

## CITY COUNCIL ITEM SUMMARY

<b>MEETING DATE:</b>	April 20, 2023
<b>SUBCATEGORY:</b>	Bid Award/Purchases
<b>DEPARTMENT NAME:</b>	Gas
<b>AGENDA ITEM TITLE:</b>	Truck Purchases
<b>DEPARTMENT SUMMARY RECOMMENDATION:</b>	<p>The City's yearly allotted number of fleet vehicles has been reduced, forcing us to seek trucks from individual dealerships. After an extensive search, a Ford F-250 and F-150 meeting our specifications were located at Ed Murdock Superstore in Lavonia, GA at a cost of \$106,761.00. These trucks were to be budgeted in the upcoming year, but with the current shortage of vehicles, we believe these should be purchased now to mitigate long delivery times. These are not budgeted in the current year but can be purchased with Gas Revenues. Council's approval of these purchases is recommended.</p>
