RE: Underground Sanitary Repair

Below is the cost to replace back to back sanitary fittings underground in the Men's Locker Room on the Police Station side of the building. Price includes scanning of floors with ground penetrating radar, sawcutting of concrete slab, removal of slab, demolition of wall as needed, excavation, removal of any spoils, new piping, backfill, and pourback of slab.

Floor and wall finishes by others.

• Labor	\$ 3,480.00
• Scan, Sawcut, Pourback	\$ 4,715.00
• <u>Material</u>	<u>\$ 271.00</u>
• Total:	\$ 8,466.00
