

City Council Agenda Memo

Crest Hill, IL

Meeting Date: 05/06/24
Name: Zoe Gates
Department: Building Department on behalf of Public Works
Topic: Ordinance Amending Chapter 12.04 Excavations

Summary: City Ordinance Chapter 12.04 Excavations requires the deposit of cash or bond when construction work moves into the street. It was last updated in 1986 and as such requires bond limits that are too low to repair city right-of-way if damaged. Additionally, where a cash deposit is made it is difficult for the City Clerk's office to maintain and track the cash being held for eventual return.

The attached update removes the cash element, increases the required bond amount to cover any damage, and differentiates between the insurance requirements for a resident and a contractor placing the bond.

Recommended Council Action: Approve the ordinance changes as discussed at the work session of 04/22/24.
