988 Animal Control	1	0	1
0 Micellaneous	10	3	13

# Parks & Recreation Update

- Installation of Bat Boxes
  - Installation on 2/15/2025.
  - Approximately 7-10 volunteers helped Scout Juan Flores to accomplish this project.
- Tree Planting on 3/8/2025
  - Overall, the event went great!
  - Approximately 35 people were in attendance (volunteers from the community, Microsoft, American Forestry, Bexar Branches Alliance, local arborists & city staff.)
  - We were able to plant 188 trees in approximately 4 hours.
    - The grant that Bexar Branches Alliance secured covered the cost of all the trees & irrigation. The Parks & Recreation Department covered the cost of the fencing, t-posts, and water for three(3) years. \*Three years is the amount of time needed to ensure the trees become established.

# Bat Box Installation

# Facilities Update

- General & routine maintenance being done:
  - Air Filter Changes
- Facilitation of a sewer line replacement at City Hall.
