

Agenda Memo

Crest Hill, IL

Meeting Date: 12/18/23
Submitter: Blaine Kline, Director of Public Works
Department: Public Works
Agenda Item: Approve resolution for Chemical Feed System Upgrade Agreement

Summary:

As part of the ongoing water system updates, we need to continue and finish our well chemical feed upgrades at the Wells. IEPA requirements call for construction permit applications, drawings, and technical specifications. Strand has prepared our previous well plans, and this would ensure we are compliant with IEPA requirements and finish our chemical feed upgrades at all wells.

Recommended Council Action:

Approve resolution for engineer services for Well Chemical Feed Upgrades in the amount of \$34,200

Financial Impact: n/a

Funding Source: Water 07-06-5332, FY 23-24

Budgeted Amount: \$30,000

Cost: \$34,200
