Subject: Rejection of Bids-Well 14

Thank you for your bid on August 14, 2023 regarding the Well 14 drilling project in the City of Crest Hill. We regret to inform you that the City will be rejecting all bids for the following reasons:

1. All project funds have not been received.
2. DBE/MBE requirements because of one of the funding sources is not known.
3. The city has made a decision not to install this Well until additional water demand is needed.

Again, thanks for your interest in working with the City of Crest Hill.

If you have any questions regarding this matter, please contact me at 815-741-5122.

Sincerely,
