### FINANCIAL MATTERS – PUBLIC HEARINGS | *Fiscal Year 2024/2025 Budget and Taxes*

#### **1. Resolution 24-31 (Finance)**

City Attorney Horowitz “A RESOLUTION OF THE CITY OF COOPER CITY, FLORIDA, RELATING TO THE PROVISION OF FIRE SERVICES, FACILITIES AND PROGRAMS IN THE CITY OF COOPER CITY, FLORIDA; ESTABLISHING THE RATE OF ASSESSMENT; IMPOSING FIRE ASSESSMENTS AGAINST ASSESSED PROPERTY LOCATED WITHIN THE CITY OF COOPER CITY; APPROVING THE ASSESSMENT ROLL; PROVIDING FOR SEVERABILITY; PROVIDING FOR CONFLICT; AND PROVIDING FOR AN EFFECTIVE DATE” by title.

Commissioner Green wants to confirm this does not have any financial impact on tax exempt, nonprofit organizations. City Attorney Horowitz answered it does not.

Commissioner Katzman asked CFO Irwin Williams to explain why the increase is being proposed. CFO Williams explained the costs are being raised to 100% to cover the cost of the fire department. In the past the money has come from the general fund to fund the additional costs. Commissioner Katzman said the purpose is to ensure that anyone using the fire services, including nonresidents and business owners would be paying their fair share versus the residents’ solely taking on the costs. CFO Williams confirmed the cost will now be spread to all users.

Mayor Ross opened the public hearing.

Ana Harding asked where a fire station is being built.

Mayor Ross clarified the current station is being rebuilt or repaired.

Mayor Ross closed the public hearing.

**MOTION:** Commissioner Shrouder moved to approve Resolution 24-31. Commissioner Green seconded the motion which prevailed by the following roll call vote. (4-1)

City Attorney Horowitz advised the tentative millage rate of 5.865 for general fund budget purposes for the upcoming fiscal year represents a 7.34% increase over the rollback rate of 5.4637 mills and it is statutorily required that the rollback rate and percentage be read into the record.

Mayor Ross asked the 5.865 compared to last year. CFO Williams answered it is the same rate as last year.

Commissioner Shrouder moved to approve a millage rate of 5.855.

Commissioner Green seconded the motion.

Commissioner Green asked CFO Williams if he is okay with a rate of 5.855. CFO Williams answered yes.

Commissioner Mallozzi does not want to piecemeal items when they have a Parks and Recreation Master Plan that will determine what needs to be done.

Commissioner Katzman said he is simply allocating funds to be used when the feedback is received from the study.

Commissioner Mallozzi said the budget can be adjusted at any time.

Mayor Ross said he would like the park renovations to include handicap accessible equipment. He wants the meeting tonight to be forwarded to the planners for the Parks and Recreation Plan.

WEBVTT

1

00:00:04.970 --> 00:00:06.320

Good afternoon, ladies.

2

00:00:06.590 --> 00:00:08.180

Welcome to the

3

00:00:08.640 --> 00:00:10.839

the 1st public budget here.

4

00:00:11.190 --> 00:00:12.700

September 12.th

5

00:00:14.620 --> 00:00:15.890

Between.

6

00:00:18.470 --> 00:00:29.020

Cooper City Hall: Pledge allegiance to the flag of the United States of America, to the republic for which it stands. One nation, under God, indivisible with liberty and justice for all.

7

00:00:30.320 --> 00:00:34.439

Cooper City Hall: Thank you. You did it very well.

8

00:00:38.110 --> 00:00:52.349

Cooper City Hall: May I please have a roll call? Commissioner Melosi, Commissioner Katzman here, Commissioner Schroeder, here, Commissioner green here, Mayor Ross and I am here. We've got 3 people signed up for public comments. Common Mirror.

9

00:01:06.110 --> 00:01:07.350

Cooper City Hall: Good evening.

10

00:01:07.890 --> 00:01:10.979

Cooper City Hall: Mayor, commissioners, and city staff.

11

00:01:11.420 --> 00:01:15.370

Cooper City Hall: My name is Carmen Muir. I reside at 1 1, 3, 1 5 Lake Shore Drive

12

00:01:15.440 --> 00:01:23.200

Cooper City Hall: in Cooper City. It's a privilege to represent Cooper City and our Cooper City pickleball group that's here in the community today.

13

00:01:23.506 --> 00:01:52.810

Cooper City Hall: On their behalf. I've come today to discuss the budget that is proposed for and up for approval, coming up with. I believe that when I was here in June, June, or July it was a hundred \$1,000 going towards it. So with that, our call to action has been and will continue to be. We need to expand our pickleball community and our court. Specifically, we're really looking forward to and thank you very much for resurfacing the courts, and where we are today. Hopefully, in the next week we'll be able to get out there and play again and look at the reopening.

14

00:01:52.810 --> 00:02:15.530

Cooper City Hall: So looking over the past 5 or 6 years. Well, 7. But over the past 5 more. So I you know most of us have met at one time or another with our city managers or interim public work directors, and we came up with many different places in the city that perhaps we need to consider if we haven't already, and I'm sure and we're really excited looking forward to the master plan that's going to come in.

