

CITY COUNCIL ITEM SUMMARY

MEETING DATE:	June 2, 2022
SUBCATEGORY:	Other
DEPARTMENT NAME:	Water Department
AGENDA ITEM TITLE:	CVS Sewer Overcharge Refund
DEPARTMENT SUMMARY RECOMMENDATION:	<p>The CVS Pharmacy on West Avenue has been billed for water and sewer service since December 2009. At that time, their one-inch (1") monthly minimum sewer rate was incorrectly entered as a ten-inch (10") service, which continued until March 2022; at which time the rate was corrected to be billed at the one-inch rate.</p> <p>The total overage paid by CVS for this time is \$41,258.61. We have contacted the proper authority at CVS Health and have determined they would prefer a refund check rather than an account credit.</p> <p>I recommend refunding CVS health \$41,258.61, which will be paid from the sewer service revenue account 505.3300.71.4571.</p>
