November 2022

Dear Friends of Lockport Township High School:

On Saturday, June 3, 2023, the Lockport Township High School Class of 2023 will graduate during our annual Commencement ceremony. Leaving high school is bittersweet. We are planning a community event after Commencement on June 3<sup>rd</sup> called Late Night 2023. After the solemn and serious ceremony of Commencement, Late Night is designed to give our just-graduated seniors one final alcohol-free party to celebrate all of the joy of high school and camaraderie with good friends. The evening is filled with entertainment, food, prizes, and gifts for the 2023 graduates.

The purpose of Late Night is to provide new graduates with a safe environment where they can celebrate. The Class of 2023 is looking forward to celebrating with their classmates! The evening is an alternative to other celebrations that might not represent what we want for young adults in our community. For the evening to be a success, it will have to be a community-wide effort. I am writing you to ask for the assistance of parents, commercial organizations, service clubs, and chambers of commerce to support this event.

Please consider donating money, food, and/or prizes toward Late Night 2023. As we send our graduates off into the world, we recognize that many of them might come right back to Lockport to become your neighbors and fellow citizens. Let's send them off with memories and emotions that fill them with a feeling of community and commitment. For the convenience of your response, a self-addressed envelope is enclosed.

All the best,
