

## Agenda Memo

Crest Hill, IL

---

<b>Meeting Date:</b>	July 7, 2025
<b>Submitter:</b>	Ronald J Wiedeman
<b>Department:</b>	Engineering
<b>Agenda Item:</b>	A Resolution for Amendment No 3 to the August 31, 2023 agreement for design and bidding -related services for CIPP Water Main Rehabilitation by and between the City of Crest Hill, Will County, Illinois and Strand Associates, Inc. for no change in cost

**Summary:** On Tuesday June 17<sup>th</sup>, the City was notified by Strand and Associates regarding IEPA requirements that need to be added to the agreement between the City and Strand in order for the IEPA to accept the agreement and cover all costs for design engineering on this project. The IEPA did not inform Strand until June 17<sup>th</sup> of these requirement that is why they were not included in the Amendment No 2 agreement approved by the council at the June 16<sup>th</sup> Council meeting.

These IEPA requirements can be met by Strand at no additional cost.

If the city accepts these IEPA requirements and makes them binding to the contract approved prior to June 30, 2025, these costs can be part of the cost covered by the IEPA under the forgiveness being provided to the city for this project.

**Recommended Council Action:** A Resolution for Amendment No 3 to the August 31, 2023 agreement for design and bidding -related services for CIPP Water Main Rehabilitation by and between the City of Crest Hill, Will County, Illinois and Strand Associates, Inc. for no change in cost

**Financial Impact:**

**Funding Source:** Water Fund

**Budgeted Amount:** \$355,000.00

**Cost:** \$89,800 (No Change to Fee)
