

CITY OF CASTROVILLE
PLANNING AND ZONING COMMISSION ACTION
April 9, 2025

The City of Castroville Planning and Zoning Commission is considering the following:

Adoption of the Comprehensive Plan. A comprehensive plan is a strategic framework that guides the long-term development and preservation of a city. It encompasses various elements such as land use, transportation, housing, economic development, and environmental sustainability. By integrating these components, a comprehensive plan ensures that growth is managed in a way that maintains the city's unique character. Preservation efforts within the plan focus on natural resources and the distinctive elements of Castroville, ensuring that the city's identity is retained for future generations. The Comprehensive Plan addresses growth guidance, the Highway 90 scar, streets and drainage, and outlines an action plan with both short-term and long-term goals.
