SUBJECT:

Proposed Amendment to 2023 Budget for Houston

County Appraisal District

W. F. Kitchen

Tod English

DATE:

July 7, 2023

Tommy Lundy

Laronica Smith

Enclosed is a proposed amendment to the 2023 budget that was submitted to the Houston County Appraisal District Board of Directors for approval on

Thursday, July 6, 2023.

Chief Appraiser
Carey Minter

Please note the only reason for the amendment is to encumber/designate the unassigned fund balance confirmed by the 2022 audit as 2022 Fund Balance/entity reserve for 2024, 2022 Fund Balance for Legal fees for 2023. Due to ongoing compressor law suits the designation of funds to "Legal Fees" is necessary. There is **no change** in the total expense or entity contribution obligations for 2023. Also, the amount of \$35,251.00 in excess funds confirmed by the 2022 audit will be credited to the 2024 operating budget reducing entity allocated share payments. The total excess funds in the amount of \$28,272.00 per the 2022 audit will be credited to the 2024 collection budget also reducing entity allocated share payments.

As with the adopted budget, per Section 6.06 of the State Property Tax Code, a taxing unit entitled to vote on the appointment of board members may adopt a resolution disapproving the budget amendment and filing it with the secretary of the Board within thirty (30) days after its approval by the Board. However, if the budget amendment is acceptable, no action is necessary.

If you have any questions concerning this budget, please feel free to contact me.

Sincerely,

Carey Minter
Chief Appraiser
