

CITY COUNCIL ITEM SUMMARY

MEETING DATE:	June 2, 2022
SUBCATEGORY:	Other
DEPARTMENT NAME:	Administration
AGENDA ITEM TITLE:	Local Emergency Operations Plan – Bartow County
DEPARTMENT SUMMARY RECOMMENDATION:	This is the countywide plan for activation of EMA and GEMA resources as needed in a disaster. It provides the powers for activation of disaster declaration and lays out the chain of who is responsible within Bartow EMA. This does not have any effect on the city's authority to operate (we have our own emergency management ordinance which works in conjunction with this one) and it is recommended for approval for the Mayor to sign the ordinance. Note that the request of the Mayor's Signature is not to endorse the document, but only to acknowledge the document.
LEGAL:	The Assistant City Attorney has reviewed the ordinance.
