CONDITIONAL USE APPLICATION

ATTENTION: Prior to submission of application, the Petitioner &/or Owner must schedule a pre-submittal meeting with the Community Development Staff to review the proposed project, the submittal and processing requirements. The submittal dates for DRC and P&Z Board can be found on the City's website at: www.coopercity.gov. ALL ADVERTISING AND RECORDING FEES WILL BE THE RESPONSIBILITY OF THE APPLICANT.

FOR STAFF ONLY:

PETITION #: CU 3-1-25

DATE PETITION FILED:

03/04/2025

Date of Pre-Submittal Meeting: 10/02/2024

INSTRUCTIONS TO APPLICANT:

1. Please complete all requested information on this application. If not applicable, indicate with N/A.
2. A completed Notarized General Application must accompany this application.
3. Make Checks payable to the City of Cooper City per the current Fee Schedule.

I. CONDITIONAL USE REQUEST

Pursuant to Section 23-152 of the Cooper City Municipal Code of Ordinances

Provide a brief description of proposed use(s) including density/intensity and summary of request and attach additional sheet(s) as necessary:

Maintain existing use of 2 story 58,485 SF church building with preschool, 2 story 7,874 SF multi purpose building for school use, 2 story 14,018 sf elementary school, 2 story 7992 sf pre-school building and remove existing 1410 sf middle school portable. expand school with 3 new portable buildings consisting of one 1 story 4352 sf middle school portable, and two 1 story 4352 sf high school portable each for a total of 13056 sf new portables

II. ADJACENT PROPERTIES

Adjacent Property	Land Use Plan Designation	Zoning Designation	Existing Use(s) of Property
NORTH	COMMUNITY FACILITY	CF (I-1)	NEW HORIZON UNITED METHODIST CHURCH INC
SOUTH	ESTATE	E-1* (*COUNTY)	COOPER CITY SPORT FIELDS
EAST	COMMERCIAL	B-2, B-3 & C-1	SHOPPING PLAZA
WEST	RURAL RANCES (1DU/2.5AC)	RR	RESIDENTIAL & MUNICIPAL PROPERTY

III. APPROVAL STANDARDS

A conditional use permit shall not be considered an entitlement, and shall be granted by the City Commission only if the Commission finds that all of the following standards are met. The burden of proof in demonstrating that the standards have been met shall be on the applicant. No conditional use permit shall be granted if the Commission finds any one or more of the following standards are not met.

Section 23-152(c) Approval Standards

Please address all of the following standards in order to justify the conditional use permit. (Provide responses on separate sheets and attach to this application).

(1) Nature of use. The nature and characteristics of the proposed use or structure is consistent with the type of use or structure authorized as a conditional use in the zoning district in which located.

(2) Plan compliance. The proposed use conforms to the provisions of the city's comprehensive plan.

(3) Ordinance Compliance. The proposed use complies with all applicable regulations, including any specific standards for the proposed use set forth in this land development code.

(4) Compatibility. The proposed use is compatible with adjacent uses, in terms of use, building height, bulk, scale, setback, open spaces, landscaping, drainage, access and circulation.

(5) Traffic impact. The proposed use does not adversely affect the safety and convenience of vehicular and pedestrian circulation in the area, and will not result in a significant increase in traffic on any local residential street.

(6) Parking adequacy. The proposed use provides adequate and convenient off-street parking and loading facilities, and will not result in overflow parking on adjacent residential streets.

(7) Hazard protection. The proposed use reasonably protects persons and property from erosion, flooding, fire, noise, glare or similar hazards.

VI. COOPER CITY CODE

Sec. 23-152. Conditional Use.

(a) Purpose and intent.

(1) The purpose of the conditional use procedure is to provide for certain uses or structures that cannot be well adjusted to their environment in particular locations, and to offer full protection to surrounding properties by rigid application of the district regulations, and, due to the nature of the use, the importance of the relationship to the comprehensive development plan and the possible impact on neighboring properties, to require the exercise planning judgment on their location and site plan.

**RE: Conditional Use Application Statement
Potential Christian Academy
12401 Stirling Rd.
Cooper City, Fl.**

Request: Conditional Use Approval for Existing Church and School (Preschool through Middle School) and Expansion to Include High School

Dear Planning and Zoning Division:

On behalf of Potential Christian Academy, we respectfully submit this Conditional Use Statement in support of our request to expand our current operations at 12401 Stirling Road to include a high school portables (grades 9–12), alongside our existing church and preschool through middle school uses. The property is currently zoned X-1 for the Church and school areas and zone E-2 (Broward County) for the Northern parking lot area, which permits these uses subject to conditional use approval.

