: i'm not asking what your what your opinion okay i'm asking i'm on a budget by position if I say, I want to spend no more than \$100,000 on position number three.

1047

02:27:20.280 --> 02:27:26.640

Cooper City Virtual Meeting: Anything more than that, I want approved by the Commission as being over budget, I want to budget by position.

1048

02:27:27.570 --> 02:27:35.820

Cooper City Virtual Meeting: Many municipalities do that you know they not not like you're saying not like you're saying, but I understand what you're saying we are going to provide you that information.

1049

02:27:36.210 --> 02:27:45.090

Cooper City Virtual Meeting: Now, when when when a position is making say a person leaves and the position is vacant for three months, you are not paying.

1050

02:27:45.420 --> 02:27:57.420

Cooper City Virtual Meeting: That position you're not paying that position, so you for that position, you will have that those savings, but those those monies are not going to go to to supplement something else they do that's what we don't want yeah correct.

1051

02:27:58.440 --> 02:28:01.290

Cooper City Virtual Meeting: And that's why I want to buy it by position I get it so.

1052

02:28:02.460 --> 02:28:03.660

Cooper City Virtual Meeting: But let's let's you.

1053

02:28:05.430 --> 02:28:13.290

Cooper City Virtual Meeting: Know let's say correct, I understand, and you know the position you're talking about is no not going to be in this budget, I know we don't have snow.

1054

02:28:13.680 --> 02:28:20.940

Cooper City Virtual Meeting: No i'm talking to mission you're talking about the that was in the budget that we did not hire anybody for this year, because I didn't think it would it go.

1055

02:28:21.330 --> 02:28:31.140

Cooper City Virtual Meeting: Down approved but anyway, we are removing that position from going to have the budget wasn't exactly that are going to be fake it, that was an example, I want to.

1056

02:28:32.100 --> 02:28:43.530

Cooper City Virtual Meeting: budget by position, I want to say that the snow I want this, if I can get a majority of the Commission to say we're not going to pay the snow removal person, any more than \$85,000 a year I want that to be budgeted.

1057

02:28:46.530 --> 02:28:53.850

Cooper City Virtual Meeting: In the Budget what isn't what the current salaries and benefits that's going cuz I don't know currently in the current that they expected.

1058

02:28:54.780 --> 02:29:05.460

Cooper City Virtual Meeting: In a in a format, but you know, in a format that would not allow more money to be spent without a budget amendment that that's what I want you know what I mean that's the that's the intent not I mean, I have the backup as to.

1059

02:29:06.180 --> 02:29:13.980

Cooper City Virtual Meeting: As to what is or i'm going to have the backup as to how you came up with the numbers that's not important to me, I want a budget by position, so if you're gonna if.

1060

02:29:14.400 --> 02:29:19.710

Cooper City Virtual Meeting: it's not you, I mean you could you know you could get hired, as you know, the you know I don't know.

1061

02:29:20.220 --> 02:29:34.440

Cooper City Virtual Meeting: I think, new york's looking for a governor right, and then we get stuck with the next person, I want to make sure that I budget by position because you made a promise i'll do something and you're living in New York doing whatever and I want to cap things so.

1062

02:29:35.940 --> 02:29:39.660

Cooper City Virtual Meeting: that's what I want to do on a budget by position, I know i'm allowed to do it.

1063

02:29:40.740 --> 02:29:46.770

Cooper City Virtual Meeting: I want to do it, I want to just make sure you're presenting it in that format otherwise it's going to be a long meeting so that's my intent.

1064

02:29:48.600 --> 02:29:53.130

Cooper City Virtual Meeting: And you know it's my time as I told you, as my intent I didn't you know with this isn't new so.

1065

02:29:54.690 --> 02:29:56.190

Cooper City Virtual Meeting: i'm hoping you present it in that manner.

1066

02:30:01.980 --> 02:30:02.700

Cooper City Virtual Meeting: mayor rush.

1067

02:30:04.980 --> 02:30:15.780

Mayor Ross: The only concern I had was already expressed about the inability of my sheriff to complete his contract by not meeting with us, as requested.

