However, there are a few exclusions. This agreement does not apply to:

- Any equipment, software, services or other parts of the IT system not listed above
- Software, equipment or services not purchased via and managed by the Supplier

Additionally, this agreement does not apply when:

- The problem has been caused by using equipment, software or services in a way that is **not recommended (defined as intentional neglect, misuse, or destruction of the equipment)**
- The Client has made **unauthorized changes** to the configuration or set up of affected equipment, software or services. Unauthorized changes are defined as changes made by any party other than

the Supplier to the software, hardware, or firmware that alter the system's ability to record, upload, or view data.

- The Client has prevented the Supplier from **performing required maintenance and update** tasks.
- The issue has been caused by **unsupported** equipment, software or other services of the Client.

This agreement does not apply in circumstances that could reasonably be said to be beyond the Supplier's control. For instance: floods, war, acts of god and so on.

Regardless of the circumstances, the Supplier aims to be helpful and accommodating at all times and will do its absolute best to assist the Client wherever possible.

RESPONSIBILITIES

Supplier Responsibilities

The Supplier will provide and maintain the IT system used by the Client. This Agreement between the Supplier and the Client includes full details of these responsibilities.

Additionally, the Supplier will do the following:

- SaaS will be maintained at 99% uptime/availability or greater 24/7/365
- Ensure relevant software, services and equipment are available to the Client including an appropriate level of spares
- Respond to support requests within the timescales listed below
- Take steps to escalate and resolve issues in an appropriate, timely manner
- Maintain good communication with the Client at all times

Client Responsibilities

The Client will use the Supplier-provided IT system as intended.

The Client is responsible for maintaining power and internet connectivity at all video offload locations on the network. For offload via a Client approved third party or Supplier provided access point, the Client has the option of either (a) organizing an independent internet connection via its local provider with a minimum upload speed of 50 Mbps, or, (b) connecting the access point to its own network having a minimum internet upload speed of 50 Mbps. Upon execution of this Agreement, as part of the deployment process, a network assessment will be conducted of the Client's upload speed for the transmission of data to the CJIS Compliant Cloud. In most cases, the Client should budget for an increase to their upload speed with their local carrier.

Additionally, the Client will:

- Notify the Supplier of issues or problems in a timely manner
- Provide the Supplier with access to equipment, software and services for the purposes of maintenance, updates and fault prevention
- Maintain good communication with the Supplier at all times

GUARANTEED RESPONSE TIMES

When a Client raises a support issue with the Supplier, the Supplier promises to respond in a timely fashion.

Response Times

UA provides a 99% uptime/availability commitment. All systems have health monitoring that assures that issues are typically addressed 24/7/365 by UA personnel before they become an impact to the performance

of the service. For support provided to the Client directly, UA has a tiered response to support that will escalate the level of support depending on the situation. Tier 1 would be on-site support by the department staff after they have been trained by UA, which will alleviate most day-to-day issues that may pop up. Problems beyond Tier 1 scope will be escalated to Tier 2, which is phone-based support, and from there to Tier 3, which is on-site technical support from a UA field engineer. The cost of the response time is included in this Agreement.

While most support calls are handled immediately, Tier 2 issues have guaranteed response times as shown below:

Item Priority	Fatal	Severe	Medium	Minor
1	1 Hour	1 Hour	2 Hours	3 Hours
2	2 Hours	2 Hours	4 Hours	6 Hours
3	4 Hours	4 Hours	8 Hours	16 Hours

Severity Levels

The severity levels shown in the tables above are defined as follows:

- **Fatal:** Complete degradation – **all users and critical functions affected.** Item or service completely unavailable.
- **Severe:** Significant degradation – **large number of users or critical functions affected.**
- **Medium:** Limited degradation – **limited number of users or functions affected.** Business processes can continue.
- **Minor:** Small degradation – **few users or one user affected.** Business processes can continue.

RESOLUTION TIMES

The Supplier will always endeavor to resolve problems as swiftly as possible. It recognizes that the Client’s systems are key to daily functions and must be functional in the field.

However, UA is unable to provide guaranteed resolution times. This is because the nature and causes of problems can vary.

In all cases, the Supplier will make its best efforts to resolve problems as quickly as possible. It will also provide frequent progress reports to the Client.

SCOPE OF SERVICES

1.1.1 Access to Software. UA is the developer and owner of, or has rights to, certain enterprise mobile device tracking and messaging software known as “AVaiL™”, “AVaiL Web”, “Vehicle Diagnostics”, and “RFID Tracking” and related content to be provided to Client; such software, its related content and any related documentation provided by UA, and the means used to provide the software to Client and the services described herein are collectively referred to as the “Service”. Subject to Client’s payment of the applicable fees and Client’s compliance with the terms of this Agreement, Client, its affiliates and its and their employees (“Licensed Users”) shall have the right to access and use the Service solely for Client’s and its affiliates’ internal business purposes. UA will issue to one Licensed User (“Client Administrator”) an individual login identifier and password (“Administrator Login”) for purposes of administering the Service. Using the Administrator’s Login, the Client Administrator shall assign each Licensed User a unique login identifier and password (“User Login”) and provide such information to the Licensed Users and UA via the Service. Client shall not provide a User Login to any individual or entity that is not a Licensed User to use the Service. Client shall be responsible to ensure, by agreement or otherwise, that each Licensed User will: (a) be responsible for the security and/or use of his or her User Login; (b) not disclose such login identifier

or password to any person or entity; (c) not permit any other person or entity to use his or her User Login; (d) use the Service only in accordance with the terms and conditions of this Agreement and on the workstation software from which the Service is accessed. UA shall have the right to deactivate, change and/or delete User Logins of Licensed Users who have violated this Agreement and to deny or revoke access to the Service, in whole or in part, if UA reasonably believes Client and/or its Licensed Users are in material breach of this Agreement. Client shall be solely responsible for ensuring that the access to the Service by a Licensed User who ceases to be an employee of Client or one of its affiliates is terminated. UA shall have no responsibility for managing, monitoring, and/or overseeing Client's and its Licensed Users' use of the Service. Client acknowledges that the Service may contain devices to monitor Client's compliance with the terms and restrictions contained herein and Client's obligations hereunder.

