

Memo – Administration Report

Crest Hill, IL

Meeting Date:	September 14, 2026
Submitter:	Blaine Wing, City Administrator
Department:	Administration
Agenda Item:	Elected Officials Compensation Discussion

Summary: Following the August discussion, on Monday night staff will explain the attached worksheet and options for City Council’s discussion. It is staff’s hope that the number of options through discussion is reduced, as the City Council narrows their desired future compensation, which will allow the City Attorney to prepare the necessary legal documents for a vote.

Note, the City Attorney is still researching two (2) items:

- The ability to delay vs staggering the implementation
- The ability to have automatic increases, such as CPI or 2% annual max.

Attorney Stiff may have additional information to share on these items during Monday’s meeting.
