2025 Smart Water Meter Hardship Assistance Program

Purpose: To ensure all residents can complete smart water meter installations the City will begin offering financial support for plumbing-related barriers, either through direct assistance or a no-interest loan. Additionally, while the City still requires a permit to adjust/move/replace hot water tanks, the City will waive the \$50 permit fee if the adjustment or move (even temporary) is necessary to install the smart meter.

Program Options:

1. Hardship Grant.

- Maximum Assistance: Up to \$300 per household.
- Eligibility Window: July 1, 2025 December 31, 2025.*

Requirements:

- Plumbing-related barrier must directly prevent smart meter installation.
- Resident must demonstrate financial hardship or have previously reported hardship to the City. The City Administrator will have final approval on the hardship assistance request.
- Receipts/verification will be required for reimbursement.
- Residents with prior hardship applications may reuse them but must submit receipts for this program.

2. 36-Month 0% Interest Loan.

• Eligibility: Residents who do not qualify for the hardship grant.

Loan Terms:

- Up to \$300 for eligible plumbing work.
- o 0% interest over 36 months.
- Monthly payments of approximately \$8.33.

· Requirements:

Plumbing issue must be verified by installer or city staff.

^{*}If a resident can demonstrate a financial hardship and has previously paid for a plumbing issue that prevented a smart meter from being installed, the City Administrator can review the application as if it was submitted during the eligibility window.

- Resident must sign a loan agreement and provide receipts.
- o Loan payments will be billed through the resident's water utility account.

Application Process

- 1. **Assessment:** Installer identifies plumbing-related barrier.
- 2. Application Submission: Resident completes form and attaches receipts.
- 3. Review & Approval: City verifies eligibility and selects grant or loan option.
- 4. **Disbursement:** Grant recipients are reimbursed, or at City's discretion, City pays contractor directly; loan recipients begin monthly payments.

Communication Plan

- Include program details in letters to non-compliant households.
- · Post on City's website and social media.
- Train installers and customer service staff to explain both options.