15

00:02:15.610 --> 00:02:41.509

Cooper City Hall: and we'll be part of that focus group, participate, and hopefully encourage the community to have a voice and an opinion to express. But we looked at available land, which we know is limited. So part of what we talked about was the mixed use of basketball looking at the tennis courts at Forest Lake, knowing that they're not lit at night. We looked at the open field by Pine Island, next to Montero, which was at one time slotted to be

16

00:02:41.840 --> 00:03:03.570

Cooper City Hall: city center, perhaps for lack of a better word. We've looked at the tennis courts by the elementary, by pioneer middle School, which we know they're really close to the homes, but now we do have what's called Hush and AI, which is a new paddle and new ball system, which is really very low on decibels. So it's something maybe to still consider. We've looked at the Florida Power light Eastmans by Embassy Lakes.

17

00:03:03.600 --> 00:03:07.790

Cooper City Hall: We've looked at the land behind countryside shops which became the Dog Park.

18

00:03:07.800 --> 00:03:26.470

Cooper City Hall: and as well as Brian Piccolo. So it's not for lack of trying. And I really do appreciate that. So when we look at the \$100,000 or the budget that's going to be proposed for the next year or approved? Is we like to see that go straight towards how can we enhance getting additional expansions of our courts. That's our number one priority.

19

00:03:26.470 --> 00:03:44.039

Cooper City Hall: And so that being said, I want to thank you for the time, I really appreciate it. I know you're all probably thinking. There she is again, and we do appreciate you listening to us and our needs. Thank you. I thank you. And I just spoke to Jacob and said it wouldn't be the same without you, so thank you very much for showing up. Thank you.

20

00:03:48.760 --> 00:03:50.690

Cooper City Hall: Juan Lorenzo.

21

00:03:57.090 --> 00:03:58.449

Cooper City Hall: Hi, good afternoon.

22

00:03:58.590 --> 00:04:04.470

Cooper City Hall: I'm I just got word that you guys are having this meeting today. So I wanted to come over

23

00:04:04.520 --> 00:04:08.159

Cooper City Hall: yeah, with regards and speak to regards to

24

00:04:08.725 --> 00:04:13.299

Cooper City Hall: them people dropping off their kids in front of my house

25

00:04:13.520 --> 00:04:15.980

Cooper City Hall: over and country address and core.

26

00:04:16.079 --> 00:04:28.549

Cooper City Hall: Actually, they're doing it in 2 areas, one over by the bridge that goes into Pioneer, and the other one is over by the high school. I mean, it's gotten real bad all right now in the past

27

00:04:28.720 --> 00:04:29.495

Cooper City Hall: the

28

00:04:30.380 --> 00:04:34.540

Cooper City Hall: The sheriff's office has come out, and they had a big sign out there for 2 weeks.

29

00:04:34.680 --> 00:04:40.400

Cooper City Hall: Well, the same people come out and drop the cars their kids off every day for the last 2 weeks.

30

00:04:41.010 --> 00:04:54.180

Cooper City Hall: Nobody got a ticket now, if they got mailed a ticket I don't know what happened, because they still they still drop the kids off all right, and I live just 2 doors down. My son is in Law enforcement city of Hollywood.

31

00:04:54.260 --> 00:04:56.870

Cooper City Hall: and it's a joke, and you can hear them laugh.

32

00:04:57.040 --> 00:05:09.749

Cooper City Hall: So all I'm asking for is we need some help over there. Now. I'm really speaking for about 5 residents in that immediate area who some of them are still working. The other ones just didn't want to come, because

33

00:05:10.210 --> 00:05:12.559

Cooper City Hall: so I somebody had to come.

34

00:05:12.830 --> 00:05:19.890

Cooper City Hall: and we just need somebody to come over and give some tickets out, and if they do it this time of the year, last time they did it in April.

35

00:05:19.920 --> 00:05:22.590

Cooper City Hall: Well, it's the end of the school year, all right.

36

00:05:23.030 --> 00:05:35.570

Cooper City Hall: So you're still gonna get a couple of cars. But if they do it now, and I do realize that every year there's new 7th graders or 6th graders, whatever it's been so long since my kids have been in school, I don't know.

37

00:05:35.830 --> 00:05:49.330

Cooper City Hall: And so the same problem is gonna happen every year. I realize that I've been living there for almost 30 years. All I'm asking for. So I'm gonna come over. Just give some tickets out. They give some tickets out, and the word gets around, it always ends.

38

00:05:49.460 --> 00:05:50.220

Cooper City Hall: Aye.

39

00:05:50.410 --> 00:05:55.059

Cooper City Hall: that's really all I have to say. But down by the High School. Also, you know, it's

40

00:05:55.320 --> 00:06:05.039

Cooper City Hall: Anna here, Baker. Today. She took pictures of 6 cars parked over there. Sometimes they can't even get out of their driveway.

41

00:06:05.180 --> 00:06:12.019

Cooper City Hall: All right, that's not fair. We've all been here for like almost 30 years. It's getting kind of crazy. Now I do understand that some of these

42

00:06:12.310 --> 00:06:16.400

Cooper City Hall: parents are dropping their kids off because the line is long. They live in Montero.

