

CITY COUNCIL ITEM SUMMARY

MEETING DATE:	May 15, 2025
SUBCATEGORY:	Bid Award/Purchase
DEPARTMENT NAME:	Water
AGENDA ITEM TITLE:	Wade Road Tree Removal
DEPARTMENT SUMMARY RECOMMENDATION:	<p>The property at 151 Wade Road is bordered on three sides by the City-owned biosolids land application farm. Approximately 150 trees near this property line have been infested with pine beetles and require removal. This issue has been discussed with, and agreed to by, the property owner.</p> <p>The Water Department obtained three quotes for complete tree removal. I recommend awarding the work to the lowest bidder, AJ's Tree Service and Landscaping LLC, at a cost of \$13,500.00.</p> <p>This is a budgeted property maintenance expense.</p>