In accordance with the City of Cooper City Land Development Code and Community Development Department review criteria, we provide the following responses to the conditional use standards:

1. **Nature of Use:** The current use includes a functioning church and a private educational facility serving preschool through middle school. The proposed expansion will incorporate high school grades (9–12), continuing the site's purpose as a faith-based community and educational institution. This use remains fully within the intent of the X-1 zoning district, which allows institutional and religious uses by conditional approval.
2. **Plan Compliance:** The proposed expansion is consistent with the City of Cooper City Comprehensive Plan, which encourages the development and continued operation of educational and religious institutions that serve the local community. The use

complements the city's strategic goals of supporting family services, educational excellence, and community development.

3. **Ordinance Compliance**: The use complies with the requirements of the Land Development Code for properties zoned X-1. All proposed structures and site modifications will meet the applicable standards related to setbacks, lot coverage, landscaping, stormwater management, and development review processes.
4. **Compatibility**: The existing church and private school operations, along with the proposed expansion, are compatible with the surrounding land uses. The subject property is located along Stirling Road, a major east-west corridor, and is bordered by a mix of residential and institutional uses. While the site abuts residential zoning districts to the west and northwest, the development is thoughtfully designed to ensure minimal impact on neighboring properties.

The main campus buildings are limited in scale, with a maximum height of two stories, which aligns well with the surrounding built environment. The proposed addition of three single-story portable classroom buildings will further minimize visual intrusion and maintain a low-profile presence. These buildings are located at the rear of the site and are further separated from adjacent residences by an approximately 20-foot-wide parcel of land owned by the Town of Southwest Ranches. This undeveloped parcel functions as a natural buffer, enhancing spatial separation and visual screening.

Additional design elements—such as generous landscape buffers, properly engineered stormwater drainage systems, and thoughtful building placement with code-compliant setbacks—contribute to a harmonious relationship with nearby residential areas. The project's bulk and massing have been carefully considered to avoid overdevelopment, and operational hours remain consistent with typical school and church uses, reducing the likelihood of disruption.

Together, these factors ensure that the church and school continue to serve as community-enhancing institutions, fostering educational, spiritual, and social enrichment while maintaining compatibility with the surrounding neighborhood context.

5. **Traffic impact**: An updated traffic impact study has been provided, evaluating the effects of increased enrollment and school operations related to the high school expansion. We are prepared to implement traffic management strategies such as staggered arrival/dismissal times, on-site circulation enhancements, and coordination with local transportation planning to mitigate potential impacts on the surrounding streets. The additional Trips generated by the increase in student counts computes to about 546 and has been reflected on the submitted traffic study.
6. **Parking adequacy**: The site currently provides on-site and off-site parking for staff, visitors, congregants, and school use. Additionally, loading zone spaces have been expanded to conform to the land development code requirements for this facility. The expansion will comply with all minimum parking requirements as outlined in the zoning code and the revised site plan will demonstrate sufficient capacity, layout, and access to

serve the anticipated high school population and ensure safe and efficient traffic flow. The proposed expansion will not result in overflow parking on adjacent residential streets. The required parking for the entire facility computes to 605 spaces of which there are 611 parking spaces provided; therefore, the project has sufficient parking for the intended use.

7. **Hazard protection.** The proposed use, including the continued operation and expansion of the church and school facilities, provides for reasonable protection of persons and property from natural and man-made hazards. All new construction and facility improvements will fully comply with the most recent edition of the **Florida Building Code**, as well as applicable **life safety and fire protection standards** adopted by the City of Cooper City and Broward County.

Emergency vehicle access will be maintained in accordance with local and regional emergency response requirements, including appropriate access widths, turning radii, and fire lane signage. Site circulation will ensure unobstructed routes for police, fire, and emergency medical services throughout the developed area.

In terms of **flood protection**, all buildings are or will be constructed to meet or exceed the minimum elevation standards established by **FEMA** and the **Florida Building Code, Section 1612**. The site lies within the jurisdiction of the **Central Broward Water Control District (CBWCD)**, and the original drainage system for the property was designed and permitted in accordance with CBWCD criteria. The proposed expansion, including the addition of three portable classroom buildings, will be submitted for review and reapproval through CBWCD to ensure continued compliance with stormwater management and flood risk mitigation requirements.