1.1.2 Operating Environment. Client is solely responsible for acquiring, installing, operating and maintaining the hardware and software environment necessary to access and use the Service remotely via the Internet.

1.1.3 Changes to Service. UA may upgrade, modify, change or enhance ("Change") the Service and convert Client to a new version thereof at any time in its sole discretion so long as such Change does not materially diminish the scope of the Service, in which event Client shall have the right to terminate this Agreement upon thirty (30) days written notice to UA. During the term of this agreement, if UA upgrades the version of the Service Client is using under this Agreement, Client will not be charged an upgrade fee. Should UA offer additional optional software modules in the future that complement the Software, Client may elect to purchase the optional software modules for an additional fee; however, Client has no obligation to do so.

1.1.4 Help Desk. UA shall provide 24/7 Client support in the form of a Help Desk. Clients reporting issues through email will receive confirmation of the issue within a reasonable time and will receive a callback the same business day if practical. The Help Desk is always subject to availability of our technical staff and clause 1.1.5 below.

1.1.5 Uptime Commitment.

a. Availability. The Service will be made available to Client and its Licensed Users twenty-four hours a day, seven days a week less the period during which the Service are not available due to one or more of the following events (collectively, the "Excusable Downtime"):

- (i) Scheduled network, hardware or service maintenance;
- (ii) The acts or omissions of Client or Client's employees, agents, contractors, vendors, or anyone gaining access to the Service by means of a User Login;
- (iii) A failure of the Internet and/or the public switched telephone network;
- (iv) The occurrence of any event that is beyond UA's reasonable control, or
- (v) At Client's direction, UA restricting Client's and its Licensed Users access to the Service.

b. Commitment. Client is responsible for promptly notifying UA in the event of a suspected Service failure. For the purposes of establishing uptime herein, downtime begins upon such notification and ends upon restoration of Service. Subject to Client satisfying its obligations herein, UA guarantees that the Service will be available to Client and its Licensed Users at least 99% of the time during each calendar month, excluding Excusable Downtime ("Uptime Commitment"). If UA fails to satisfy the Uptime Commitment during a month, then UA will credit to Client a pro-rated portion of the Fees in the first month of the next succeeding calendar quarter following the failure. For purposes of this Section, "pro-rated portion of the Fees" means the product obtained by multiplying the applicable Fees during the month of the failure by a fraction, the numerator of which will be the number of hours that the Service did not satisfy the Uptime Commitment, and the denominator of which will be the total number of hours during the month that such failure occurred less Excusable Downtime.

1.1.6 Uniforms. UA's BodyWorn Solution is the only body camera system available to law enforcement that features direct integration of camera hardware into the officer's/deputy's uniform. As part of the multi-year service agreement, UA will furnish the following allotments and services during initial project launch.

a. Retrofits of existing uniforms. A quantity of five (5) standard uniform garments, per BodyWorn camera purchased, will be modified to BodyWorn ready status, for the purposes of product integration with our camera hardware solution. UA will provide The Client with both uniform retrofit vouchers and packing slip templates. Note, both uniform vouchers and accurately completed packing slips are required for all retrofit requests being sent to UA for processing. Failure to provide accurate uniform information may result in delays of processing The Client’s request.

b. Retrofits of Standard garment types. Acceptable garment installation types offered at no-additional charge, as part of the initial project launch with a multiyear service agreement, include the following:

- (i) Duty shirts (long or short sleeve)
- (ii) Soft outer carrier vest
- (ii) Standard soft-shell jacket

c. Retrofits of Non-standard garment types. Excluded from the initial project launch retrofitting service, that may still be modified to BodyWorn ready status at an additional charge, include the following: (please see table 1.2.1, for pricing details)

- (i) Polo shirts
- (ii) Commando style sweaters
- (ii) Tactical vest or outer plate carriers
- (iv) Leather jackets

d. Certification of local uniform resellers. Following the recommendation of the Client, a local uniform reseller may be eligible to participate in UA’s uniform certification program. This program is designed to maximize the speed in which new recruits and/or existing Officers/Deputies receive BodyWorn standard uniform garment retrofits, post project deployment. Additionally, this program is designed to foster the support of local small businesses in your respective area.

- (i) Resellers may participate in the certification program, for the purposes of retrofitting standard duty shirts and soft outer carrier vests only. All other non-standard garment retrofits should be forwarded to UA, at the expense of The Client.
- (ii) As part of the certification offered, UA will supply one (1) grommet installation machine and training of up to 5 reseller personnel, per session. Sessions run for a dedicated 16-hour period, over the course of two days. The reseller will be responsible for furnishing uniforms for the purposes of training and certification.
- (iii) Certification fees. Certification of each local uniform reseller will be charged to The Client, at \$2,500 per session.
- (iv) Annual Warranty and Support Fee of \$300, per year, will be assessed of the certified uniform reseller. Failure to pay within 30 days of invoice will void any warranty claims against grommeting machine hardware provided for the purposes of BodyWorn ready uniform retrofitting

All Fees shall be non-refundable except as otherwise set forth herein. Should Client have a billing dispute, Client must provide notice to UA in writing within thirty (30) days of the invoice date with an explanation of the disputed invoiced amount or else Client will waive the right to dispute the amount set forth on the invoice.
