Hi Eric,

The original agreement is attached. Section 3, which addresses compensation, is not being amended. The City is not responsible for the cost of installing the bus shelters included in the amendment.

As indicated in Section 2.1, the County will prepare the plans, obtain the permits and install the Bus Stop Improvements. (defined in the agreement as follows: 1.3 The design and construction of bus stop pads, bus shelter pads, the installation of bus shelters and trash receptacles, and the repair of existing sidewalks and connections to bus stops as authorized by this Agreement) The County gives the as-built drawings to the City. When the County completes the installation, the City is responsible for maintenance as indicated in Section 2.2 of the agreement indicates that after

Please let me know if you would like to discuss.

Thanks,
Angela

Good Afternoon,

I am sure the original \$120k owed to the County by the City was paid years ago, but she poses an excellent question regarding the Amendment not addressing this.

Your assistance is appreciated.

Sincerely,

Hi Eric,

I am being asked for confirmation that the city is not obligated to pay for the installation of the 14 shelters. Please let me know where this is indicated in either the amendment or the original 2015 Agreement, thanks.