43

00:06:16.630 --> 00:06:22.120

Cooper City Hall: hey? I had to do it all right. Get up 15 min earlier and drop your kids off. Get in line, all right.

44

00:06:22.170 --> 00:06:35.499

Cooper City Hall: So that's really all I really have to say. Thank you, Mr. Lorenzo. I'll ask you if you would just speak with the captain in the back, and I'm sure he'll be interested in your address, and he'll absolutely pay attention to this. All right. Thank you. Thank you very much.

45

00:06:37.760 --> 00:06:39.529

Cooper City Hall: Last we have Anna Harding.

46

00:06:44.540 --> 00:06:58.100

Cooper City Hall: Good evening. I'm here for the same reason. And I we just wanted to know, because it is a problem like he was saying for me, because I'm right by where. And I have a a video.

47

00:06:58.240 --> 00:07:02.619

Cooper City Hall: I was just today going out. And this is every day Monday through Friday.

48

00:07:03.980 --> 00:07:05.120

Cooper City Hall: So

49

00:07:06.390 --> 00:07:08.419

Cooper City Hall: what can

50

00:07:08.510 --> 00:07:24.480

Cooper City Hall: the city do? I will. I will ask you once again to speak to the captain. He will work with you. Okay? Cause you know I do pay a lot of taxes for my home, and you guys are. But they're here to raise them again. And we've been having this problem forever.

51

00:07:24.650 --> 00:07:30.969

Cooper City Hall: So I'm hoping that by coming here today, hopefully, something can be done because

52

00:07:33.550 --> 00:07:36.100

Cooper City Hall: I have. I have. I have

53

00:07:36.480 --> 00:08:04.149

Cooper City Hall: Commissioner Schroeder, and just because I spent the last night looking at the tickets and going back and forth with the captain, but we we recently increased the price from \$25 to \$100. That's good, and they do go out there and record the cars and mail them tickets. Oh, I got 6 recorded today at 2 47. So I mean, I just want you to pay attention when they're gonna come in here screaming at us for their \$100 ticket.

54

00:08:04.433 --> 00:08:16.319

Cooper City Hall: So it's it's in the process. They're ordering new ticket books because the price change. And there's some stuff. But I can assure you I went through a lot of tickets last night, and they're issuing them. And in addition to that.

55

00:08:16.330 --> 00:08:17.899

Cooper City Hall: I got stopped

56

00:08:18.150 --> 00:08:43.520

Cooper City Hall: leaving public works the other day. So I know they're going around because I went the wrong way because the school traffic. So I know they're out there. Oh, and I really appreciate everything that our law enforcement do for us if I could just address the concern real quick. I hear the concern. I know it's an issue. It's an issue in many communities throughout the city. Unfortunately, parents are like water it's going to go wherever it can go.

57

00:08:43.559 --> 00:08:49.199

Cooper City Hall: We enforce it weekly. We have issued hundreds of traffic citations tied to schools

58

00:08:49.320 --> 00:09:10.180

Cooper City Hall: on the city's new ordinance that was just revised in May, including country address. In fact, on Friday of last week I sat for a good 20 min reviewing body, worn camera on footage of one of my traffic debbies being berated by a resident in this community because he was stopped for violating the very ordinance that there

59

00:09:10.532 --> 00:09:28.940

Cooper City Hall: concerned about, and felt that the ordinance did not apply to him. Because he lives in that community. We do actually go in that community. It's on our regular rotation. We issue citations. We drive through the community. We take video footage of the vehicles that are actually violating it, and then mail citations off by the dozens.

60

00:09:28.940 --> 00:09:49.549

Cooper City Hall: So even if you don't see us stopping a a vehicle, we are still issuing citations. The methodology behind. That is, if I stop a vehicle, it's going to take me 1520 min to process that car.

Meanwhile all the other vehicles leave. So now we're recording them, going back to the office and clerically issuing out dozens of citations at that \$100 fee.

61

00:09:49.950 --> 00:10:02.860

Cooper City Hall: Well, good! Appreciate everything that you're doing for our so hopefully, the new fee will. Hopefully, the new fee will be a deterrent. Oh, yes, I hope so, too, because it's it's been a really problem, for, like the past 1015 years.

62

00:10:03.040 --> 00:10:08.290

Cooper City Hall: I appreciate it. Thank you so much. Thank you very much. Anyone else in City Hall wishing to speak at this time

63

00:10:08.770 --> 00:10:09.830

Cooper City Hall: hearing.

64

00:10:09.940 --> 00:10:13.879

Cooper City Hall: Is that a hand? No hearing? None. Do I have anyone on virtual.

65

00:10:15.120 --> 00:10:17.229

Cooper City Hall: Then we'll go ahead and close public meeting

66

00:10:17.430 --> 00:10:21.719

Cooper City Hall: move on to the financial matters. These are public hearings.

67

00:10:22.450 --> 00:10:23.460

Cooper City Hall: I'm sorry

68

00:10:23.640 --> 00:10:25.880

Cooper City Hall: one popped up. Okay, we'll go back.

