

## CITY COMMISSION STAFF REPORT

**DEPARTMENT:** Administration

**DATE:** December 9, 2025

**SUBJECT:** Cooper City Optimist - Insurance

**CITY MANAGER RECOMMENDATION:**

The City Manager recommends a \$10,000 one-time allocation for insurance coverage.

**BACKGROUND OF ITEM:**

The Cooper City Optimist informed the City that they recently updated the Club's insurance policies to include the new requirements outlined in the Facility Use Agreement.

The previous policies cost approximately \$55,000. The updated policies are estimated at \$65,500, with the \$10,500 increase mainly due to the coverages required under the Facility Use Agreement.

The Club respectfully requests the City's help in covering this insurance by contributing the \$10,500 difference in premium costs.

The Club has absorbed rising expenses related to background checks and general operating costs over the past 1-2 years. The Club previously received an annual contribution of \$30,000 from the City to help offset operating expenses. That support ended several years ago, resulting in all cost increases being passed directly to the participants.