1068

02:30:16.080 --> 02:30:29.460

Mayor Ross: I don't know how often I have to continue to say this, or and what different languages, I need to do it, or who have to see, but as a contract city, we need to meet, we need to meet soon.

1069

02:30:31.440 --> 02:30:33.450

Mayor Ross: and often Thank you.

1070

02:30:34.350 --> 02:30:51.270

Cooper City Virtual Meeting: Another thing was you monitor when we went out of their start, I sent an email today asking about that we had we signed the contract, we received their insurance information yesterday, I believe, so I will set up a meeting.

1071

02:30:53.970 --> 02:30:55.200

Cooper City Virtual Meeting: Probably next week.

1072

02:30:56.340 --> 02:31:04.560

Cooper City Virtual Meeting: we're setting up a meeting with a list and automated with the Commissioners and as soon as possible okay it's been signed and we just received their.

1073

02:31:08.310 --> 02:31:10.860

Cooper City Virtual Meeting: You mute him Joe when when.

1074

02:31:12.840 --> 02:31:14.250

Cooper City Virtual Meeting: We met last week we.

1075

02:31:14.550 --> 02:31:23.730

Cooper City Virtual Meeting: had got where I actually I received an email over the weekend regarding the true workshop and that's it, thank you for that, but is that information to provide it to everybody else, and the Commission.

1076

02:31:25.650 --> 02:31:37.350

Cooper City Virtual Meeting: The the pricing data not not yet will make if you would please, thank you, yes Okay, and one last thing I just want to be clear, so we're you know there's.

1077

02:31:38.430 --> 02:31:47.370

Cooper City Virtual Meeting: everyone's on the same page, I intend to put more than \$200,000 aside for restarting a police department.

1078

02:31:48.150 --> 02:31:58.620

Cooper City Virtual Meeting: If the shear forces us to do that, because that that plan is not good enough for me one year is not good enough for me so that's number one i'm going to be very clear with everyone so that you guys come up with alternatives.

1079

02:31:59.190 --> 02:32:06.540

Cooper City Virtual Meeting: And i'm going to try to be very calm next meeting, if, when I you know, whatever and the other thing is, I intend to.

1080

02:32:07.770 --> 02:32:17.220

Cooper City Virtual Meeting: redesign or reorganize departments if staff doesn't come with any any any plans, so I plan on doing that and I plan on doing that, through the budget so.

1081

02:32:18.480 --> 02:32:29.190

Cooper City Virtual Meeting: You know my thing is, I would like to come back with some efficiencies some changes, because every every year at all, he says Oh, we have to budget for it well, this is the time.

1082

02:32:29.730 --> 02:32:37.140

Cooper City Virtual Meeting: I don't plan on leaving the building until you guys forced me out and that could be six in the morning seven in the morning, so.

1083

02:32:38.010 --> 02:32:42.810

Cooper City Virtual Meeting: i'm just want to make sure we get everything figured out because we said we're going to go line by line right.

1084

02:32:43.650 --> 02:32:51.210

Cooper City Virtual Meeting: line by line for we're going to have a balanced budget that does not use fund balance which is against the Charter, although it was done last year.

1085

02:32:51.630 --> 02:32:55.320

Cooper City Virtual Meeting: So I hope everyone comes, we cannot use fund balance.

1086

02:32:55.980 --> 02:33:05.220

Cooper City Virtual Meeting: In my preferred we're bringing you a budget that's going to be balanced, without using fund balance i'm already told you, I want to get a lot of the ways, so no one gets hot when I start screaming next you know next meeting.

1087

02:33:05.640 --> 02:33:09.900

Cooper City Virtual Meeting: line by line balanced budget have the money in there for the police department.

1088

02:33:11.370 --> 02:33:25.200

Cooper City Virtual Meeting: and, hopefully, in the interim, the share for something that would us and I want a budget by position, so if I want to lower the snowman salary, I want to load a snowman salary because that's the word, you called it, I want to do that no okay.