69

00:10:32.700 --> 00:10:34.769

Cooper City Hall: The individual on

70

00:10:35.090 --> 00:10:40.080

Cooper City Hall: the virtual, if you would please unmute yourself, identify yourself.

71

00:10:41.180 --> 00:10:42.769

BlockWyre Inc: Hi, my! Can you hear me?

72

00:10:42.950 --> 00:10:43.620

BlockWyre Inc: Yes.

73

00:10:43.960 --> 00:10:49.879

BlockWyre Inc: my name is Catherine Martinez. I reside at 1, 2, 2, 3, 7, Southwest 50th Street in Cooper City.

74

00:10:52.290 --> 00:11:00.550

BlockWyre Inc: I'm actually just a representative with the Volleyball League over at Cooper City. We wanted to. I think

75

00:11:00.690 --> 00:11:04.100

BlockWyre Inc: there are a few members that are there at the meeting now.

76

00:11:04.140 --> 00:11:07.640

BlockWyre Inc: just wanted to speak, but speak up in regards to

77

00:11:08.087 --> 00:11:12.259

BlockWyre Inc: wanting to keep our courts, and hopefully being able to

78

00:11:12.590 --> 00:11:18.750

BlockWyre Inc: look at expanding and creating more courts for us for the beach, sand, volleyball.

79

00:11:19.820 --> 00:11:42.540

BlockWyre Inc: And so I just wanted to bring it to to note here. In this meeting that we are present. We may not always be able to show up at meetings, but we are a growing community. We are a huge network of families, not only adults, but children that play there every summer. We're there on the weekends, and we would like

80

00:11:42.640 --> 00:11:46.610

BlockWyre Inc: to continue that and be able to find whether we can

81

00:11:46.640 --> 00:11:53.450

BlockWyre Inc: expand for more courts, for us and and just the community support overall.

82

00:11:54.130 --> 00:11:57.079

BlockWyre Inc: So I just wanted to bring that to to note here.

83

00:11:58.160 --> 00:11:59.549

Cooper City Hall: Thank you. Appreciate that.

84

00:11:59.860 --> 00:12:00.580

BlockWyre Inc: Thank you.

85

00:12:01.910 --> 00:12:04.689

Cooper City Hall: Anyone else on virtual anyone else in City Hall.

86

00:12:05.180 --> 00:12:29.570

Cooper City Hall: Thank you. We'll go ahead and close public meeting. Move on to the financial matters. Resolution. 2431. Jacob. Thank you. Good evening, Mayor. Commission for the record. The 1st item on the agenda is our fire assessment resolution that's presented in accordance with chapter 197, of the Florida Statutes. It is Resolution 2431. A resolution of the city of Cooper City, Florida, relating to the provision of fire services, facilities, and programs in the city of Cooper City, Florida.

87

00:12:29.570 --> 00:12:54.410

Cooper City Hall: establishing the rate of assessment, imposing fire assessments against assessed property located within the city of Cooper City proving the assessment role, finding for severability, fighting for conflicts and fighting for an effective date on the floor. For your consideration, Mayor Commission, thank you do. I have a motion motion approved by Commissioner Schroeder, second by Commissioner Green. Just one thing, Mayor. I just want to make sure that this does not impact have a financial impact on our

88

00:12:55.284 --> 00:12:57.860

Cooper City Hall: tax exempt non-profit organizations

89

00:12:58.040 --> 00:13:03.450

Cooper City Hall: in the City Commissioner. It does not. This is no change from last year with that regard. Thank you, sir, that's all.

90

00:13:03.630 --> 00:13:04.900

Cooper City Hall: I have nothing further.

91

00:13:05.210 --> 00:13:06.570

Cooper City Hall: Commissioner Cantsman.

92

00:13:06.920 --> 00:13:10.380

Cooper City Hall: Yeah. I just wanna make sure that it's clear.

93

00:13:10.875 --> 00:13:24.020

Cooper City Hall: And I want to ask. Maybe Mr. Williams can address the fact, how what the impact of this increase in the fire assessment means, and why it's being proposed so that the residents can understand.

94

00:13:24.080 --> 00:13:28.670

Cooper City Hall: It's being proposed to raise it from 81% to 100%. Your Michael.

95

00:13:28.810 --> 00:13:29.980

Cooper City Hall: Yes, okay.

96

00:13:30.180 --> 00:13:31.380

Cooper City Hall: to cover

97

00:13:31.610 --> 00:13:35.469

Cooper City Hall: the costs of of the of the fire department.

98

00:13:35.660 --> 00:13:40.850

Cooper City Hall: because in prior years the 90% difference we've had to take out of our

99

00:13:41.010 --> 00:13:44.589

Cooper City Hall: unrestricted general fund to cover those those costs.

100

00:13:44.930 --> 00:13:51.740

Cooper City Hall: The impact on the residents, I think, worked out to. At the most, I think it was \$70 a year per resident.

101

00:13:51.800 --> 00:13:59.739

Cooper City Hall: That was the total impact. And and just to elaborate on that. And please tell me if I'm incorrect here. The purpose is to

102

00:13:59.770 --> 00:14:10.170

Cooper City Hall: ensure that anyone using the fire services, including non residents, business owners, etc, would be paying their fair share versus the residents, taking on

103

00:14:10.540 --> 00:14:15.199

Cooper City Hall: additional costs. That was correct. So it's actually, in a sense, saving.

