This document contains the terms of sale. The entire contract between Seller and Buyer is contained in this Sales Order; no alleged oral promises or conditions not set forth herein shall be binding upon Seller or Buyer, and any prior negotiations between the parties are merged into the terms of this document.

Prices quoted are subject to change without notice in conformity with the Manufacturer's Price List effective at the time of delivery. Prices do not include taxes. Any tax, impost, levy, duty or other charge hereinafter imposed by any government or other authority on this sale will be added to the purchase price as herein noted or any later revision of the purchase price, and will be paid by Buyer unless Buyer provides Seller with a proper tax exemption certificate.

Upon acceptance of this order by Seller, if Buyer fails to perform the terms and conditions hereof, or refuses to accept delivery of the equipment accessories or other items ordered within ten (10) days after notification that same are ready for delivery, the Seller, at its option may retain as liquidated damages all money, trade-ins or other property delivered to Seller by Buyer as down payment hereunder. Buyer will pay any cost of collection for any amount owed to Sellers, including, without limitation, reasonable attorney's fees, court costs and interest in the amount of 1% per month (12% per annum), from the date the amount is due.

Payment is due Seller from the date when Seller is prepared to make delivery. All equipment and material is delivered FOB Seller's plant and title and liability for loss or damage passes to Buyer upon Seller's delivery of the goods to a carrier or shipment to Buyer and any loss or damage thereafter shall not relieve Buyer from any obligation hereunder. Risk of loss for goods shall pass to the Buyer once payment is received by Seller.

Buyer may terminate this contract in whole upon thirty (30) days advance written notice to Seller. In such event, Buyer shall be liable for termination charges. If goods ordered are a standard, manufactured catalog item, Buyer will pay a cancellation charge for each unit cancelled equal the greater of 20% of the purchase order item price or forfeiture of down payment/trade in. If goods are non-standard items built to the Buyer's custom order, Buyer will pay for all cost, direct and indirect incurred and committed for this contract, together with a reasonable allowance for prorated expenses and anticipated profits.

Buyer agrees to comply fully and with all laws and regulation concerning the purchase and sale of goods. In particular, Buyer agrees to comply with all applicable export administration regulations of the United States, including, but not limited to, the Export Administration Act, insofar as they apply to the sale of products.

Buyer shall indemnify and hold harmless Seller, its employees, officers and directors and the respective successors and assigns, from and against any and all liability, damages, claims, causes of actions, losses, costs and expenses (including attorney's fees) of any kind arising out of injuries to any person (including death) or damage to any property caused by or related to the goods or any negligent act or omission of Buyer, its employees and agents.

The validity, performance and construction of this Sales Order, shall be governed by the laws of the State of Illinois, of the United States of America.

Seller shall not be liable, and shall be free from any potential liability for delay in delivery or non-delivery or any failure in shipment caused in whole, or in part, by the occurrence of any contingency beyond control of either Seller or Seller's suppliers including, but not limited to act of war (whether an actual declaration thereof is made or not) act of any government or any agency or subdivision thereof, judicial action, sabotage, insurrection, terrorism, riot or other act of civil disobedience, act of public enemy, failure or delay in transportation, strikes, lockouts, shortage of labor or labor troubles of any kind, accidents, explosion, perils of the sea, fire, earthquake, flood, storm or any other act of God, restrictions or requisitions, shortage of labor, fuel, raw material or machinery or technical failure where Seller has exercised ordinary care in the prevention thereof, failure of manufacturers to deliver, bankruptcy or insolvency of manufacturers or suppliers, suspension of shipping facilities, act or default of any carrier or any other contingency of whatsoever nature beyond Seller's control affecting production, transportation to boarding point, loading, forwarding or unloading in such a situation at destination of the goods covered by this contract including disturbances existing at the time this contract was made. In such a situation, if shipments or delivery is not made during the period contracted for, Buyer shall accept delivery under this contract when shipment is made; provided, however, Buyer shall not be obligated to accept delivery if shipment is not made within a reasonable time after the cessation of the aforementioned impediments or causes. Seller may allocate delivery among Seller's customers.

This order shall not be binding upon Seller until accepted by Seller in writing hereon and when so accepted, the original order with original signatures as given Seller and in Seller's possession shall be conclusive and binding upon the parties hereto.
