**Property Tax Levy**

**Truth-in-Taxation**

The Truth-in-Taxation Law establishes procedures taxing districts must follow when adopting levies more than 5% higher than the total amount of taxes in the previous year. The requirements are:

- 1) Publish the required notice in a local newspaper;
- 2) Hold a public hearing;
- 3) At the public hearing, the taxing district must explain the reasons for its levy;
- 4) Anyone who wants to present testimony must be given the opportunity to do so; and
- 5) After the hearing, the taxing district may adopt the tax levy.

Each taxing district must certify to the County Clerk that it has complied with all Truth-in-Taxation publication, notice, and hearing requirements when it certifies its levy to the County Clerk.

If a taxing district does not comply with the requirements of the Truth-in-Taxation Law, the County Clerk must limit the levy increase to 5%.

**Property Tax Extension Limitation Law (PTELL)**

The PTELL is designed to limit the increases in property tax extensions (*total taxes billed*) for non-home rule taxing districts. The law is commonly referred to as “tax caps” The PTELL does not “cap” either individual property tax bills or individual property assessments. Instead, the PTELL allows a taxing district to receive a limited inflationary increase in tax extensions on existing property, plus an additional amount for new construction. The limit slows the growth of revenues to taxing districts when property values and assessments are increasing faster than the rate of inflation. If a taxing district determines that it needs more money than is allowed by the limitation, it can ask the voters to approve an increase.

The collar counties (*DuPage, Kane, Lake, McHenry, and Will*) became subject to the PTELL for the 1991 tax year and Cook County was added for the 1994 tax year. Public Act 94-976 amended PTELL effective June 30, 2006. The significant amendments include:

- New supplemental ballot and election notice information.
- Additional taxing district voter-approved referenda and other referenda changes.
- Authority for taxing districts in some instances to exceed a voter-approved rate limit long as the sum of all the rates for funds subject to PTELL, does not exceed the limiting rate.

Increases in property tax extensions are limited to the lesser of 5% or the increase in the national Consumer Price Index (CPI) for the year preceding the levy year. In addition, each individual levy has a statutory limit listed below.

\*\*This figure should be estimated using the total amount of value lost to exemptions in the prior year plus the total amount of value lost to TIF Districts in the prior year. If the district was affected in the prior year by a TIF that has now expired, do not subtract that TIFs Incremental Value from this calculation. The Incremental TIF Value will instead be manually added to the estimated New Property Figure.