104

00:14:16.030 --> 00:14:28.849

Cooper City Hall: It's spreading out the pool. It's spreading the burden more on the commercial and taking it off the residential. Yes, because otherwise it's coming out of the residence property taxes and their fires. That's correct because it looks like an increase. And I think people are concerned. And

105

00:14:29.570 --> 00:14:33.980

Cooper City Hall: mentioning that we're increasing the fire assessment. But really

106

00:14:35.180 --> 00:15:00.409

Cooper City Hall: we're in a sense, we're decreasing it for the residents and increasing it for the other users. Yes, and then, and the additional revenues that we'll be getting in will be used towards looking at building the new fire station as part of the if we're doing the fire assessment. The evaluation next year, which will be followed up by the the building of the actual station. Thank you, Commissioner Malosi, thank you.

107

00:15:01.130 --> 00:15:09.980

Cooper City Hall: I have a public hearing. Anyone wishing to speak on this. You had a question on it. You have to. You have to come to the mic same place.

108

00:15:10.160 --> 00:15:10.900

Cooper City Hall: and

109

00:15:11.180 --> 00:15:33.789

Cooper City Hall: I'm sorry it's my 1st meeting. I was just wondering. This is the 1st thing I've heard of. I don't know if it's been on the plans or anything like that, but I was just wondering where the new building for the fire department was going to be located right now. It's going to be in the same place. Oh, okay. The old fire station is extremely old, so you're going to have to renovate it or tear it down and build another. Oh, okay, alright, thank you.

110

00:15:33.990 --> 00:15:34.870

Cooper City Hall: Thank you.

111

00:15:36.000 --> 00:15:37.110

Cooper City Hall: Anyone else.

112

00:15:37.260 --> 00:15:39.440

Cooper City Hall: Close public hearing. Call the vote

113

00:15:40.980 --> 00:15:48.219

Cooper City Hall: Commissioner Melosi. No. Commissioner Katzman. Yes, Commissioner Schroeder. Yes, Commissioner Green. Yes, Mayor Ross. Yes.

114

00:15:48.690 --> 00:16:18.549

Cooper City Hall: Moving on to item number 2, resolution 2432. Jacob. Thank you, Mayor. Commissioners for the record. Items number 2 and 3 are both presented in accordance with chapter 200.65 of the Florida statutes. This is our 1st of 2 public hearings on both the millage and the budget. The 1st item is Resolution 2432. It's a resolution. The City Commission, the city of Cooper City, adopting a tentative millage rate of 5.8 6 5 for the general operating budget purposes for fiscal year 2024, 2025,

115

00:16:18.550 --> 00:16:47.780

Cooper City Hall: providing for the establishment of and setting forth the date, time, and location of public hearing, to formally adopt the 2,02420, 25 millage rate fighting for conflicts providing for severability and providing for an effective date for the record, Mayor and commission. The tentative millage rate of 5.8 6 5 for general fund budget purposes for the upcoming fiscal year represents a 7.3 4% increase over the rollback rate of 5.4 6 3 7 mills. And it's statutorily required that the rollback rate and percentage be read into the record.

116

00:16:47.910 --> 00:16:54.970

Cooper City Hall: It's on the floor for your consideration, Mayor. Thank you. And and for the record, the 5.8 6 5 compared to last year.

117

00:16:56.090 --> 00:16:57.580

Cooper City Hall: it's the same. Thank you.

118

00:16:58.920 --> 00:17:06.220

Cooper City Hall: Do. I have a motion? I'll make a motion to lower the tax rate to 5.8 5 5

119

00:17:06.810 --> 00:17:07.950

Cooper City Hall: a second it

120

00:17:08.280 --> 00:17:10.140

Cooper City Hall: of motion and a second

121

00:17:11.170 --> 00:17:12.440

Cooper City Hall: discussion.

122

00:17:12.490 --> 00:17:15.480

Cooper City Hall: Commissioner Schroeder. I just think it'd be nice to

123

00:17:15.550 --> 00:17:17.640

Cooper City Hall: lower the tax rate

124

00:17:18.293 --> 00:17:20.979

Cooper City Hall: again, for I think it's like the 5th year in a row.

125

00:17:22.450 --> 00:17:23.700

Cooper City Hall: Commissioner Green.

126

00:17:23.720 --> 00:17:30.019

Cooper City Hall: One thing, Mr. Williams, you and I had a discussion earlier. Are you fine? With this recommendation?

127

00:17:30.030 --> 00:17:37.199

Cooper City Hall: Yes, the lowering of the millage by a hundredthth of a mill, will lower the property tax by \$44,000 per year.

128

00:17:38.810 --> 00:17:40.840

Cooper City Hall: Thank you. I have nothing further.

129

00:17:41.930 --> 00:17:43.510

Cooper City Hall: Commissioner Katzman.

130

00:17:43.760 --> 00:17:51.115

Cooper City Hall: Yes, so I for the record. I tried to do that last meeting, and you all shut me down.

