CITY MANAGER RECOMMENDATION:

The City Manager recommends the Commission approve the piggybacking of City of Weston Contract RFP No. 2024-15 for comprehensive landscaping services, awarded to Brightview Landscape Services, Inc., Green Dreams Paradise Corporation, and Juniper Landscaping of Florida, LLC, in an amount equal to the approved budget for each fiscal year of the contract term.

BACKGROUND OF ITEM:

On October 22, 2024, the commission approved a Landscape Master Plan and Design Guidelines for city beautification. Chen Moore and Associates (CMA) created the Landscape Master Plan and Design Guideline Manual. These documents serve as a branding and specifications package that supplements City Code and Ordinances to define elements and establish a cohesive theme throughout the City's public spaces.

The Design Guideline Manual was created after a thorough Master Plan process, which identified and categorized the City's public spaces for future improvements as funding becomes available. The Manual functions as a guide for designing new or redeveloped public spaces within the City, offering a framework for Planning staff, the Planning Commission, and design professionals. One of the key areas highlighted in the Manual is landscaping using a native landscape palette.

The administrative team identified seven (7) areas in the city to start the beautification process. Those areas are:

1. Median at 90th and Stirling Road
2. Bill Lips Park common area
3. Medians on Pine Island Road between Griffin Road and Stirling St
4. The swale on the west side of the Pine Island Road between Griffin Road and Stirling Road
5. Medians on Griffin Road between Pine Island Road and Flamingo Road.
6. Entrance into Pool and Tennis Center

7. Medians on Flamingo Road from Sheridan St to Griffin Road

Plants being used include Podocarpus, Oyster Plants, Dwarf Fakahatchee Grass, Bullet Noses, Silver Buttonwoods, Clusias, Cocoplums, Firebush, Jamaican Cappers, Green Island Ficus, and Trinnettes. In addition to the plants, blue granite rocks will be installed on the 90th Ave median, Bill Lips Park in small bumpouts west of the bathrooms, and at Suellen Sports Complex along the fences west of Field 1 and east of the multi-purpose fields leading to the parking lot.

The City of Weston advertised Request for Proposal No. 2024-15 on December 16, 2024, through full and open competition. Proposals were due and opened on January 16, 2025. The City of Weston received proposals from nine (9) firms. These proposals were subsequently reviewed for responsiveness and responsibility. They were also evaluated, scored, and ranked by a Selection Committee. On February 18, 2025, the City Commission determined it was in the best interest to award and approve agreements for Comprehensive Landscape Maintenance Services for Bonaventure Development District (BDD) to UG2, LLC; ITDD Area I to Green Dreams Paradise Corporation; and ITDD Area II to Juniper Landscaping of Florida, LLC. The term of each agreement started on the date of execution and will expire on May 30, 2028. Each contract includes two (2) options to renew for three (3) years, which can be exercised by mutual consent before the current term ends.