1089

02:33:26.700 --> 02:33:36.720

Cooper City Virtual Meeting: Thank you okay yeah I had the meeting for the with a bunch of workshop and just imagine the care of that I had the procurement process and we.

1090

02:33:37.290 --> 02:33:49.470

Cooper City Virtual Meeting: took that took care of that so I don't have much, much else left to Commission concerns Thank you mayor Ross for allowing me to sit in your chair great on there a huge chair.

1091

02:33:50.940 --> 02:33:53.640

Mayor Ross: don't don't get too big chair.

1092

02:33:53.940 --> 02:33:55.170

Cooper City Virtual Meeting: Mine is much smaller.

1093

02:33:56.430 --> 02:33:56.760

Cooper City Virtual Meeting: But you.

1094

02:33:58.140 --> 02:34:01.590

Mayor Ross: know if you can record record give me a new chair, I appreciate it, thank you.

1095

02:34:02.580 --> 02:34:05.730

Cooper City Virtual Meeting: Thank you, thank you, my fellow Commissioners.

1096

02:34:07.170 --> 02:34:08.040

Mayor Ross: Mr Gordon.

1097

02:34:08.790 --> 02:34:09.900

Cooper City Virtual Meeting: honors indexing you.

1098

02:34:09.960 --> 02:34:11.610

Cooper City Virtual Meeting: Thank you for the privilege and honor of being a.

1099

02:34:12.510 --> 02:34:13.200

Mayor Ross: Two minute report.

1100

02:34:13.980 --> 02:34:15.960

Cooper City Virtual Meeting: back very much for the opportunity.

1101

02:34:16.140 --> 02:34:17.340

Mayor Ross: You minute Roberto Max.

1102

02:34:18.660 --> 02:34:21.690

Cooper City Virtual Meeting: And and yeah I know I got I got it I got him.

1103

02:34:21.900 --> 02:34:23.190

Cooper City Virtual Meeting: Like okay I got it here.

1104

02:34:23.730 --> 02:34:24.750

Cooper City Virtual Meeting: don't worry I didn't forget.

1105

02:34:26.520 --> 02:34:27.450

Cooper City Virtual Meeting: Right now, I did not.

1106

02:34:27.480 --> 02:34:29.460

Mayor Ross: Take actually I know what I say, also.

1107

02:34:30.390 --> 02:34:36.660

Cooper City Virtual Meeting: I didn't I forget and okay i'm gonna finish mine you interrupt me, even when i'm the Chair.

1108

02:34:38.070 --> 02:34:40.050

Cooper City Virtual Meeting: Okay, thanks so.

1109

02:34:41.190 --> 02:34:42.630

that's it next.

1110

02:34:44.400 --> 02:34:45.030

Cooper City Virtual Meeting: Mr know.

1111

02:34:52.740 --> 02:35:00.480

Cooper City Virtual Meeting: David Cooper city library David Cooper city Chamber of Commerce David Cooper city police and fire.

1112

02:35:02.040 --> 02:35:02.460

Cooper City Virtual Meeting: Oh.

1113

02:35:04.470 --> 02:35:10.530

Cooper City Virtual Meeting: doesn't matter, it could be regional it could be Southwest ranches Davey Cooper city, maybe Western.

1114

02:35:12.090 --> 02:35:29.250

Cooper City Virtual Meeting: I don't know why we keep fighting with be so I really don't I mean it's been going on for years, the boots on the ground from the captain of fire chiefs down there great, but the brass thinks i've said it, I don't know why we keep screwing around with it, but we got to do something.

1115

02:35:31.350 --> 02:35:38.580

Cooper City Virtual Meeting: You know i've always talked about fairness and i've harped on this tax exempt of the.

1116

02:35:39.630 --> 02:35:44.640

Cooper City Virtual Meeting: nonprofit's and hopefully on the 13th I don't have to come with corey bush's.

1117

02:35:45.750 --> 02:35:46.980

Cooper City Virtual Meeting: Security detail.

1118

02:35:48.570 --> 02:36:09.900

Cooper City Virtual Meeting: We good okay that's a joke Bob no but seriously I think if you guys really need to look at this objective Lee and possibly have a report of how many fire calls that were done or responded to nonprofits.

