

Agenda Report

Agenda of: July 08, 2025

Department: City Council

Subject: Discussion and appropriate action regarding the price charged for full service Jet A fuel at the municipal airport.

Recommended Motion: I move to _____.

Background: Councilman Lee has requested to discuss an increase in the rate charged for full service Jet A fuel.

- Jet fuel full-service rates, cover vehicle cost and maintenance

We currently charge \$4.99 per 100LL for BOTH Avgas and JetA. The markup on Avgas is \$0.83 and the markup on JetA is \$2.22. These both vary depending on the cost of fuel. We sell a lot less of the JetA.

Staff Recommendation: N/A

Fiscal Impact: TBD.

☐ Budgeted ☐ Requires Budget Amendment
