Attn: Don Seeman

For the sum of **THIRTY THOUSAND THREE HUNDRED DOLLARS AND NO/100 (\$30,300.00)**, we propose to provide replace portion of sanitary sewer line in men's bathroom at the Crest Hill Police Station. Price is based on scope listed below.

Price includes, but not limited to:

- Remove existing 2 urinals and partition
- Demo Men's side of bathroom wall
- Saw cut and removed concrete
- Replace existing double combination fitting and replace with Wye fittings
- Patch concrete
- Re-pipe wall
- Patch and replace drywall
 - o Paint wall and replace partition
- Patch epoxy flooring

Exclusions:

- Premium time

Respectfully submitted,

Dan Whitehead
C.J. Erickson Plumbing Co.

A schematic diagram of a double line, likely representing a cable or pipe. It consists of two parallel horizontal lines. In the center, there is a circular component with a small vertical line extending upwards from its top, resembling a valve or a connector. At each end of the double line, there is a small, L-shaped fitting or bracket.