131

00:17:53.413 --> 00:18:01.750

Cooper City Hall: apparently you like Ryan better. That's fine. She fits. I just I definitely support lowering the millage.

132

00:18:01.850 --> 00:18:07.550

Cooper City Hall: And I just want to clarify that at the last time when I tried to do it. And you guys

133

00:18:09.160 --> 00:18:15.630

Cooper City Hall: held my arm, twisted my arm and said, We'll fund a playground for \$300,000 that that's still in the

134

00:18:16.490 --> 00:18:28.789

Cooper City Hall: in that budget. Yeah, I think we you. The number you tried to last time was different than the one I just just yeah. This was a \$40,000 decrease. You were going for. Yeah, 400,000.

135

00:18:29.130 --> 00:18:34.010

Cooper City Hall: I was starting a basis of conversation. So

136

00:18:34.070 --> 00:18:51.280

Cooper City Hall: so that was a yes, from the Commission. A consensus. Yes, that we're still funding the playground. You're you're anti playground. No, that was the deal right. No, no, I'm not anti playground I was. I was anti with the proposal that you had put forth at the last Commission meeting. So we're all going to support the \$300,000 for a playground renovation

137

00:18:51.620 --> 00:18:53.260

Cooper City Hall: or increase.

138

00:18:53.370 --> 00:18:58.779

Cooper City Hall: That's a question for Mr. Williams, and is that in the budget.

139

00:19:00.270 --> 00:19:01.340

Cooper City Hall: Michael.

140

00:19:03.590 --> 00:19:06.139

Cooper City Hall: that is not currently in the budget.

141

00:19:06.520 --> 00:19:09.250

Cooper City Hall: because that was directed by the Commission at the last meeting.

142

00:19:09.510 --> 00:19:11.110

Cooper City Hall: I gotta find it.

143

00:19:11.550 --> 00:19:18.089

Cooper City Hall: Yeah, we did. We did say that. Yeah, it was absolutely. I don't think you came to it. It's in the minutes the last budget meeting. Yeah.

144

00:19:18.867 --> 00:19:27.829

Cooper City Hall: Yeah. No. Well, they got it figured out. That's what we said. Find the money 1st meeting.

145

00:19:27.890 --> 00:19:34.660

Cooper City Hall: This is the 1st meeting. We can change whatever we need to change by before the second meeting on the 24, th not a problem.

146

00:19:35.000 --> 00:19:36.970

Cooper City Hall: And and are you through?

147

00:19:37.100 --> 00:19:40.059

Cooper City Hall: Yeah, with that. Okay, Commissioner Maloji commitment.

148

00:19:41.590 --> 00:19:42.820

Cooper City Hall: We have a

149

00:19:43.740 --> 00:19:45.270

Cooper City Hall: recreation.

150

00:19:45.460 --> 00:20:01.980

Cooper City Hall: master Plan coming up. I would like to, and we've been saying that we're going to leave everything for that. So if you're starting to piecemeal things. I don't think that's the right thing to do, while I know that we have a lot of improvement that needs to be done in our parks.

151

00:20:02.300 --> 00:20:06.750

Cooper City Hall: I don't feel comfortable adding a \$300,000 park

152

00:20:07.030 --> 00:20:08.070

Cooper City Hall: to

153

00:20:08.560 --> 00:20:17.429

Cooper City Hall: that. It's renovating, I know, but I don't feel comfortable renovating it when we're working on a master plan. I was just asked this week what dates I'm comfortable with

154

00:20:17.560 --> 00:20:38.230

Cooper City Hall: for talking to various members of our stakeholders in the community in reference to master plans. And now we're going to put 300,000. And if that doesn't fit in with our master plan because we're potentially doing something different in a, in a, in a broad picture. Then I potentially just

155

00:20:38.260 --> 00:20:46.540

Cooper City Hall: renovated something that might not be renovated properly due to the the outlook of the entire community. So

156

00:20:46.810 --> 00:20:56.659

Cooper City Hall: hold off for a couple of months, and then we'll see if it the renovation fits budgeting. I'm asking to budget 300,000 for playground improvements.

157

00:20:56.800 --> 00:21:04.689

Cooper City Hall: Because what's going to happen is we're discussing a a master plan for Parks and Rec. And we don't have funding to do

158

00:21:04.900 --> 00:21:20.909

Cooper City Hall: to enact any of the direction from the Parks and Rec Master Plan. So if we at least have 300,000 allocated, then we can use it right away once we get the feedback, but a budget is fluid and can be changed at any time. So once we have

159

00:21:21.420 --> 00:21:25.070

Cooper City Hall: feedback from all of the stakeholders in the community.

160

00:21:25.080 --> 00:21:28.470

Cooper City Hall: We can reallocate funds at any time

161

00:21:28.950 --> 00:21:34.619

Cooper City Hall: and say we need A, B and C to have this, that and the other.

162

00:21:34.920 --> 00:21:56.930

Cooper City Hall: and fun I mean, I'm all about playgrounds, and you and I will right here and now tell you that if we need \$300,000 to start implementing what our master plan says we need. I will have no problem implementing that, and I will be on the commission. So if Commissioner Schroeder also says that you know you have 3 votes right here.

