

WHF/LANDOWNER COOPERATIVE AGREEMENT

WHF AGREES TO:

1. Provide technical assistance at **NO COST** to the landowner
2. Provide a Progressive or RMS Level management plan to achieve your conservation goals for your property
3. Assist in applying for cost share funding, as applicable, for prescribed conservation practices
4. Provide additional assistance during the implementation and monitoring period as needed and requested

THE LANDOWNER AGREES TO:

1. Consider all conservation practices WHF recommends in the management plan
2. Allow WHF to input the finalized conservation plan into the USDA- NRCS Conservation Desktop

I understand that the resulting management plan is not a binding contract, but is a plan that will be voluntarily carried out by the City of Castroville.

Neither party will be liable for damage to other's property resulting from carrying out this agreement unless damage is caused by negligence or misconduct

From: Helen Delavan, President, FCRP
Re: Recommendation from FCRP

By a unanimous vote, the Friends of the Castroville Regional Park, hereby recommend that the City of Castroville enter into a non-binding agreement with the Wildlife Habitat Federation to develop a Conservation Management Plan for the Castroville Regional Park with the understanding that there will be no cost to the City of Castroville nor to our organization.

Thank you
