<b>Agenda Item:</b>	Surplus Update

### Summary:

The City of Crest Hill uses GovDeals.com to sell designated surplus equipment. From fall of 2021 until the end of 2022 the city has listed 21 items for auction and sold 20 of them. Items in red were auctions we declined because we felt that the item was worth more than the final price, so staff declined the sale and relisted it for a higher amount. The 20 items in total have sold for \$37,757.91 and attached is a breakdown of each item and price.