163

00:21:57.240 --> 00:22:02.210

Cooper City Hall: I was given the 300,000. Now we're not spending it. We're just budgeting it. We gotta work together here

164

00:22:02.390 --> 00:22:10.700

Cooper City Hall: that that is working together. I'll make a motion to change your thing here, Irwin, to make 300,000 from somewhere. Go to the playground.

165

00:22:10.940 --> 00:22:23.430

Cooper City Hall: Do I have a second. You have a motion pending. You have a motion to reduce the military. There's a motion to reduce the millage rates. Got to handle 1 1 motion at a time. Okay.

166

00:22:24.580 --> 00:22:30.019

Cooper City Hall: go ahead and handle the 1st motion. You've said your piece, Commissioner Malosi.

167

00:22:31.770 --> 00:22:32.819

Cooper City Hall: take a vote.

168

00:22:32.910 --> 00:22:35.490

Cooper City Hall: Okay, before we take a vote

169

00:22:36.088 --> 00:22:38.439

Cooper City Hall: I need to indicate

170

00:22:39.230 --> 00:23:03.880

Cooper City Hall: that. I do remember, because when I complimented or accentuated what you had said, and that was, you wanted a renovation of the park, and I believe that I said, but I want it where it's full access to all children meaning for handicap. I want the rubber around there. I want. I want everything that they can utilize as well. And so that's why I know you're gonna utilize a full 300.

171

00:23:04.020 --> 00:23:13.180

Cooper City Hall: I have no difficulty in that motion that Commissioner Schroder just made, which has not been seconded as yet. But I'm looking forward to that. There was a second.

172

00:23:13.350 --> 00:23:16.550

Cooper City Hall: No, no, on our motion next. Yes, but on

173

00:23:16.720 --> 00:23:23.812

Cooper City Hall: his motion, my premature one. Right? So I'm I'm all in favor of that. I I've got no difficulty with that.

174

00:23:24.240 --> 00:23:27.399

Cooper City Hall: I think it's it's long in coming.

175

00:23:28.020 --> 00:23:29.010

Cooper City Hall: and

176

00:23:29.580 --> 00:23:31.180

Cooper City Hall: I might also add.

177

00:23:31.360 --> 00:23:40.480

Cooper City Hall: it's going to be interesting. And I hope, Irwin, I hope that this aspect of the meeting goes directly tonight, if not tomorrow.

178

00:23:40.490 --> 00:23:50.900

Cooper City Hall: to the planners who are doing the Rec. Plan, so that they fully understand that volleyball wants more courts.

179

00:23:51.000 --> 00:23:53.380

Cooper City Hall: Pickleball wants more courts.

180

00:23:53.550 --> 00:24:04.729

Cooper City Hall: and we need a renovation of a new of a park. Now, again, I'm not saying which one, but I know that the renovation should be full.

181

00:24:05.210 --> 00:24:12.489

Cooper City Hall: with full access to all the children here in Cooper City and access again, meaning handicap if you will.

182

00:24:13.000 --> 00:24:21.339

Cooper City Hall: Yeah, what we'll do is, we'll take 300,000 that we have in contingency right now, and move that to cover the 300,000,

183

00:24:21.380 --> 00:24:27.999

Cooper City Hall: transfer the capital improvement fund toward those, or just increase the revenue from fines.

184

00:24:30.720 --> 00:24:47.050

Cooper City Hall: Give out more tickets, cap. Yeah. Tell you how many that's going to be at \$100 a pop. But but and if you're doing that, then I don't think we need your motion, which was a little premature, but at least it brought up the subject. Sure

185

00:24:47.360 --> 00:24:53.610

Cooper City Hall: for this. For fiscal year 20 four's budget we have 200,000 budgeted for

186

00:24:54.510 --> 00:24:55.760

Cooper City Hall: playground

187

00:24:56.080 --> 00:24:57.779

Cooper City Hall: upgrade at

188

00:25:00.600 --> 00:25:03.740

Cooper City Hall: Fartleman, and 200,000 budgeted for

189

00:25:03.860 --> 00:25:25.780

Cooper City Hall: playground replacement at Kozak Park that we could roll those over. We haven't spent anything fantastic. See how simple that is. So we just got you 400,000. We're going to need way more for this parks and rec plan. By the way, you know, to implement it's like the landscaping one. We're not getting it till 2,030.

190

00:25:26.560 --> 00:25:40.500

Cooper City Hall: Let's move on that one for years. We no, no, it's not a give and take. I'm sorry, but hold on, because I'll open it up to public hearing. Commissioner Melosi, did you speak on this?

191

00:25:40.680 --> 00:25:48.780

Cooper City Hall: Yeah, she did. Yes, she did. Okay, good enough. Then it was up to me. I spoke. Now I will open it up for public hearing anyone from the public wishing to speak.

192

00:25:50.010 --> 00:25:51.850

Cooper City Hall: You need to come up to the mic.

193

00:25:52.390 --> 00:26:00.810

Cooper City Hall: Yes, we're talking about a lot of money here on a park, and you have not said which park we just heard, Sue, Inh.