Regarding **fire protection**, the existing school and church buildings are equipped with fully operational **automatic fire sprinkler systems** and **monitored fire alarm systems** that comply with the Florida Fire Prevention Code and the NFPA (National Fire Protection Association) standards. Any new structures, including portable classrooms, will also be required to comply with applicable fire safety regulations, and permitting will be coordinated with the **Cooper City Building Department** and **Broward County Fire Marshal's Office**.

Additional hazard considerations—including **erosion control, noise, glare, and site lighting**—have been addressed through appropriate design features. These include the use of durable construction materials, properly shielded lighting fixtures to prevent off-site glare, and landscape buffers that mitigate both noise and wind erosion potential.

The church and school also maintain and regularly update **emergency preparedness protocols**, including evacuation plans, lockdown drills, and coordination with local law enforcement and emergency services. These policies are critical for ensuring the safety and welfare of students, staff, and visitors in the event of a natural disaster, fire, or other emergency event.

In summary, the proposed use and expansion will meet or exceed all required hazard protection standards, ensuring a safe and resilient environment for all occupants and surrounding properties.

Thank you for your consideration

Sincerely,
P A architect, Inc.

VI. APPLICANT'S STATEMENT OF JUSTIFICATION

(Attach additional sheets if necessary)

A. Reference relevant purposes, goals, objectives and policies from the City's Comprehensive Plan, which is available online at the City's web site (www.coopercityfl.org).

To provide site plan amendment to allow 3 new portable units as well as remove an existing portable for the purpose of expanding school with high school grade level and providing space for middle school. Please see attached statement of justification with additional information.

B. That the proposed request is in compliance with the City's Code of Ordinances. Please specify if any variances are necessary for approval of the proposed site plan.

At this time, no variances are being requested or are anticipated to be necessary for the approval of the proposed site plan. All proposed improvements will adhere to the dimensional, design, and performance standards required by code. Should any minor adjustments be required during final site plan review or permitting, the applicant is prepared to address those administratively in coordination with City staff.

VII. CONSENT STATEMENT

(Owner to complete if using agent/representative)

I/We, the aforementioned owner(s), do hereby give consent to Philip Aguirre to act on my/our behalf to submit this application, all required material and documents, and attend and represent me/us at all meetings and public hearings pertaining to the request(s) and property I/we own described in the attached application. Furthermore, as owner(s) of the subject property, I/we hereby give consent to the party designated above to agree to all terms or conditions that may arise as part of the approval of this application for the proposed use.

XII. COOPER CITY CODE

Sec. 24-67. SITE PLAN AMENDMENT - SUBMITTAL REQUIREMENTS

(a) Where a site plan has been previously approved by the City Commission and is proposed by the applicant or City to be amended (revised) in any manner, a revised site plan shall be submitted to the City.

(b) The revised site plan submission shall consist of the previously approved site plan signed by the Mayor and a separate drawing showing the desired changes and any other drawings or information as may be required by staff.

(c) The plan will be reviewed by staff and by the Planning & Zoning Board, who shall evaluate the proposed revision, and current development regulations. The Planning & Zoning Board shall then recommend approval, approval with conditions, or denial to the City Commission. The Commission shall issue a revised development order to approve, approve with conditions, or deny the revised site plan by development order.

RE: **Flamingo Road Baptist Church Plat**
Plat Note Amendment

To Whom it May Concern:

Pillar Consultants, Inc. is requesting an amendment to the plat note of the “Flamingo Road Baptist Plat”, as recorded in Plat Book 112, Page 34, of the Official Records of Broward County, Florida. The site is currently developed and the current zoning and land use designation for this parcel will remain. Consequently, the petitioner is requesting to amend the plat note from the existing note which states:

This plat is restricted to 93,046 square feet of church, 15,458 square feet of school, and 6,496 square feet of day care/preschool.

To a new plat note which states:

This plat is restricted to 53,383 square feet of church, 50,286 square feet of school, and 9,121 square feet of day care/preschool.

Thank you for your time and consideration, and should you have any questions or require additional documentation, please do not hesitate to contact me by e-mail at jason@pillarconsultants.com, or by phone at 954-680-6533.

Respectfully Submitted,

Pillar Consultants, Inc.

A handwritten signature in black ink, appearing to read "Jason Wilson".

**AGREEMENT FOR AMENDMENT
OF NOTATION ON PLAT**

This is an Agreement, made and entered into by and between: BROWARD COUNTY, a political subdivision of the state of Florida, hereinafter referred to as "COUNTY,"

AND

Flamingo Road Baptist Church, Inc., its successors and assigns, hereinafter referred to as "DEVELOPER."

