

CITY COMMISSION STAFF REPORT

DEPARTMENT: Commission

DATE: April 9, 2024

SUBJECT: Discussion and possible action to direct the City Manager to send a letter to the Broward County Administrator and CC all County Commissioners encouraging them to place left turn signals at the North/South lights on Stirling Road and SW 106 Ave/Embassy Drive North. – **Commissioner Katzman**

RECOMMENDATION:

Commissioner Katzman requests a discussion and possible action to direct the City Manager to send a letter to the Broward County Administrator and CC all County Commissioners encouraging them to place left turn signals at the North/South lights on Stirling Road and SW 106 Ave/Embassy Drive North.

BACKGROUND OF ITEM:

Commuters heading northbound and southbound on SW 106 Ave/Embassy Drive North at the intersection of Stirling Road have low visibility due to cars blocking the line of sight in the left turn lanes. This often leads to confusion and traffic incidents. The short light cycle leads many drivers to hurry and turn or speed up if going straight.
