

BARTOW COUNTY

Coroner

Steve Taylor, Sole Commissioner

Joel T. Guyton, Coroner

September 5, 2024

To Frank McCann – Cartersville Police Department

From the Bartow County Coroners office, we would like to request the donation of the old, unmarked police cars for the coroners to use. This would not only help decrease the response time to scenes but also help put the other emergency units back into service quicker. We would like to thank you for the consideration into this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joel T. Guyton", is written over a faint, large watermark of the seal.

Joel T. Guyton

Bartow County Coroner