1119

02:36:11.340 --> 02:36:25.020

Cooper City Virtual Meeting: Houses of worship have that that data how the actual data, so you can make an intelligent decision so i'm just throwing out numbers, so if you have a houses of worship.

1120

02:36:25.650 --> 02:36:31.920

Cooper City Virtual Meeting: And that have less than a 3% response rate compared to everybody else are we really going to.

1121

02:36:32.910 --> 02:36:41.580

Cooper City Virtual Meeting: deal with that no but let's say you have the other nonprofits and they might have a 13% response rate compared to everyone else.

1122

02:36:42.120 --> 02:36:52.020

Cooper City Virtual Meeting: Well, why okay why give me 100% maybe get maybe 5% Whatever the case may be, I think you guys need to have some reporting financial data.

1123

02:36:52.740 --> 02:37:05.850

Cooper City Virtual Meeting: That you can actually analyze and I get decision that's it let's just be fair to not only the nonprofits in house of worship, but also be fair to the taxpayers, thank you.

1124

02:37:15.420 --> 02:37:16.260

Cooper City Virtual Meeting: Thank you for all.

1125

02:37:22.290 --> 02:37:23.550

Cooper City Virtual Meeting: your Highness, how are you.

1126

02:37:24.720 --> 02:37:40.740

Cooper City Virtual Meeting: Three things number one about the current deal with these points five points three points three points, I believe, is completely ridiculous for somebody who deals with it on a

weekly basis was sending bijan knowing my product is better, my services are better and then I lose a deal because.

1127

02:37:41.760 --> 02:37:54.000

Cooper City Virtual Meeting: Price obviously I think we have enough expertise in our city that can sit down and look at these bids and decides what's best for them for the city, not the cheapest, not the most expensive what's the best.

1128

02:37:54.540 --> 02:38:01.830

Cooper City Virtual Meeting: do a little more due diligence and find out what these companies are and who they are in the product they're they're presenting to us number one number two.

1129

02:38:03.390 --> 02:38:04.140

Cooper City Virtual Meeting: As far as.

1130

02:38:05.310 --> 02:38:11.250

Cooper City Virtual Meeting: you're not be able to get an audience in front of the Sheriff I it's completely ridiculous, I mean if I had 15 customers.

1131

02:38:12.090 --> 02:38:21.030

Cooper City Virtual Meeting: That pay me 15 \$20 million a year and I couldn't sit down and talk to them or do or I wouldn't go talk to them that's completely ridiculous.

1132

02:38:21.780 --> 02:38:31.830

Cooper City Virtual Meeting: Is there a lawsuit can is or low can we present a lawsuit assume and try to meet with them, I don't know I saw my my job, but somehow some way we got to talk to them.

1133

02:38:33.630 --> 02:38:37.290

Cooper City Virtual Meeting: And what else was my third common one, to make think that was about it.

1134

02:38:38.970 --> 02:38:49.140

Cooper City Virtual Meeting: So, as far as the Sheriff is concerned, as far as the captors considering doing a great job in the city cleaning up the properties in the back in the apartments over off of 98th.

1135

02:38:50.610 --> 02:39:05.400

Cooper City Virtual Meeting: I drive there every day and there's no trash ever out there anymore she's done a terrific job and police in that area and i'm very pleased, thank you very much, I wish Captain Giovanni would consider employment with us, but no.

1136

02:39:08.130 --> 02:39:11.400

Cooper City Virtual Meeting: new chief so of course he.

1137

02:39:17.880 --> 02:39:22.440

Cooper City Virtual Meeting: And Mr Bob sands or Reverend Bob sense.

1138

02:39:27.150 --> 02:39:33.000

Cooper City Virtual Meeting: i'm just curious about one thing and I I understand how much of this stuff has to be done in public, but.

1139

02:39:34.710 --> 02:39:39.150

Cooper City Virtual Meeting: what was going on between you, Commissioners router in the city manager this.

