

CITY COUNCIL ITEM SUMMARY

MEETING DATE:	February 20, 2025
SUBCATEGORY:	Bid Award/Purchases
DEPARTMENT NAME:	Water
AGENDA ITEM TITLE:	Laboratory Flask Scrubber Replacement
DEPARTMENT SUMMARY RECOMMENDATION:	<p>The flask scrubber in the wastewater laboratory, which is necessary for properly cleaning lab glassware, has failed and needs replacing. The current unit was purchased in 2012 and runs six hours per day, six days per week.</p> <p>The quote for this specialty unit from VWR lab supply company is \$13,506.98. This is not a budgeted item, but funds are available to be paid from water and sewer revenue. I recommend purchasing this flask scrubber.</p>
