Department:	Engineering
Agenda Item:	To approve a motion for the notice of intent to award a contract to DN Tanks of Illinois, LLC for the City of Crest Hill Eastern Receiving Station Reservoir in the amount of \$5,793,000.00 and execute all required documents and direct city staff to have Strand Associates, Inc. to prepare the full IEPA submittal package and submit the package to the IEPA for approval.

Summary: Bids were advertised and solicited for qualified contractors to provide Lum Sum price for the Eastern Receiving Station Reservoir. This tank is being constructed to accept water from the New Grand Prairie Water Commission.

The city solicited bids in the local newspaper and through the QuestCDN Website looking for qualified contractors. A total of eight (8) prequalified contractors downloaded bids and two (2) submitted bids. The bids were received electronically until 2:00 PM local time on Wednesday, August 12, 2026. Bids were opened electronically via the QuestCDN and posted to all Contractors on Wednesday, August 12, 2026, on the QuestCDN platform by 2:00 PM. The following is a list of the bids received:

Results Total Base Bid

1. DN Tanks of Illinois, LLC	\$5,793,000.00
2. Preload, LLC	\$8,897,000.00

The bids received have been reviewed and have been found to be correct and in order, and do reflect the market as it exists today.

This project is intended to be funded by a loan from the Illinois Environmental Protection Agency (IEPA); Therefore, the next step is for the City Council to execute the Notice of Intent to Award to DN Tanks of Illinois, LLC for the total amount of \$5,793,000.00.

Once approved and the city signs all required documents, our engineers from Strand Associates, Inc. will prepare a full package of documents and send them to the IEPA for review and approval before a loan agreement is prepared.
