Agenda of: July 08, 2025

Department: City Council

Subject: Discussion and appropriate action regarding a proposed remodel of the municipal airport terminal to relocate the manager's office and pilot's lounge.

Recommended Motion: I move to _____.

Background: Councilman Lee has requested to remodel the airport terminal to move the manager's office back where it used to be. This space is currently being used as a pilot's lounge. He is also proposing to use a portion of the lobby/sitting area as a lounge by building a partition in this space.
