

Top Park Names

Dragons Tail Park or Dragon Lair Park- These names would only be options for the park by the pond.

Spur Line Park- Named after the Spur line that used to go through Cortland. Also near the old spur line was an area of trees that when Cortland didn't have a park people used to go to hangout, camp, and picnic. It was considered Cortland's first park. Could do a sign with the information and pictures from the history book at a park is named this.

Legacy Park or Founders Park- Either one of these names would make a great name for a park that we could have in memory/honor of signs. We could do a shelter/gazebo and have it named in memory or honor of someone with a plaque. We could do that with beaches, park equipment, trees, and statues. All with plaques and a story.

Walnut Park-This name would only work for the park off Walnut Street. The Committee's plan is a passive park with a little path, some sitting areas, and to plant some walnut trees there as well.

Ohio Grove Park- This name comes from the first hotel in Cortland that they believe Abe Lincoln may have stayed at. The park then would have a plaque with a photo explaining where the name came from.

Rich Land Park- Named after Cortlands original town name of Richland. The town was called Richland because of all the rich farmland that it had. There would be a plaque explaining story behind it from the history book.

Ole Red Barn Park-Named after the oldest red barn still standing in Cortland. Also the story behind it could be displayed in a plaque from the information in the history book with photos.

Grist Mill Park-Named after the flouring mill dated late 1800's that burned down in 1910. Story from the history book on a plaque with photos to be displayed at the park.

Prairieview Park-No story behind the name, the committee just liked the name due to all the open land in Cortland. Thought it would make a nice peaceful park name.
