

CITY COUNCIL ITEM SUMMARY

MEETING DATE:	February 1, 2024
SUBCATEGORY:	Resolutions
DEPARTMENT NAME:	Water
AGENDA ITEM TITLE:	Water Department Administrative Building Name
DEPARTMENT SUMMARY RECOMMENDATION:	<p>The new Water Department Administrative Complex is scheduled for completion in June 2024. The Water Department and City Administrative Staff believe it is proper to name the building Robert S. “Bob” Jones in his honor. During his tenure as Director, many important water and sewer improvement projects were completed, but his life on Earth was cut too short to see this facility, which was always on his mind and close to his heart, constructed.</p> <p>As Bob’s former Assistant, constant admirer, and forever friend, I wholeheartedly recommend this resolution for your approval.</p>