194

00:26:00.810 --> 00:26:22.709

Cooper City Hall: and what was the other one kozak. Well, that's what it's designated to. This is just budgeting. Yeah, budgeting the money. It's then before we would do it, we'd have to go out and find equipment, procure the price of it and everything. So if it's not used like last year, there was 400. Yeah, I understand those parks that they didn't used to. But you're talking about renovating a park.

195

00:26:22.710 --> 00:26:33.842

Cooper City Hall: So if I may, we're doing a so, we're currently doing a parks and Rec master plan meaning we're we're seeking input from the community on what parks need improvement, what

196

00:26:34.190 --> 00:26:39.864

Cooper City Hall: fields, you know? Do we need more of X kind of fields or y or quartz, etc.

197

00:26:40.180 --> 00:27:05.219

Cooper City Hall: So I just want to make my goal here is really to make sure we have some money allocated to make the improvements right away when we get the feedback from the residents. Oh, okay, I see that cause you know what happens otherwise is we wait 2 years, you know, in Cooper City anchor right next to the middle school, with that bridge there. There's a little small park, and I called several times to the Park and recreation, because my little granddaughter, this was like 3 years ago she was 2 years old.

198

00:27:05.440 --> 00:27:19.869

Cooper City Hall: and the rock climbing that they put was very unstate, you know not safety for her, and I asked them right before they finished it, if they can change it, because that was not.

199

00:27:20.860 --> 00:27:23.060

Cooper City Hall: it wasn't safe for little ones.

200

00:27:23.240 --> 00:27:29.899

Cooper City Hall: and never several times I called parks and recreation for them to do that, and they never did.

201

00:27:30.490 --> 00:27:42.760

Cooper City Hall: Well, that's that's a concerning, and the the little it. It was cause I used to go behind her to go the one over in right in front of my house on 90th

202

00:27:43.902 --> 00:28:06.280

Cooper City Hall: the little park there. I don't remember what the name of the Park. I told Parks and recreation that that rock little climbing thing, was perfect because it was wide, and it was good for them to put their feet up there when they're little, when they're like that little even when they're big like this. It's unsafe for them, because it's it's narrow and the rocks are not the way the platform is.

203

00:28:07.040 --> 00:28:11.679

Cooper City Hall: Somebody have to go over there and look at it and see what I'm talking about, but I never got

204

00:28:11.690 --> 00:28:40.640

Cooper City Hall: some of the playground equipment, just so, you know, is rated for different ages. So depend the playgrounds themselves. A lot of them are rated for different ages. So the one that's by your home might be for an older age instead of you said that at the time your grandchild was only was only 2 years old. That playground might have been rated for someone that was 8 years old or up depending it should be safety.

205

00:28:40.680 --> 00:28:54.139

Cooper City Hall: I mean, an 8 year old could fall off the sides of that. So that's what I was concerned about that. It wasn't really that same. Thank you, Mr. Williams. Can we look into finding out why she wasn't followed up with by the Rec Department?

206

00:28:54.150 --> 00:28:55.970

Cooper City Hall: Sure, thank you. Thank you.

207

00:28:57.590 --> 00:29:08.609

Cooper City Hall: Having heard no one else and no one on virtual. Then we'll close public hearing. Go ahead, call the vote and for the record, if I may. This is on the reduction to 5.8 5 5. Correct

208

00:29:09.340 --> 00:29:19.800

Cooper City Hall: Commissioner Melosi. Yes, Commissioner Katzman. Yes, Commissioner Schrader. Yes, Commissioner Green. Yes, Mayor Ross. Yes, for a motion on the resolution as amended absolutely.

209

00:29:20.130 --> 00:29:28.719

Cooper City Hall: What! What do we amend to it? Your motion to reduce the military by 100 of them passed. You still need to adopt the main motion, the resolution itself.

210

00:29:28.780 --> 00:29:30.579

Cooper City Hall: You reduced the Miller rate.

211

00:29:31.030 --> 00:29:37.520

Cooper City Hall: Janita, because it was you did it by motion. It was a motion to reduce from 5, 8, 6, 5 to 5, 8, 5, 5.

212

00:29:37.620 --> 00:29:45.140

Cooper City Hall: She had it twice. We because because you amended the resolution by motion. Yeah, twice. Okay. Motion to

213

00:29:45.270 --> 00:29:52.610

Cooper City Hall: approve as adopted. I have motion, and second, any discussion, hearing none call the vote.

214

00:29:53.648 --> 00:30:02.439

Cooper City Hall: Wait! Can you give people a minute to breathe? Know what it is? But you're talking about the playground. No, no, this is the main resolution.

215

00:30:02.970 --> 00:30:09.720

Cooper City Hall: This this is on the resolution. The the last vote was on the amendment to the resolution. The reduction of the military got it?

216

00:30:10.990 --> 00:30:11.959

Cooper City Hall: Call the boat

217

00:30:13.240 --> 00:30:19.879

Cooper City Hall: Commissioner Melosi. Yes, Commissioner Katzman. Yes, Commissioner Schroeder. Yes, Commissioner Green. Yes, Mayor Ross. Yes.
