**Subject:** Authorize staff to issue an RFP for Solid Waste Services

**Recommended Motion:** I move to authorize staff to issue a Request for Proposals (RFP) for solid waste services.

**Background:** The solid waste services contract with Waste Management is up for renewal in June of this year. While staff is generally pleased with the services Waste Management has offered, it is a best practice to seek competitive bids from time to time to ensure that the City is getting the best value for its residents and businesses. If authorized, staff will prepare an RFP and bring it for council review and approval at a subsequent meeting.

**Fiscal Impact:** N/A