1140

02:39:39.960 --> 02:39:50.250

Cooper City Virtual Meeting: i'm trying to does anybody like and again, this is not a shot, but do you guys ever get together and like talk to one another because to me it seems like that.

1141

02:39:50.640 --> 02:39:53.460

Cooper City Virtual Meeting: This should be something that maybe the city manager should have said.

1142

02:39:53.910 --> 02:39:59.850

Cooper City Virtual Meeting: or vice versa, Commissioners router let's talk about this, you know this week i'm not quite understanding this but we're.

1143

02:40:00.060 --> 02:40:11.010

Cooper City Virtual Meeting: we're going back and forth, and I know some things have to be done publicly, but my understanding is that's not a violation of any sunshine, is it to our attorney if one Commissioner talks to the to the.

1144

02:40:12.240 --> 02:40:25.500

Cooper City Virtual Meeting: Minister sands i've told the manager both publicly and privately, then I want to budget by position, so I can reduce or increase Okay, so that so so, then I think I think it stopped going to stop the clock.

1145

02:40:26.250 --> 02:40:34.470

Cooper City Virtual Meeting: The clock oh good, I want to get a little more time, I think I think we wanted to make sure that I think i'm not speaking for your actions, because for you.

1146

02:40:35.940 --> 02:40:45.300

Cooper City Virtual Meeting: That it gets done that's why you brought it up and public we want to make sure right now and next meeting with the product meets his expectation right I.

1147

02:40:46.020 --> 02:40:57.300

Cooper City Virtual Meeting: know I know I know, and I understand that i'm just wondering why it's it's not getting done like I understand I understand I can't bet that's not going to get done now that.

1148

02:40:58.140 --> 02:41:04.830

Cooper City Virtual Meeting: I was feeling welcome okay all right, because I know you guys do a gender review meetings and all that kind of assumption is that welcome.

1149

02:41:05.610 --> 02:41:17.550

Cooper City Virtual Meeting: Okay, I just was I was curious because I would think there would be other meetings that would go on and other contexts to get some of this stuff settled, so I just was curious if people aren't.

1150

02:41:18.030 --> 02:41:28.050

Cooper City Virtual Meeting: Talking or because I mean it's it's a little bit of a concern, because I have to talk to to my staff and and talk to my board and.

1151

02:41:28.590 --> 02:41:41.130

Cooper City Virtual Meeting: All the time and so when they asked me for something I do it and that's it so i'm just curious so, so we will hear about this next meeting, like Is that correct bring a sleeping bag next meeting.

1152

02:41:42.720 --> 02:41:45.270

Cooper City Virtual Meeting: Well, I think you guys did that, before we have to order pizza all right, thank you.

1153

02:41:50.160 --> 02:41:51.000

Cooper City Virtual Meeting: As far as.

1154

02:41:52.080 --> 02:42:04.290

Cooper City Virtual Meeting: permissions was mentioning about positions, if we have a position that was filled today \$90,000 and that in that position, whether they quit or got fired.

1155

02:42:05.160 --> 02:42:15.630

Cooper City Virtual Meeting: That position now is a \$90,000 job right not \$120,000 job I don't want to be able to use that savings from that 90,000 to make another position, but that one with that position.

1156

02:42:16.740 --> 02:42:29.010

Cooper City Virtual Meeting: is going to be a \$90,000 position not \$120,000 because we're held to the fire, because we have to, we have to fill a position correct that's how I would like it well that's the way should.

1157

02:42:40.890 --> 02:42:44.970

Cooper City Virtual Meeting: Anything else any other comments anybody online, Commissioner, we have mark felt.

1158

02:42:46.770 --> 02:42:47.220

Cooper City Virtual Meeting: Okay.

1159

02:42:49.680 --> 02:42:50.220

Cooper City Virtual Meeting: Go ahead.

1160

02:42:53.220 --> 02:42:53.430

Oh.

1161

02:42:54.810 --> 02:42:56.010

let's determine throat.

1162

02:42:57.120 --> 02:42:59.670

Cooper City Virtual Meeting: Go ahead sorry that's deep.

1163

02:43:00.810 --> 02:43:04.020

1164
