Exhibit A - Scope of Work

- Asset:** WELL 8 FILTER is approximately 13 ft dia x 12 ft Height (Interior) x 12 ft Height (Average Exterior Exposed)
Proposal below is for the replacement of the end of an 8" dia pipe segment, repair handle connection.
- Notes/Exclusions:** Scorecard pricing is valid until 04/18/2026. Specialized goods and services are being rendered as part of this Scope of Work. Due to subcontractor and/or supplier requirements, pricing may fluctuate due to current market conditions.
USG Water Solutions reserves the right to request a change order due to unforeseen market conditions that increase the cost of the goods or services provided by suppliers or subcontractors.
Owner shall isolate and drain the Asset prior to renovation operations.
- Owner shall provide that no moisture or water is entering the Asset during renovation operations.
Owner shall perform disinfection in accordance with AWWA C653, any testing, and return of Asset back to service.
Water and power must be available within 150' of Asset.
Bonds are not included.
Local Wage Rates are included.
Lead and / or Asbestos abatement of any kind is not included.
Containment of any kind is not included.
Equipment protection of any kind is not included.
USCI is not responsible for differing, latent or hidden conditions, including weather.
In the event of a different or unknown problem, USG Water Solutions will be entitled to equitable adjustment in price and time to compensate for additional costs.
All work is expected to occur during acceptable weather and/or seasonal times. Environmental controls, including dehumidification and auxiliary heating, are not included. Any environmental controls needed will be charged at cost +15%.
All workers to have 10-hour OSHA card; any additional safety requirements are subject to request for additional compensation.
This proposal is based upon a visual inspection of the Asset. The Owner and the Company hereby acknowledge and agree that a visual inspection is intended to assess the condition of the Asset for all patent defects.
