RE: ESTP EMERGENCY Collector Arm Emergency Repair .

Antrena:

Pursuant to your inquiry regarding the above subject, we are pleased to offer our proposal for your consideration. Dahme Mechanical Industries, Inc. will provide the following scope of work:

- Clarifier will need to be dewatered and reasonably cleaned in order for our work to be completed
- **a \$10,000 allowance is included in the pricing below;** this will be utilized to account for any items unforeseen and not included in the following scope of work and will only be drawn upon with written authorization for the additional services
- remove and replace failed components on (1) clarifier sludge collector arm; parts have been identified by CoCH and DMI, Inc. personnel and our pricing is based around those components being procured and installed by DMI, Inc.
- all replacement hardware and anchorage are to be stainless steel
- all rigging, hoisting, and safety requirements will be provided by DMI and its subcontractors
- one-year labor and material warranty is included for the work described in this proposal only

EXCLUSIONS:

1. **Dahme Mechanical Industries, Inc. shall not be held liable for any job site safety or job site maintenance of any type upon completion of our work.**
2. All agreements contingent upon strikes, accidents or delays beyond our control.
3. All work not included or specifically described above.

All material is guaranteed as listed above and specified above. Any additional items not included in our trade agreements or clearly stated above are expressly excluded. Payment terms are net 100%, due upon completion.

Total budgetary price as described above: \$38,888.00

Dahme Mechanical Industries, Inc. standard insurance is included. Any alteration or deviation from above specifications involving extra costs, will be executed only upon written orders, and will become an extra charge over and above the estimate. This proposal may be withdrawn by us if not accepted within 30 days.

Thank you-
