

CITY COUNCIL ITEM SUMMARY

MEETING DATE:	November 19, 2020
SUBCATEGORY:	Bid Award/Purchases
DEPARTMENT NAME:	Water Department
AGENDA ITEM TITLE:	WTP – Filter 1-3 & 7 Rehabilitation Project Final Change Order
DEPARTMENT SUMMARY RECOMMENDATION:	<p>City Council approved the Filter 1-3 & 7 Rehabilitation Project on December 6, 2018 for \$928,000. Because the project came in significantly under budget, the contract was amended on March 6, 2020 to include the replacement of four (4) leaking filter valves and installation of a mezzanine that would allow safer access to filter valves and controls. The change added \$250,363 to the original approved amount bringing the total contract to \$ 1,178,363.</p> <p>The filter rehabilitation work is now complete. The project was completed for \$1,151,899 which is \$26,464 less than the contract amount. I recommend approval of this final change order to reduce the contract amount to \$1,151,899 and close this portion of the project. The 2018 Revenue Bond provided funding for this project.</p>
