FROM: Brandy Williams, Engineer and Zoning Administrator

DATE: December 4, 2023

SUBJECT: PC 23-01: Request to Rezone Property from R-1 Single Family Residence with a Special Use Permit to C-1 Limited Retail Business – 45 West Chestnut Avenue, Cortland IL 60112
Public Hearing scheduled for December 7, 2023, 7:00 PM

**APPLICANT/
OWNER:** Brian Blazyk
Transcend Properties
1715 West Cortland Court, Suite 3
Addison, IL 60101

PROPOSAL

The applicant has filed with the Town of Cortland a request for a map amendment of district boundaries in accordance with Title 9, Chapter 3 of the Cortland Town Code regarding his property at 45 West Chestnut Avenue, Cortland Illinois, PIN 09-29-130-008. The applicant is requesting rezoning of the subject property from R-1 with a Special Use Permit to C-1 Limited Retail Business. The petitioner's application is attached as Exhibit A.

LOCATION AND DESCRIPTION

The subject property is located at 45 West Chestnut Avenue, at the northwest corner of West Chestnut Avenue and South Ottawa Street. This property includes Lots 9, 10, 11, and 12 together with the south half of the vacated alley lying northerly of the above-described property all in Block 5 in the Original Village of Cortland, platted in 1855. The total area is 15,246 sq ft. The subject property is improved with a one-story frame structure and asphalt parking lot. The current use of the structure is not confirmed. A Change of Use or Certificate of Occupancy has not been requested by the owner since the transfer of the property from the Methodist Church to Transcend Properties.

Existing and Surrounding Zoning: The subject property is zoned R-1, Single Family Residence with Special Use Permit. All adjacent properties including across road right of way are zoned R-1 Single Family Residence. An excerpt of the zoning map has been included as Exhibit B.

The 2022 Official Zoning Map can be found on the Town of Cortland website and at:

Existing and Surrounding Land Uses: With the exception of a vacant lot owned by the petitioner to the northwest of the subject property, all adjacent land uses are single family residences located within an established neighborhood.

BACKGROUND

The basis of the subject property was created in 1855 via platting in the Original Village of Cortland. The subject property was recently modified when the petitioner joined two parcels to create the boundary as it exists today.

Until June 2022, the structure was used as a church. Religious institutions are a permitted use in R-1 Single Family Residence districts per Cortland Zoning Code. In 2007, the Cortland United Methodist Church received a Special Use Permit to establish and operate a carillon on the property.

Due to the age of the structure, records are limited. From all indications received, the structure has been used as a church since its construction which roughly coincides with the founding of the Original Village of Cortland. Prior to the town's re-addressing system, the address of this property was 4409 Chestnut Street.

Staff has not located any variances that were granted for this property.

COMPREHENSIVE PLAN

The Town adopted a Comprehensive Plan in September 2023, which guides development throughout the community. The Future Land Use Map associated with this document depicts this property as Public Institutional uses.

The site was constructed and operating as a church prior to the development of the adjacent neighborhood. The Town's Comprehensive Plan was created after this property was developed. The proposed rezoning does not coincide with the Comprehensive Plan. Staff views granting rezoning as a deviation from the vision plan.

Note: An excerpt of the Comprehensive Plan is attached as Exhibit C. The full Comprehensive Plan can be found on the Town of Cortland's website and at:

STANDARDS UPON WHICH REVIEW SHOULD BE TAKEN

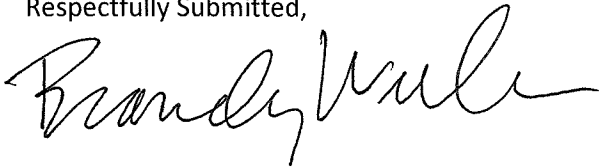

Section 9-9-2 of the Town's Zoning Code addresses the Planning Commission's role in evaluating amendments to the Code, including Map Amendments. Subsection B4 states that the Commission is to provide the Town Board with a written report, that includes your recommendation, and reasons therefore including the findings of fact used to make your recommendation. A copy of the standards to be used and some examples of how the Findings of Fact may be crafted are included in Exhibit D. Please keep in mind that these examples are suggestions only and are based upon information available at this time. Additional information may be presented during the hearing process which may impact how these points are addressed.

PLANNING COMMISSION ACTIONS

Open the Public Hearing and accept any and all testimony related to the proposal. Once all testimony has been presented the Commission may close the hearing. After closing the hearing, the Commission may discuss the merits of the presented information, establish the Findings of Fact upon which decisions may be made and render a recommendation to the Town Board.

As this is a request to rezone property, the Planning Commission may recommend to either approve or deny the request (no conditions may be imposed upon the rezoning). It is important to note that any motion must be made as a positive statement. (I.E., “I make a motion to approve the request to rezone the 15,246 sq ft Transcend Properties property known as Lots 9, 10, 11, and 12 and adjacent half of vacated alley in Block 5 of the Original Village of Cortland from its present classification of R-1 with Special Use Permit to C-1.”)

Respectfully Submitted,
