<b>Agenda Item:</b>	Building Permit Fee Waiver for the Will County Child Advocacy Center

### Summary:

As discussed at the October 30, 2023, Work Session meeting the Will County Child Advocacy Center is currently proposing to buildout the interior building at 1206 Cedarwood Drive. The proposed construction has an estimated cost of \$1.5 million dollars, which would result in a permit fee of \$21,430.00.

The Advocacy Center has reached out to the City requesting a full reduction in the permit fees. Please note this reduction would not preclude them from paying any associated cost incurred by the City for reviews by outside consultants. Please note, historically, Will County has waived any permit fees for the City of Crest Hill.

### Recommended Council Action:

Approval to Waive the Building Permit Fee for the Will County Child Advocacy Center in the Amount of \$21,430.00
