Re: Letter of Support-Castroville P.D.- Operation Lone Star Grant Application No. **5395501**

To Whom It May Concern:

I am writing in full support of the Castroville Police Department's **Operation Loan Star** grant application. Medina County is excited over the prospect of this Grant, it would assist the Castroville Police Department in their ability to help detect and deter the smuggling of drugs, weapons and people, in addition to other criminal activity in the City of Castroville as it relates to the increasing border crisis.

As the Medina County Criminal District Attorney, I am pleased to continue our working relationship with the Castroville Police Department by actively prosecuting felonies in District Court and misdemeanor offenses in the County Court at Law, as appropriate, in support of Operation Loan Star.

Sincerely,
