

CITY COUNCIL ITEM SUMMARY

MEETING DATE:	November 19, 2020
SUBCATEGORY:	Ordinance
DEPARTMENT NAME:	Planning and Development
AGENDA ITEM TITLE:	Swimming Pool Fence Requirement
DEPARTMENT SUMMARY RECOMMENDATION:	<p>The proposed amendment would require pool owners with a lockable cover to also install a fence around the pool area. In the 2018 or prior edition of the International Swimming Pool and Spa Code, the requirement for fencing is waived if the pool has a lockable safety cover. As you may recall, staff brought this to your attention back in July when we sought a resolution to authorize the submittal of the proposed change to the DCA for review and comment. DCA has reviewed, and in a lengthy reply, has no comment.</p> <p>Staff recommends that Council approve this ordinance amendment.</p>
