

♣ Troop 980

Silver Award STAY ACTIVE

Proposal By: Carly, Evelyn, and Brooke

ABOUT THE PROJECT

Stay Active is a project focused on helping people to break bad habits and enjoy healthy competition. For our project we will build a gaga ball pit at Regional Park (and possibly Lions Park). The gaga ball pit will provide a place where people can bond over a fun sport. We will host a grand opening and tournament to teach people about the rules and the importance of staying active.

PROPOSED TIMELINE

22

March

-Digging and site prep

29

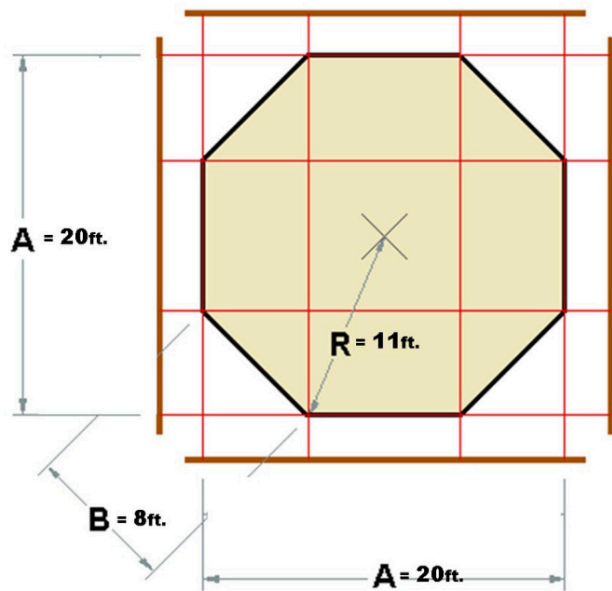

March

-Build pit

12

April

-Grand opening & tournament

We would need approximately 20 feet by 20 feet of space.

LOCATION

DIMENSIONS

we would like to use the space near the trees and the bathrooms.

OUR GOAL

We want to have a fun place where kids can engage in friendly competition.

Cost

The total cost with treated wood, splinter guards, and colorful steel corners is about \$1,388 per pit.

Funds raised

We have been soliciting donations from companies and individuals. So far we have raised \$2,020 out of our goal of \$3,000.

Project requirements

To earn our silver award project, we must work a minimum of 50 hours. Our project must be sustainable.

Benefits

Having a gaga ball pit in Regional Park is something for the soccer kid's siblings to do and a fun place for kids to socialize.

THANK YOU!