WHEREAS, DEVELOPER is the owner of Land as shown on the Flamingo Road Baptist Church Plat, more particularly described in Exhibit "A," which Plat was recorded in Plat Book 112, Page 34, in the Public Records of Broward County on April 13, 1981 (date); and

WHEREAS, DEVELOPER has determined there exists a need for an amendment to the Notation on the face of said Plat; and

WHEREAS, the COUNTY has no objection to amending the notation and the Board of County Commissioners approved such an amendment at its meeting of March 7, 2000 (date);

NOW, THEREFORE, in consideration of the mutual terms, conditions and promises hereinafter set forth, the COUNTY and DEVELOPER agree as follows:

1. The above recitals are true and are incorporated into this Agreement.

2. COUNTY and DEVELOPER hereby agree that the notation shown on the face of the Flamingo Road Baptist Church Plat is hereby amended as follows:

PLEASE CHECK THE APPROPRIATE BOX

☒ Amend the uses on the property

Clarifying and limiting the use of the Flamingo Road Baptist Church Plat property from:

81,000 square feet of church, church related facilities and school.*

to:

This plat is restricted to 93,046 square feet of church, 15,458 square feet of school and 6,496 square feet of day care/preschool.*

If a building permit for a principal building for the additional 34,000 square feet of church use (excluding dry models, sales and construction offices) and first inspection approval are not issued by March 7, 2005, which date is five (5) years from the date of approval of this request by Broward County, then the County's finding of adequacy shall expire and no additional building permits shall be issued until such time as Broward County shall make a subsequent finding that the application satisfies the adequacy requirements set forth within the Broward County Land Development Code. The owner of the property or the agent of the owner shall be responsible for providing evidence to Broward County from the appropriate governmental entity, documenting compliance with this requirement within the above referenced time frame; and/or

If construction of project water lines, sewer lines, drainage, and the rock base for internal roads are not installed by

CAF#233a
7/1/99

If construction of project water lines, sewer lines, drainage, and the rock base or internal roads have not been substantially completed by March 7, 2005, which date is five (5) years from the date of approval of this request by Broward County, then the County's finding of adequacy shall expire and no additional building permits shall be issued until such time as Broward County shall make a subsequent finding that the application satisfies the adequacy requirements set forth within the Broward County Land Development Code. The owner of the property or the agent of the owner shall be responsible for providing evidence to Broward County from the appropriate governmental entity, documenting compliance with this requirement within the above referenced time frame.

☐ **De minimus Exception**

The de minimus exception note is amended to read as follows:

This plat was approved for development under the de minimus exception of Chapter 5, Article IX, of the Broward County Code of Ordinances. Such approval required that a building permit for a principal building be issued on or before the ____ day of _____, _____ (date), which date was three (3) years from the date of approval of the plat by the Broward County Board of County Commissioners. Since no building permit was issued or will be issued by the above date, the County's finding of adequacy of the regional road network expired or will expire. On the ____ day of _____, _____ (date), the Board of County Commissioners made a subsequent finding of adequacy of the regional road network. In the event no building permit is issued by the ____ day of _____, _____ (date), which date (3) years from the date of County's subsequent finding of adequacy of the regional road network, the County's finding of adequacy of the regional road network shall expire and no building permit shall be issued.

☒ **Other change to the notation on the face of the plat**

Any structure within this plat must comply with Section IV D.1.f., Development Review requirements, of the Broward County Land Use Plan, regarding hazards to air navigation.

3. This Agreement shall be recorded in the Public Records of Broward County, Florida, to evidence the agreements and representations of the parties as set forth herein.

4. VENUE: CHOICE OF LAW. Any controversies or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted to the jurisdiction of the State Courts of the Seventeenth Judicial Circuit of Broward County, Florida, the venue sits, and shall be governed by the laws of the State of Florida.

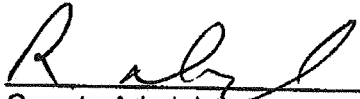

5. All other notations on the face of the above referenced plat not amended by this Agreement shall remain in full force and effect.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the COUNTY and DEVELOPER have made and executed this Agreement on the respective dates under each signature: BROWARD COUNTY through its Board of County Commissioners, acting by and through its Chair or Vice Chair, authorized to execute same; and Flamingo Road Baptist Church, Inc., acting by and through its VICE President, duly authorized to execute same.

Subject: RE: Potential Christian Academy - Plat Note Amendment

God afternoon Whitney,

The school note restriction is per square footage; however, the student capacity needs to be included in the Site plan and the narrative. The attached proposed note restriction language looks okay.

Sincerely,

Adrien Osias Jr., Senior Planner

Resilient Environment Department
