Reason interested in position (please explain in space provided)
As a 22 year resident of Cartersville, the opportunity to serve on a local City Commission represents to me a small way to give back in a civic manner to the City that I consider my adopted hometown - I have had the pleasure to serve on many local Boards volunteering and as a local business owner throughout these 22 years and this opportunity represents a positive way in which I can impact the future of this wonderful Community!
