Summary: The Police Department would like to purchase new Glock 9mm pistols with Red Dot sights. The purchase involves the surplus and trade in of our current Glock model 22 40 caliber pistols, ammunition, and the surplus and trade in of our shotgun inventory. The Police Department would like to utilize disbursement funds from our participation in CPAT (Cooperative Police Assistance Team) and funds budgeted in Drug Asset forfeiture, to cover the cost. Information provided by Deputy Chief Opiola is attached to this agenda item. This was a collaborative effort by our department trainers and administration, and I want to thank them for all their hard work. The Police Department will be coming to council with a surplus ordinance of our current pistols when we are ready for the transition. We are asking for formal approval of this request.
