MUNICIPAL COURT REPORT

Report Ending December 2024

(This court report will always be 2 months behind when reporting)

- The above data represent the number of ticket violations for the month of December for 2020 – 2024.
- The number of traffic cases surged dramatically in 2024 (491 cases) compared to previous years, showing a notable shift in enforcement or violations.
- State law cases have remained relatively consistent over the years, suggesting no significant changes in legal trends or enforcement.
- Minimal City Ordinances are sporadic and have remained low, indicating limited violations.
- Only one parking case was recorded in 2023 and 2021, reinforcing a low level of parking-related enforcement or compliance with regulations.
