

Memo – Administration Report

Crest Hill, IL

Meeting Date:	September 21, 2026
Submitter:	Blaine Wing, City Administrator
Department:	Administration
Agenda Item:	Discussion on an ordinance amending sections 2.12.010 (Compensation) and 2.12.020 (Number of Aldermen) of Title 2 (Administration and Personnel), Chapter 2.12 (Aldermen) of the City of Crest Hill Code of Ordinances

Summary: Following the August and September 14th discussions, on Monday staff took the narrowed down direction and worked with the City Attorney to prepare the necessary legal documents for City Council's consideration and vote.

Costs: Depending on the number of meetings, the estimated annual compensation is currently about \$6,500. With the drafted ordinance, that would equate to a \$5,500 increase for each of the four (4) Council positions starting on or after May 1, 2027. As that is the beginning of the fiscal year budget, that would equate to \$22,000 more in that budget. That number would then increase an additional \$22,000 as of May 1, 2029, for the other four (4) council member positions that would be elected in April of 2027 and start in May of 2029.

Recommendation: To have City Council review the attached ordinance and make any adjustments. If City Council is ready to proceed, to then vote on the ordinance.
