

1 to 6 okay as is.

7. Remove this question. It puts people off and you never know if it is truthful. We do not need it for city planning.

8 to 12 okay.

13. Remove this question. Same as 7. Puts people on the defensive sometimes. We do not need this info.

14. I would add retired as a choice. Unemployed might apply to retired but it is not a true description of retired as they frequently have disposable income.

15. Remove this question. We do not need it. Puts people off.

16. Exactly what is it we want to learn? Maybe a better question would be if they are employed, how is it categorized.

17. Do; you have internet service at home? **Does it really matter how they get it?**

17a. If you do not have internet service at home, do you access the internet in any of the following ways:

Cell phone

At work

Library or other public access points

Do not use internet

18 I would name the various places under the choices because many may not be aware of their choices. For instance, under local newspaper add Hondo Anvil. Under social media, list those. Under I-info say register with city for email and text message alerts.

19. Okay

20. Add Public to Safety of he City.

21. Isn't Regional Park the only place with trails? If so add Regional Park or any other places they are. Many may not have a clue.

22. Okay

23. I would add that the Animal Services facility is at the wastewater plant facility.

On Quality of animal services do you mean responsiveness? If so add that.

On the sentence about permitting consider this, Ease and clarity of the Permitting Process.
